

The Amazing Son In Law (Charlie Wade)

Chapter 3560)

Orrin Sun's words made Charlie unable to calm down for a long time.

When he thought of his father leaving Eastcliff with such unwillingness, disappointment, and dejection, and finally he died in his hometown, Charlie's heart was like a knife.

In the past, he didn't want to have too much involvement with the Wade Family, because he knew that the relationship between his father and the Wade Family ended up being very stale, and even the Wade Family had to take part of the responsibility for the death of their parents.

Because of this, he kept avoiding the Wade Family, trying not to get entangled with the Wade Family as much as possible.

And Orrin Sun's words made him understand that his father had always been unwilling to be in the Wade Family!

Because, back then, it was the Wade Family who had lost him! Lost his blood! Lost his prosperous years!

Just as Orrin Sun said, his father died with hatred. As his only son, he should not only seek justice for him, but also should carry his banner and inherit his will!

Only in this way can he really comfort his spirit in the sky!

Otherwise, no matter how strong and rich he is, if at this point, he can't inherit his will, then he will not be able to make up for the great regret before his father's death!

At this point, Charlie silently filled himself with a glass of white wine, held the glass with both hands, and solemnly said to Orrin Sun: "Uncle, thank you for your enlightenment! I will definitely inherit my father's will and become the head of the Wade Family. Let Wade Family stand on top of the world!"

Speaking of this, he said with a somewhat grim expression: "Before achieving the ultimate goal, I want the entire Wade Family to surrender to me! I want the entire Wade Family to follow my steps honestly! No one, no one. Just like 20 years ago, leave my father alone halfway through the mountain!"

"Okay!" Orrin Sun was very excited, shouted, and stood up: "Charlie! Whenever, remember that you are Bruse's son! You must carry your father's banner and stand tallest in the world Let all the top families surrender to you! Let the Wade Family, the Banks family, and the Rothschild family all kneel in front of you and respect you!"

Speaking of this, he looked up to the sky and sighed: "I hope that in my lifetime, I can see this moment with my own eyes! Then, Orrin Sun, I can take the news to see your father and mother. By then, I will have no regrets in this life!!!"

...

In Eastcliff this night, many people fell into insomnia.

Lying on the bed in the guest room of the Sun family, Charlie thought about how to become the master of the Wade Family and how to make the Wade Family stand on top of the world.

At the same time, he thought of the Lord of the Wanlong Palace, Abbas, who hadn't shown up yet.

He knew that Abbas's goal was the Wade Family's ancestor worship ceremony this time.

Therefore, he speculated in his heart that tomorrow, the day after tomorrow at the latest, Abbas would come to the front of the stage from behind the curtain.

Abbas will definitely show up with the strength he thinks is enough to crush the Wade Family. This is a disaster for the Wade Family, but for himself, it is an opportunity!

People say they can't break or stand.

Under the leadership of Mr. Wade for so many years, the development of the Wade Family can be said to be stable and very stable.

Therefore, if you want to seize the power of the father, you must become famous.

And Abbas is the best opportunity!

At this point, Charlie thought to himself: "Let Abbas come on stage first and perform well, and let him shake the Wade Family's shock and faltering, it will be the day when Charlie takes over the power of Wade Family!"

At the same time, Abbas, who was also in Eastcliff, was also unable to sleep for a long time.

Just after 12 o'clock in the morning, he tore off yesterday's calendar with his own hands and looked at the four words "April 4th", losing his senses for a long time.

The failure of Chen and more than 10,000 Wanlongdian soldiers in Syria made him angry and heartache, but as April 5 got closer and closer, he no longer thought about Chen's life and death, and the scene. The blow to the Wanlong Temple caused by the failure.
