

The Amazing Son In Law (Charlie Wade)

Chapter 3519)

"Unhappy?" Don Albert raised his eyebrows and asked very uncomfortably: "Your fifth master, I kindly brought your brother over to meet you and let your brothers meet again. You said that you are not happy, you are Take my kindness as a donkey's liver and lungs."

James, you were as ugly as a dead father, and you yelled in your heart: "Grass! I f*cking knew you had to say this! I guess you guessed it, and it doesn't mean a word of the f*ck! You take the dog thing. I'm a rat in the sewer, blocking me at both ends, you! If one day James has a chance to get out of here, if I kill you, my surname will not be Banks!"

Don Albert looked at James with a depressed face, smiled disdainfully, and didn't tell him any more, he said loudly: "Congratulations, Zayne and James brothers have not reunited for a long time! Come, let the atmosphere start!"

As soon as the voice fell, a group of boys immediately rang the firework tube, and various colorful sequins and ribbons were sprayed out, making Zayne and James very embarrassed.

Don Albert looked at Zayne with a gloomy expression, stretched out his hand to pull him to the iron cage, opened the door and pushed him in, and said with a smile: "Zayne, your brother has been missing for so long, you two should have a lot to say. , I won't bother you brothers to renew the past."

Having said that, he beckoned to all of his men and said, "Okay, let's go away, one man, give these two bottles of Erguotou in a while. I think they must have a lot to talk about today."

The little brother quickly said: "Okay, fifth master, I'll get it now."

Don Albert and his men left, and the brothers Zayne and James looked at each other.

Feeling bad luck, Zayne reached out and threw the bunch of fake flowers on the ground, and cleaned up the ribbons and sequins on his body.

James stepped forward to help, and asked him: "Big brother, what's the matter with you? Didn't you go to Australia to take shelter?"

Zayne said irritably, "What's the matter? I want to know what the hell is going on. After you disappeared, Charlie exposed what the old man wanted to harm Deana, including the video that you and John Garrett admitted. When I went out, the old man was scolded as a dog, and he couldn't stand it anymore, so he called me back from Australia to be a scapegoat."

James asked in surprise: "You...you were caught here by Charlie because of your old man?"

Zayne sighed with a gloomy look, and said, "Damn, I have suffered from blood mold during this period of time. I was originally arranged by the old man to meet Ito Yuihiko of the Ito family. Who would have thought that Ito Yuihiko hadn't met. In the end, he was caught by Charlie, and then he was thrown into Syria by Charlie..."

"What?! Syria?!" James asked dumbfounded: "What did you do there?"

Zayne was annoyed in his heart, sipped, and cursed: "Bah! It's damn bad to say it! Charlie actually had a friend of the warlord who was engaged in the opposition in Syria, and threw me to his base and imprisoned me. Life is a bit bitter, but at any rate it is considered An Sheng. Who the hell can think of, the damn war will start within a few days of An's birthday!"

With that said, Zayne was like taking out the rubbish, and he said all his experiences in Syria during this period of time.

These words are really uncomfortable in his heart. He hasn't even had a person to confide in. Although James's relationship with him is not very good, he is still brothers after all, so at this time, he can no longer bear it, and his brain will have everything. The whole thing is revealed...
