

The Amazing Son In Law (Charlie Wade)

Chapter 3336-3337

Jasmine realized that Claire hadn't noticed her mistake, and quickly nodded in agreement: "Miss Wade, you are right, I was wrong."

After all, she hurriedly picked up the file, selected three project plans from it, and handed it to Claire, and said with a smile: "Mrs. Wade, you can go back and take a good look at these three projects. This is what we have now. Prepare for the first project. If there is no problem on your side, we can sign the cooperation agreement first."

Claire nodded and said, "Okay, Miss Jasmine, I will take these materials back, and I will read them carefully today, and then think about a feasible plan, and then we will communicate in detail!"

"No problem!" Jasmine took out a business card of her own, handed it to Claire, and said, "Mrs. Wade, here is my contact information. If time is convenient, you can contact me at any time."

"Okay!" Claire stood up hurriedly and said: "If this is the case, then I won't disturb Miss Jasmine's work. If you have any questions, we will contact you by phone."

"OK!" Jasmine proactively extended a hand to Claire and said, "Happy cooperation!"

Claire nodded: "Happy cooperation!"

Jasmine also stood up and smiled: "Go, I'll send you out."

Jasmine sent Claire out of her office. After saying goodbye to her, she immediately returned to the office, took out her mobile phone, and called Ito Nanako.

At this time, Nanako Ito is waiting for Jasmine's feedback at the Moore's villa. Because she knows Jasmine will meet with Claire this morning, she also expects Jasmine to be able to extract some useful key information from Claire's mouth.

So, as soon as the call came, she immediately connected and asked, "How is Sister?"

Jasmine said straight to the point: "Cainazi, I suspect that Master Wade is the young master of Eastcliff Wade Family!"

With that said, Jasmine repeated the conversation she had with Claire just now with Ito Nanako.

"Wade Family?!"

After hearing what she said, Nanako Ito was struck by lightning.

Some time ago, both the Banks Family and the Wade Family had approached the Ito family one after another, hoping to cooperate with the Ito family in ocean transportation, so Ito Nanako knew both the Wade Family and the Banks Family better.

She knew that the strength of the Wade Family had almost reached the apex of the pyramid in China. The Banks Family used to be slightly stronger than the Wade Family, but now the Banks Family has spun off the entire ocean shipping group to Zara, so the current overall situation of the Banks Family The strength may be comparable to that of the Wade Family, and it may even have been faintly surpassed by the Wade Family.

If Charlie is the young master of the Wade Family, it means that Charlie is actually a direct blood relative of the top family of China, which is far from his original orphan background.

For a while, Nanako Ito also felt a strong inferiority complex in her heart.

Originally, like Jasmine, she had a little bit of superiority from her family background deep in her heart.

I always felt that I might not be able to compare with Charlie in many aspects, but at least, I was still a young lady from a big family.

But now it seems that Charlie is not only in this point, not a bit worse than himself, on the contrary, he is still a young master from a larger family.

Suddenly overwhelmed his only advantage.

For a moment, the two girls fell silent on the phone.

After a long time, it was Ito Nanako who broke the silence and said, "Sister , when I wanted to cooperate with our family in the Banks Family and Wade Family, I briefly investigated the situation of these two families. It seems like the Wade Family's generation. Among the middle-aged heirs, there is indeed one person who had no news a long time ago. If Charlie is really the young master of the Wade Family, it is very likely that he is the son of this person!"
