

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3597 )

Thinking of this, he couldn't help but reprimanded with pain on his face: "You persuade me to agree one by one, but have you ever thought about it, they want a long-tasseled coffin!! Bruce is your brother, how can you take his coffin? Give it to others and let others trample it!! If this is the case, even if you can live for a few years or decades, after you die, what face do you have to see Bruce?!"

Salmaan took a cigar, then yawned again, and said with a smile: "Oh, the old man still has the foresight. The main thing in our hall is to blow bruce's bones and ashes!"

When Charlie heard this, he had a strong impulse in his heart, and he twisted Salmaan's dog's head from his neck!

However, he still resisted the impulse in his heart, and at the same time warned himself in his heart: "Stay steady, be steady! If you can't bear it, you will make a big plan! If I act on Salmaan today, the Wanpo army will be dead tomorrow morning. He won't bring his parents' coffin to Yeling Mountain!"

At this moment, Cynthia Wade lowered his head in embarrassment when he heard Salmaan's words.

But Corran wade said with a serious face: "Dad! Bruce is dead! As the saying goes, people die like a lamp, except for a coffin and a tombstone, nothing else, but we are still alive! We are all alive! They are all flesh and blood, shouldn't you think about the living?!"

Jon Wade also said, "Yes, grandpa! My second uncle caused the trouble. People are now seeking revenge. There is no reason for us to carry a black pot for him!"

After he finished speaking, he was even more indignant, looking at Charlie, gritted his teeth and said: "Even if someone really wants to carry this black pot, it should be Charlie. After all, he belongs to my second uncle..."

Before Jon Wade finished speaking, Lord Wade raised his hand angrily and slapped him, shouting angrily: "You bastard! You shut up!"

After that, he said with a look of hatred for iron and steel, "You are all greedy and fearful of death! If my son is still alive, he will never be as spineless as you are!"

Having said that, Lord Wade burst into tears.

At this moment, he was completely disappointed with his children and grandchildren.

Jon Wade just deliberately wanted to expose Charlie as bruce's own son, so as to guide the Wanlong Temple to transfer his hatred, but he didn't expect that he was slapped severely by the old man before he finished speaking.

He was resentful in his heart, almost blurting out Charlie's identity, but his father Corran wade glared at him from the side, and sternly shouted: "You rebel! Shut your mouth quickly!"

Corran wade knew in his heart that even if he sold Charlie in public at this time, Wanlongdian would not let the other Wade Family members go.

But it is very likely that this will completely irritate the old man.

Don't look at the old man now that he has rejected the other party, but the only way out is in the old man's hands.

In case the old man figured it out, he gritted his teeth and agreed to the conditions of the Wanlong Palace, then after the storm, as the head of the Wade Family, the old man still controls half of the Wade Family's assets.

But at that time, Jon Wade, who had betrayed Charlie, would never be reused by the old man, and he would even be burdened by him.

Therefore, he does not want his son to cut his own way at this time.

Jon Wade was reprimanded by his father, and he didn't dare to speak any more.

Lord Wade didn't even bother to look at him at this time. He turned to look at Charlie and asked, "Charlie...what do you think of this situation now?"
