

The Amazing Son In Law (Charlie Wade)

Chapter 3582)

Hearing Charlie's words, Corran Wade was extremely depressed.

He understands what Charlie meant. From now on, whether he lives in the Wade Family, whether he stays in Eastcliff or not, Charlie has officially returned to the Wade Family.

Corran Wade cursed inwardly: "This kid is a bit disgusting if he does it like this..."

However, in front of the old man, he did not dare to say anything.

So, he could only smile and said: "Good, good! Just come back!"

The old man then introduced to Charlie his third uncle Myles Wade, fourth uncle William, aunt Cynthia Wade, and younger sister Aaliyah.

When introducing Cynthia Wade, Cynthia Wade's expression was very attentive, and she said with excitement: "Charlie, Auntie has been waiting for you for so many years, and you are finally back! Your parents are in the spirit of heaven, you will definitely be very pleased!"

As he said, he made a few hypocritical sobs, but no tears came down.

Charlie was also used to Cynthia Wade's set. After all, Cynthia Wade was a noble parent and daughter of Wade's parents. In the popular words nowadays, this is definitely an old princess.

The old princess has always been arrogant and domineering, and she never needs to bow her head to anyone, so the acting skills are not very good right now, but it is understandable.

After all, this kind of old princess doesn't usually have the energy to study and improve acting skills.

Charlie could also see that she had tried her best to act, but her tears did not listen.

So Charlie smiled slightly and said politely: "Thank you, auntie."

But Aaliyah, who had been silent next to her, had her eyes flushed without saying a word.

By the time MR. Wade introduced her, her tears could not be stretched anymore. She held Charlie's hand while crying, and choked with sobs: "Charlie, come back this time, don't leave again..."

Looking at the sister-in-law who was about forty years old in front of him, Charlie couldn't help but think of his childhood.

My sister-in-law Aaliyah was a whole round older than herself. When she was young, she was a child and she was an older child.

At that time, I was very sticky to her because she would take herself to play with her every day after school.

And she is very clingy to her father, because of her brothers and sisters, she has the best relationship with her father.

Charlie's father also spoiled this youngest sister the most back then. He basically treated her like a daughter and gave her whatever she wanted. So although the siblings were quite different in age, the relationship was indeed very harmonious.

In Charlie's memory, my sister-in-law was very lively and cheerful, and she didn't think so much like Cynthia Wade.

At that time, Cynthia Wade approached Corran Wade and deliberately alienated his father Bruce.

The reason is that Cynthia Wade felt that in the future the heir of the Wade Family would definitely be Corran Wade, the eldest son, so she had already developed a sense of standing in line.

But Aaliyah had never had those complicated thoughts.

When Charlie left home with her parents, sister-in-law Aaliyah was studying abroad. Charlie's memories of her still remain in the scene when she graduated from high school and everyone sent her abroad.

My sister-in-law at that time was still a young girl, and now, she has reached the age of no doubt.

Seeing the true feelings of my sister-in-law, Charlie couldn't help but sighed for a while, and said respectfully: "Auntie, don't worry, I will come back this time to recognize my ancestors and return to my ancestry. Even if I leave Eastcliff temporarily in the future, I won't be separated from the Wade Family. Contact."

The meaning of Charlie's words was very clear.

After returning to the Wade Family this time, he will definitely return to Aurous Hill, but he has officially recognized his ancestor and returned to the ancestry, and will formally become a member of the Wade Family's direct line again.

Hearing this, Lord Wade and Aaliyah's ears were naturally very happy, but other people were very upset when they heard it.

Charlie's recognizing the ancestor and returning to the clan means that there will be one more competitor in the future family property battle.

After the old man took Charlie to say hello to these elders one by one, the rest were those who were equal to Charlie.

The oldest is Jon Wade, followed by Brenden, and several other younger siblings.
