

The Amazing Son In Law (Charlie Wade)

Chapter 3529)

...

On the way back to the city, Charlie called Isaac Cameron.

As soon as the phone was connected, Isaac Cameron asked respectfully: "Master, what do you want to tell me if you call me so late?"

Charlie said, "isaac, you can arrange the plane for me. I will leave for Eastcliff tomorrow morning."

"Okay!" Isaac Cameron hurriedly said, "Master, then I will go with you tomorrow. For such a major event as the ancestor worship ceremony, we housekeepers will also be there."

Charlie said: "No problem, then you can arrange things here at night, and we will go together tomorrow."

"Okay!" Isaac Cameron agreed and asked him again: "Master, do you have any other things you need me to arrange for you?"

"Yes." Charlie said: "You will arrange another plane to take off from here tomorrow night. When that time Don Albert will take the two people I left at the kennel with me. Remember to take their faces. Block it and keep it strictly confidential. Don't let others know that these two people have arrived in Eastcliff."

Zayne Charlie must take it to Eastcliff, because on the day of Qingming Ming Dynasty, he wanted Zayne to kneel in front of his parents' grave to confess.

As for Chen of Wanlong Palace, Charlie must also bring it.

Because he had already guessed that Abbas's plan, he would definitely have to meet Abbas and even meet him in battle when going to Eastcliff this time, so bringing Chen on will definitely be useful at the critical moment.

Isaac Cameron naturally knew who Charlie said these two people were. He asked a little nervously: "Master, the identities of these two people are very sensitive. It's okay for Aurous Hill to say, but after they arrive in Eastcliff, what should we do? Woolen cloth?"

Charlie said calmly: "You don't have to worry too much about this. Tomorrow I will let the Elms family go with them. When I arrive in Eastcliff at night, I will let the Elms family take them to find a safe place to settle down quietly."

Isaac Cameron couldn't help but said: "Master, I am afraid that there are many masters in the Wanlong Palace. Can the Elms family be able to do it?"

Charlie smiled slightly and said, "Don't worry, it's the enemy's light and my dark. They went to Eastcliff quietly. As long as they pay a little attention, the people in Wanlongdian will definitely not find out. I believe the Elms family still has this ability. "

“Okay!” Isaac Cameron said immediately: “Then I will arrange the flight now, and then set a good time with Don Albert, the Elms family, do you think you will notify them or I will notify?”

Charlie said: “You can contact Don Albert, and I will inform the Elms family.”

“it is good!”

Charlie hung up the phone, picked up the phone, and called Wilfred (LORD Elms), the old man of the Elms family.

Wilfred (LORD Elms) came to Aurous Hill since he called Aurous Hill, thinking that he wanted to do everything for Charlie every day to return his many kindnesses, but he did not expect that after he came, he had almost no other work except helping Don Albert and Isaac Cameron training his men every day. , And Charlie basically never contacted him. After such a long time, he was even a little embarrassed and felt ashamed of Charlie.

Therefore, when he received Charlie’s call, he was very excited. As soon as he connected, he immediately said with excitement and respect: “Master Wade, you finally remembered that you were next!”
