

The Amazing Son In Law (Charlie Wade)

Chapter 3598)

Lord Wade knew that there might be a chance to save the Wade Family at the moment, only Charlie.

Except for Charlie, there is no possibility for anyone else to turn the tide.

However, he didn't know whether Charlie could hold the Wanlong Palace.

Moreover, Charlie never made a statement from beginning to end.

Therefore, he wanted to know what kind of attitude Charlie had now.

At this moment, Charlie sighed softly and muttered to himself: "What do I think?"

Speaking of this, he raised his head, looked at the arrogant Salmaan, and gritted his teeth in his heart: "I think I should rush up immediately and screw off this dog's head!"

However, the dog owner hasn't come yet, and hitting the dog at this time will only disturb the Abbas behind him.

Therefore, Charlie said to Salmaan: "For such a big matter, after all, we have to give us some time, so that we can discuss it carefully and consider it."

After speaking, he smiled slightly and asked: "For such a big matter, why didn't your palace master come here in person? Since he is wronged, he should also mention this to us in person. If we have any ideas, , It's also good to communicate and negotiate with him face to face, but he never shows up. Isn't that appropriate?"

Salmaan said coldly: "Let our Palace Master come and talk to you personally, you are not worthy at all!"

Charlie was not angry, and nodded and said: "Since we are not worthy of the Palace Master to come over in person, then I wonder if we can give us a chance to come and talk with the Palace Master in person?"

Salmaan took a sip of a cigar, spit out a thick eye circle, and waved his hand to Charlie impatiently: "Boy, don't f*cking talk nonsense here, just a small character like you is in the eyes of our palace lord. , It's not even a chicken feather, and it's worthwhile to talk to our palace master in person?"

The corner of Charlie's mouth moved slightly, and the urge to slap Salmaan to death again surged in his heart, but when he thought that Abbas hadn't appeared yet, he suppressed himself again.

So, he opened his mouth and said to Salmaan: "If this is the case, then give us one night to think about it. We will reply to you tomorrow, how about?"

Salmaan continued to smoke his cigar, shrugging his shoulders indifferently, and sarcastically said, "It's not impossible that you want to drag and be a dying struggle."

As he said, he sneered: "Our Palace Master said, at most I will give you the Wade Family one night to consider!"

"Tomorrow at eight o'clock in the morning, he will take his parents' coffin to Yeling Mountain!"

"If you are acquainted and willing to accept the conditions of our palace lord, you will dig out the ancestral graves of your Wade Family overnight tonight, and leave the coffins of Bruce and his wife. Then everyone will wear sackcloth and filial piety before 8 o'clock tomorrow morning. Wade ppl knelt down and waited for our Lord!"

Having said this, he changed the subject, and said in a cold tone full of murderous intent: "If you didn't dig out the ancestral grave of the Wade Family at 8 o'clock tomorrow morning, and didn't put on the linen kneeling under Yeling Mountain and waiting, then Don't blame our Wanlong Temple for destroying all of your Wade Family!"

Charlie nodded, and said calmly: "If this is the case, please go back and talk to your palace master, see you at Wade at eight o'clock tomorrow morning!"

Salmaan looked at Charlie and sneered: "Boy, you seem to be a bit stubborn. I remember you. If you don't put on the linen and kneel under Yeling Mountain tomorrow, I will be the first to kill you!"

Charlie also smiled and nodded: "Okay, then it's settled!"

Salmaan looked at him contemptuously, did not speak any more, instead turned around and shouted to the men around him: "Brothers, unload all the coffins that the Hall Master gave to the Wade Family!"

As soon as the voice fell, dozens of Samsung masters rushed into the flatbed truck, directly untied the coffins, and kicked them to the ground vigorously. A pile of inferior coffins fell into a coffin board at the moment they landed.

Afterwards, Salmaan looked at the Wade Family members and sneered: "Remember, at eight o'clock tomorrow morning, if our palace lord can't see what he wants to see in Yeling Mountain, all of you will have to die! After you die, just use these coffin boards to make do with the funeral!"

After that, he rushed to his hands and yelled: "Let's go!"
