

The Amazing Son In Law (Charlie Wade)

Chapter 3581)

Charlie nodded lightly.

He still didn't get out of the car in a hurry. Instead, he said to Stefanie Sun in the car: "My daughter, thank you for your hard work, just send me a special trip."

Stefanie Sun smiled sweetly: " Charlie, why are you polite with me."

Charlie nodded and said: "Then I will go down first. You won't use it to pick me up at night. After I'm done, I will ask to send me back."

"Okay." Stefanie Sun said hurriedly: "Then I will wait for you at home."

Charlie replied, and then walked out of the Rolls Royce.

At this time, Jon Wade was almost mad.

He lowered his voice and complained to Corran wade, his father beside him: "I don't know where Charlie has such a big shelf! Grandpa took us out to meet him personally. He didn't get out of the car quickly, but he still had to wait. Let the Stephen Thompson open the door for him! It's too good to show off!"

Corran wade glared at him and shouted in a low voice: "Take care of your own mouth! Don't you know if the two words come out of your mouth?"

Jon Wade could only shut his mouth angrily.

Although he was still full of dissatisfaction, he did not dare to show too much dissatisfaction.

Charlie got out of the car and did not say hello to the Wade Family immediately. Instead, he stood outside the car, turned around and waved to Stefanie Sun in the car. After watching the Rolls Royce in the car, he turned around.

Most Wade Family members were dissatisfied with Charlie's performance, but Lord Wade was not angry at all. On the contrary, he was very excited and took Charlie's hand, choked up and said: "Charlie, you have been away from home for so long and finally came back. God bless my Wade Family, now that I can live to see you return to the Wade Family, it's dead and no regrets!"

Charlie knew that the old man's remarks were not very credible.

However, Charlie didn't refute his face, and said politely: "Grandpa, for so many years, I have worried you."

Lord Wade said with emotion: "It's okay, it's okay to come back! It's okay to come back!"

As he said, he hurriedly took Charlie's hand, faced the Wade Family behind him, and said enthusiastically: "Come on, Charlie, you have been away from home for too long. You may not remember many people. Grandpa will introduce you to you. "

At this time, Charlie found that Helena in the crowd had a pair of blue eyes staring at herself without blinking.

Charlie and her gaze briefly intertwined, seeing her eyes full of gratitude and pleading, Charlie pretended not to have seen it, and immediately turned to look at his uncle, Corran Wade.

Because the first person the old man was going to introduce to Charlie was his eldest son, Charlie's uncle Corran Wade.

Although Charlie and Corran Wade have not seen each other in 20 years, the appearance of middle-aged people has not changed much after all, so they can be recognized at a glance.

Lord Wade pointed to Corran Wade and said to Charlie: "Charlie, this is your uncle, do you remember?"

"Remember." Charlie nodded, also out of observance of etiquette, and took the initiative to speak: "Hello, uncle, it's been a long time."

Although Corran Wade is unhappy with Charlie, but the superficial work is still in place, he sighed: "Charlie, you can come back, uncle is really too happy! For so many years, you don't know how much we worry about you."

Charlie nodded and said politely: "Thank you, uncle."

Corran Wade smiled pretentiously and said, "Charlie, how long do you plan to stay in Eastcliff this time? Turn around and let Brother Jon take you around in Eastcliff!"

Corran Wade's remarks are also what many people want to ask Charlie.

They all want to know what Charlie plans to come this time.

He came back to Aurous Hill after attending an ancestor worship ceremony, or he just didn't leave when he came.

Especially Corran Wade, he knows that the old man will soon hand over power when he is old. Then he will naturally be the next Patriarch, and Jon Wade will naturally be the candidate for the next Patriarch.

However, killing Charlie at this time will more or less definitely affect the future development direction.

Therefore, he must first understand Charlie's intentions.

Charlie couldn't hear the meaning of Corran Wade's words, and smiled slightly: "Uncle, I came back this time to recognize my ancestor and return to my ancestor. After I recognize my ancestor and return to my ancestor, I will become a member of the Wade Family again. So how long is this question, the answer should be how long and how long!"

After speaking, he smiled again: "Even if I don't live here often in the future, I have to let Grandpa reserve a room for me, because I will definitely come back often!"
