

The Amazing Son In Law (Charlie Wade)

Chapter 3537)

Thinking of this, he asked unwillingly: "Auntie, don't you think Charlie was too much to treat you like that at the beginning? Isn't you not angry with Charlie in your heart?"

Cynthia Wade took a step back and said seriously, "I am not, I don't, don't talk nonsense..."

Jon Wade's chin was about to fall, staring at Cynthia Wade with a stunned mouth. She never dreamed that she wanted to do some tricks to rekindle her anger towards Charlie, but who would have thought that she would give herself one directly. Denial of Sanlian...

Jon Wade was naturally very depressed at this time, and hurriedly looked at his father Corran Wade, hoping that Corran Wade could stand up and work harder.

However, Lord Wade didn't give him a chance.

At this time, Lord Wade's expression already had obvious dissatisfaction, and he said coldly, "Charlie is your brother. No matter what you think of him, I must show up as an older brother. Get along well with each other."

After that, he looked at the other people again and said sharply, "You are the same too!"

Jon Wade didn't dare to say anything more, so he nodded angrily: "Grandpa, I know."

Lord Wade said coldly: "Charlie has more than an hour to arrive, so you should hurry up and prepare to pick your brother back at the airport in person!"

"Me?" Jon Wade asked with a surprised look: "You want me to pick him up at the airport?"

"Of course!" Lord Wade said: "Charlie said on the phone that he wants to go to Sun's house first, but he has been away from home for so many years, and now he has finally returned. Naturally, he should come to Wade's house as soon as he landed. How can he go to Sun's house! So you take someone to the airport to greet him, and persuade him to take him to Wade's house!"

Jon Wade was very unhappy when she heard that she asked herself to pick up Charlie.

He felt that he was the eldest son of the Wade Family.

The status of the eldest grandson is equal to that of the crown prince, and the other descendants have to be respectful when they see him. He has been away from home for so many years without Charlie, so why should he be the eldest son and eldest grandson to pick him up?

Thinking of this, Jon Wade said reluctantly: "Grandpa, Charlie will be back when he comes back. I will arrange a team and let Steward take the team to greet him. Isn't it grand enough? There is no need for me. Go?"

Lord Wade said decisively: "You can only show the sincerity of the Wade Family!"

Jon Wade frowned and said, "Charlie is my second uncle's son. Even if he has been away from home for so many years, he is his own family. You don't need to have such a separation between your family and your family. What kind of sincerity can you express?"

Lord Wade said solemnly: "What do you know? Charlie left home when he was eight years old. He has never officially returned to recognize his ancestors. After all, he is now treating us as outsiders, so we must let him feel the whole The sincerity of the Wade Family can make him willingly admit his ancestors and return to the clan!"

Jon Wade didn't expect that Lord Wade valued Charlie so much, and he was even more upset in his heart. He couldn't help but slander to himself: "This Charlie, who has been away for almost 20 years, is coming back suddenly now. What is it for me?" Will the new generation of heirs qualify? "

"There is also the old man, who protects Charlie everywhere, do you want Charlie to stay in the Wade Family to check and balance with me?"

"It's just a trash that has been around for twenty years, and he deserves to be called a brother to me, Jon Wade?!"

"I don't know why Grandpa looks down on him so much. Is it because he has a marriage contract with Sun's family?!"

At this time, Jon Wade, even though he was full of dissatisfaction and anger, he did not dare to directly disobey Grandpa.

So, he could only hold back his anger and promised him, saying: "Okay grandpa, then I will go to prepare and pick him up."

Lord Wade nodded lightly, looked at Brenden, the son of the old third Myles Wade, and ordered:he , go with you too!"
