

The Amazing Son In Law (Charlie Wade)

Chapter 3545)

However, these are nothing to Charlie at all. Even if the two of them were standing here today, Charlie would not take a second look at them, so naturally they would not put these two clown-like dudes. In the eyes.

Stefanie Sun couldn't bear it, she raised her hand to take off her mask and sunglasses, looked at Jon and Brenden, and said with an unkind expression: "Jon, Brenden! What the hell are you two doing? Charlie just returned to Eastcliff. You two will sing like a double reed with the clown, jumping out and sing together. Who is this disgusting?"

Jon and Brenden realized that the woman who stood beside Charlie and covered her face with a mask and sunglasses turned out to be Stefanie Sun who was popular all over the country and even the world.

Even the gang of Helena couldn't help being a little surprised when they saw Stefanie Sun.

Although she is not a fan of Stefanie Sun, she has also listened to Stefanie Sun's songs and admires Stefanie Sun very much. She feels like a passerby fan. She was naturally a little surprised to see it here today.

Seeing Stefanie Sun's angry look in order to protect Charlie, Brenden was really jealous to the extreme.

Originally, the eldest brother Jon found a Northern European royal princess, Brenden didn't say anything on the surface, and he was already very jealous.

However, he also knew a little bit of self-knowledge in his heart that Jon was the eldest son of the Wade Family after all, and it could be said that he was the one with the highest gold content among the younger generation of the Wade Family. He certainly couldn't compare with him.

But now seeing a superstar like Stefanie Sun, not only came to pick up Charlie in person, but even defended Charlie to the utmost, Brenden felt a bit aggrieved in his heart.

At this time, Jon explained: "Oh, don't get me wrong, we know that Charlie came back today and was excited, so I ran all the way to greet him personally, and there was no other meaning."

Stefanie Sun knew that he wanted to get through here, so she didn't buy his account at all, and said coldly: "What kind of girl? Did you call that girl?"

After all, Stefanie Sun improved a bit, and said righteously: "I tell you Jon! Don't think I can't hear the nasty meaning in your words. Today I will leave it here.

Don't even think about bullying my Charlie! Who dares to give me Charlie a blank eye, Stefanie Sun, I don't want him!"

Jon didn't expect that when she wanted to find a step down, Stefanie Sun was still aggressive and refused to give up, but after all she was at a loss, and it was not easy to turn her face with her for a

while, so she could only bite the bullet and smile and said, "Stefanie, you really Misunderstood, Charlie and I are grandma's cousins, blood is thicker than water, how can we bully him?"

Stefanie Sun hugged her shoulders and said coldly: "Don't be sloppy here with me! If it doesn't work, I will go to Wade's house to find Grandpa Wade to be fair! Repeat what you said to Grandpa Wade and see what his elderly say! "

Jon suddenly felt a bit difficult to ride a tiger. He really didn't expect Stefanie Sun to seize this matter and hold on to it. For a while, he didn't know what to do.

Charlie said to Stefanie Sun at this time: "You have done something, don't hold on to a small matter."

Hearing Charlie's opening, Stefanie Sun immediately nodded obediently, and then said to Jon: "This time I listened to Charlie, so I won't care about you! But it's better not to have another time!"

Jon was depressed, and who would have thought of ridiculing Charlie, letting this aunt Sun, who was surnamed sun, grabbed a scolding, the key to her own mistakes, she really didn't dare to confront her head-on.

So, he quickly changed the topic, pointed at Helena next to him, and said with a smile: "Come here, Charlie, I will introduce you to you. This is your future sister-in-law, the eldest princess of the Nordic royal family, Helena Ilya. special!"

After that, he hurriedly said to Helena: "Helena, this is my cousin, my second uncle's son, Charlie!"

Helena politely nodded to Charlie, then proactively stretched out her hand and said: "Hello Charlie, I am Helena, I am glad to meet you."

Charlie also politely reached out and shook her gently, said gently: "Your situation is not very good, you should pay more attention to it in the near future."
