

The Amazing Son In Law (Charlie Wade)

Chapter 3586)

The moment Lord Wade uttered the word Charlie, Corran Wade sat back in his chair again.

The anger in his heart has already made him feel a little numb.

“From the moment the old man asked the whole family to greet Charlie today, everything related to Charlie has exceeded normal standards!”

“It can be seen that the old man just wants to hold Charlie to the top...”

“For me and Jon, this is an extremely dangerous signal. If we continue to develop like this, Charlie might take the place of my heir!”

At this time, the three Cash Wade’s ancestors and grandsons were shocked when they heard that Charlie was Bruce’s son.

Cash Wade looked at Charlie up and down, sighing incomparably and said, “Sure enough, it looks a lot like him!”

As he said, he looked at Lord Wade and asked: “Big Brother, hasn’t Charlie been missing for many years? When did you find him? Why didn’t you tell us earlier about such a big thing? It made us happy too!”

Lord Wade smiled and said: “It’s been a while since I found Charlie, but Charlie’s personality is relatively low-key. He has not been in Aurous Hill during this period. Today is also the first time he came back after so many years away from home.”

“So that’s it!” Cash Wade turned to look at Charlie again, stretched out a pair of wrinkled hands, clasped Charlie tightly, and exclaimed: “Charlie, your father is the pride of the Wade Family. For now, those in North America The top clan mentioned your father’s name, but it still changes! Since you have returned to the Wade Family, you must inherit your father’s legacy and carry forward the Wade Family!”

Charlie didn’t really have any impression of this second grandfather, but he could also see that what the second grandfather said was from the bottom of his heart, so he respectfully said: “Second grandfather, rest assured, I will definitely!”

“Okay! Great!” Cash Wade said gratifyingly: “It is really gratifying to congratulate the son of Bruce to return to the Wade Family. Tomorrow’s ancestor worship ceremony, the ancestors will definitely be very pleased!”

Cynthia Wade couldn’t help but sigh: “When Bruce was alive, he was the light of the Wade Family. I think back then, all of our peers admired him so much. I hope Charlie can inherit your father’s mantle and become the next light of the Wade Family. !”

Lord Wade laughed and said, “I believe Charlie will definitely do it!”

After that, he said again: "Second, you take William and Jon to sit next to you for a while. Let's start half an hour late today. Time is running out, so I won't introduce the greetings one by one."

Cash Wade nodded and said, "Okay, big brother, let's go and sit on the side first, you continue!"

Corran Wade was very depressed: "I, as the eldest son, didn't even have a chance to stand up and say a few words during the whole meeting. The old man is completely paving the way for Charlie!"

Just as Corran Wade felt resentful and intolerable, the second wave of foreign relatives who came to visit also walked in.

As before, Lord Wade only introduced Charlie to the relatives who came to visit him, and he didn't give him the eldest son a chance to get up at all.

In half an hour, dozens of Wade Family branches and more than one hundred foreign relatives who came to visit were basically finished.

Among them, the closest relatives are Lord Wade's two siblings' homes, followed by his grandmother's cousins, the further the relationship is, the farther the relatives are.

After everyone had paid their respects, Lord Wade stood up and said loudly, "Thank you all for coming here for your hard work and traveling far and wide. Everyone is the descendant of the Wade Family. No matter where they are located, the ancestors of the Wade Family are the ones who flow through them. The blood of the Wade Family is blessed by our ancestors of the Wade Family, so in this ancestor worship ceremony, in addition to worshipping our common ancestors, I also hope that all the descendants of the Wade Family here can be more united and carry the Wade Family forward throughout the world.!"

In the main hall, there was a burst of warm applause.

As the head of the Wade Family, Lord Wade felt a sense of accomplishment, and said with a smile: "Everyone, nowadays, the Banks family has suffered various blows. The whereabouts of the eldest son and second son are unknown, and the overall strength has already declined seriously!"
