

The Amazing Son In Law (Charlie Wade)

Chapter 3326-3327

Hearing Ito Nanako's question, Jasmine said seriously: "I actually don't know much about Master Wade's past. The first time I saw him was in our antique shop last year. Aurous Hill is not well-known, just a son-in-law with a very low family status."

Speaking of this, Jasmine changed her mind and said, "However, at a young age, Master Wade masters an antique restoration technique that has long since been lost. This really shocked me. At the time, I felt that this man must have something. An unknown story."

Nanako Ito nodded: "There are many shocking things about Charlie, but what I want to know most is Charlie's childhood! For example, where did he come from and how he became an orphan?"

He was abandoned by his parents after he was born. He was born without parents, or he lost his parents at a certain point in time, so he became an orphan."

Jasmine frowned and thought for a long time, then shook her head and said, "These... I don't know the truth."

Nanako Ito analyzed again: "Look, Sister Jasmine, Stefanie Sun said that her childhood sweetheart was missing when she was five or six years old.

According to the age of taking care of Stefanie, the age of Charlie is also reversed. Charlie should be seven or eight years old. , And Stefanie Sun is from Eastcliff, so there is a very simple dialectical logic: if Charlie is a native of Aurous Hill, then he would not have any intersection with Stefanie Sun when he was young, so naturally it is not Stefanie Sun's white horse. Prince, this proves that our intuition is wrong."

"However, with the same logic, if Charlie is not a native of Aurous Hill, then the possibility of this incident is greatly increased!"

"If Charlie is really Stefanie Sun's prince charming, it proves that Charlie should have been a native of Eastcliff when he was a child, and he should have been around seven or eight years old when he came to Aurous Hill."

Jasmine nodded in agreement, and said, "According to this, if Master Wade happened to be in the orphanage at the age of seven or eight, then the timeline would basically match."

"Yes." Nanako Ito hurriedly said, "Sister Jasmine, you have connections in Aurous Hill. Can someone check the records of Aurous Hill Welfare Institute?"

Jasmine thought for a while, and said, "Checking records shouldn't be a big problem, but if Master Wade knows that we are investigating him, will Master Wade have any misunderstandings about us?"

After all, Master Wade has a very wide network of contacts in Aurous Hill. I I'm afraid I've just asked someone to check it, and he'll know it over there."

"It's true..." Ito Nanako thought for a while, and said hurriedly: "By the way, Sister Jasmine, didn't you agree with Charlie's wife, do you want to cooperate with her on some projects?"

"Right." Jasmine nodded: "What's the matter?"

Nanako Ito hurriedly said, "Then you just have to find an opportunity to ask her when you meet her, how old Charlie was in the orphanage, as long as you ask skillfully, she should not be suspicious. That way, , Our doubts can be revealed!"

Jasmine immediately agreed and said, "Then I will invite Miss Wade to the group to have a chat tomorrow!"

After that, Jasmine looked at Ito Nanako in a daze, and asked her: "But... Nanako, what do you mean by doing this?"

Nanako Ito said seriously: "Sister Jasmine, the significance of this matter to me is because I love Charlie unreservedly.

Therefore, I can't help but want to learn more about Charlie's past, and I also know that This idea is very selfish, but I just can't control myself..."
