

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3544 )

Seeing Stefanie Sun, Charlie was in a particularly good mood. He walked a few steps to her and asked with a smile, "How long have you been here?"

Stefanie Sun stepped forward and took his arm, shook it slightly, and said with a grin: "It's not a long time, only half of a movie has been watched."

As she said, she hurriedly pulled Charlie towards the direction of the car, muttering: "My dad and my mom made a big table of dishes at home, waiting to pick you up! Let's go back!"

Charlie smiled and said: "Don't worry, Isaac is still behind, I'll say hello to him."

Stefanie Sun saw Isaac Cameron who had just stepped down the boarding ladder and said embarrassedly: "Sorry, Mr. isaac, I didn't notice you just now!"

Isaac Cameron hurriedly said: "Miss sun, you are serious. At this time, how could there be other people in your eyes."

After hearing this, Stefanie Sun's pretty face was hot, but she still gave Isaac Cameron a thumbs up and praised: "As expected of Mr. isaac, I really can speak!"

After that, she said again: "Mr. isaac, my parents are at home waiting for Charlie, we'll leave first!"

Isaac Cameron nodded and smiled: "Miss , be careful when driving on the road."

Just finished speaking, eight black Rolls-Royce drove into the hangar one after another.

The eight cars are parked sideways in a row. The front face of each car is the classic Temple-shaped grille of Rolls-Royce and the flying goddess made of pure gold.

Immediately afterwards, the doors of the eight cars opened one after another. In addition to the Wade Family bodyguards in black, Stephen Thompson, Jon, Brenden, and Helena also got out of the car.

When Stephen Thompson saw Charlie, he stepped forward and greeted respectfully: "Master , you have worked hard all the way!"

As soon as Stephen Thompson finished speaking, Jon stepped forward and blocked him with his hand. He looked at Charlie with a smile, and said, "You should be my poor hall who has been wandering outside for twenty years and has been homeless. Brother, Charlie, right?"

Charlie frowned and looked at him, and asked blankly: "Who are you?"

Jon smiled and said: "Brother, you have been away from home for too long, and you don't even remember me? I am your cousin, Jon!"

After all, he strode towards Charlie, stretched out his arms and hugged Charlie vigorously, and said with a smile: "Good brother, you are finally back! You don't know how much we worry about you for so

many years! So many years, You have suffered! But don't worry, my eldest brother will take care of you a lot and make up for the hardship you have suffered for so many years!"

Charlie said indifferently: "That is really troublesome for you to worry about."

Jon waved his hand: "Oh, one family, don't talk about two things! We are all happy to be able to come back! So as soon as I heard that you are coming today, Brenden and I hurried over to pick you up."

With that said, he pulled Brenden over and said with a smile: "This is your brother, the son of the third uncle's family, Brenden. When you left, he was still in kindergarten."

Brenden looked at Charlie and said with a smile: "Second brother, I always thought that I would never have a chance to see you in my life. I didn't expect that we could meet again one day."

Jon smiled and said: "What are you talking about? Charlie is outside, and he is not a guest."

"Yes, yes, yes!" Brenden hurriedly nodded and said: "Big brother is right, don't be surprised, second brother, I am a fun guy, and I came back after studying an MBA in the United States and didn't go to Ph.D. If you don't have a high degree of education, you can bear it a little bit if you say something wrong."

Charlie smiled and nodded.

He knew that the two brothers had no good intentions when they came to pick him up today. One ridiculed himself of having been wandering for twenty years, and the other ridiculed that he hadn't read much.
