

The Amazing Son In Law (Charlie Wade)

Chapter 3469)

Hunter (Hamid) grabbed his collar, bowed his two big mouths left and right, and cursed: "I let you talk nonsense, I let you talk nonsense!"

Two slaps dazzled Zayne's eyes and tinnitus. Before Zayne recovered, Hunter (Hamid) took off his Stallone beret from the top of his head, twisted the hat into a ball with both hands, and pinched the cheeks on both sides of Zayne. , Put his hat into his mouth and cursed: "One more nonsense, I will let people feed you shit!"

Zayne almost collapsed.

He really had the heart to kill Hunter (Hamid), but in his heart he knew very well that he was capable of killing Hunter (Hamid) and it was really difficult to kill Hunter (Hamid).

Don't say that I'm a prisoner of Hunter (Hamid) now, even if I'm still the Grand Master Banks of the Banks family, it's meaningless. All the guards from the banks family are pulled out. It's not enough for Hunter (Hamid)'s firepower to strengthen the company. It's not Hunter (Hamid) at all. Opponent.

So, this kick plus two slaps, and a beret hatred, I'm afraid I won't have the chance to report it in this life.

Thinking of this, Zayne only felt that his life was gloomy.

But he didn't dare to continue to touch Hunter (Hamid)'s mold, so he closed his mouth completely and stood aside and stopped making a sound.

At this moment, Hunter (Hamid) suddenly saw a large black umbrella blooming over his head diagonally above him. Upon closer inspection, he saw that a parachute had been opened at a position less than 100 meters above his head and then quickly descended.

The man who controls this set of parachutes is Charlie who has come all the way from China!

Hunter (Hamid) said to himself with excitement: "Here is here! Finally here!"

Zayne looked up and saw that the parachute was already less than fifty meters above the ground.

Zayne was stunned, and he thought to himself: "This... is this man looking for death? It's weird to open the umbrella at such a fast speed and at such a low distance without falling him to pieces!"

As soon as I finished speaking, I saw that the rapidly falling parachute suddenly seemed to be cut off. Then the parachute lost its tension and flew upside down in an instant, while another black spot fell directly to the ground at a rapid speed.

When the parachute was about ten meters away from the ground, Charlie directly cut the rope with aura, and then he stood firmly on the ground. The huge acceleration of gravity seemed to have no effect on him. He just landed. He took off his parachute bag casually and threw it aside.

At this time, Hunter (Hamid) dragged Zayne to rush, and when he was tens of meters away from Charlie, he already shouted with excitement: "Brother wade! We finally meet again!"

Charlie watched Hunter (Hamid) fly all the way, and couldn't help but ridicule: "Brother, these legs are really neat."

Hunter (Hamid) came to Charlie and stood still, and said with a smile: "That's not all thanks to you!"

As he said, Hunter (Hamid) threw Zayne over, pointed at him and said to Charlie: "Brother, I brought this guy to greet you, and I will die with you by the way. He is here with me. During this time, there are no arms or legs, you inspect the goods!"

Zayne was stupid.

He really didn't expect that the person who committed suicide parachuting was actually Charlie.

This made him wonder: "Charlie... what kind of strength is this guy? Isn't it a damn thing to jump down so high? Isn't this a damn good martial arts expert?"

In addition, he did not expect that Charlie would come to Syria at this time.

He wondered in his heart: "Could it be that Charlie came to Syria this time to take me back to China and participate in the Wade Family Ancestor Ceremony? This guy... Isn't this guy too hard? I'll take it back? Why do you... let me cat in a cave in Syria by myself?"
