

The Amazing Son In Law (Charlie Wade)

Chapter 3418-3419

Lord Banks finally breathed a sigh of relief when he heard Abbas's words. He did not expect that being an old dog licking would be so tiring.

So he repeatedly promised: "Don't worry about breaking the army, by then I will personally go to your parents' grave to worship!"

As he said, he deliberately sighed and sighed: "I'm waiting for you to successfully kill Yeling Mountain on Qingming Day. Oh no, you successfully killed Wanling Mountain!"

Sure enough, Lord Banks sighed, and immediately transferred all the contradictions in Abbas's heart to the Wade Family.

Abbas grinned and gritted his teeth: "Just the Wade Family, what can stop me from killing Wanling Mountain? At that time, I won't have to do it personally. I will send one of the Four Great War Kings, and the Wade Family can't resist it.!"

After that, his expression became more and more cold, and he sternly said: "However, I still want to let the Wade Family feel what rolling is called! By then, my Four Great War Kings will gather in Wanling Mountain! I waited for two whole days for this day.

For ten years, these two decades, I have stubbornly tried my best and endured humiliation, just to not leave the Wade Family any room for reversal when this day comes!"

Lord Banks resumed his previous licking of the dog's face, and said with a smile: "If this is the case, then I will return to Eastcliff on the day of Qingming, and I will be there when your parents move the grave the next day of Qingming!"

"Okay!" Abbas nodded and blurted out: "After I moved my parents' coffins to Wanling Mountain, I immediately led the Four Great Wars to Aurous Hill. In any case, I have to find out the truth of my Uncle Banks's disappearance. As long as my Uncle Banks is still alive, I will definitely bring him back safely!"

Lord Banks said excitedly: "Breaking the army, you will do it yourself. I believe defending the way will definitely return safely!"

Abbas said again: "Don't worry, when you find out who is behind my Uncle Banks, I will remove him from the roots, and I will never leave Uncle Banks any more hidden dangers!"

Lord Banks was so excited that tears were almost streaming out. He actually didn't care whether Zayne could come back alive. What he really cared about was Zara's benefactor.

As long as he could be killed, he would have no worries. !

At this moment, Abbas's superior subordinate suddenly picked up a satellite phone and said to Abbas: "Hall Master, it's the phone of the Blue Eyed Wolf King!"

The Blue Eyed Wolf King is the warlord Chen, one of the four warlords in the Wanlong Palace, and the warlord who is best at leading troops to fight in the Wanlong Palace.

In this cooperation with Syria, Abbas handed over 10,000 elites and the entire command to Chen.

Although Wanlongdian is a modern mercenary organization, its internal structure is very martial arts style.

It is said that this is because the mentor of the Army is a contemporary knight who walks through the rivers and lakes, so the Army also has a strong knight complex.

That's why he took the name of his father, the Bandung Group, and took the name of the Wanlong Temple, which is rich in Chinese and full of martial arts.

The four kings of the Wanlong Temple also imitated the four guardians of Mingjiao in the martial arts novels and gave themselves four strong martial arts names, namely, the blue-eyed wolf king, the white tiger king, the black-faced leopard king, and the golden retriever. Lion king.

Among them, the blue-eyed wolf king and the white-clothed tiger king are both of Chinese descent, and the blue-eyed wolf king is naturally Chen who is in Syria, and the white-clothed tiger king is the outstanding young man next to him.

As for the Black-faced Leopard King and the Golden Retriever Lion King, they are African-American blacks and American-American blonde whites, respectively.
