

The Amazing Son In Law (Charlie Wade)

Chapter 3599)

The people in Wanlong Palace left Wade's home in a mighty manner.

At this time, the Wade Family's nursing homes had already run away cleanly.

Most of the Wade Family's guardians are also martial artists. After seeing the strength of Salmaan and the prestige of the Wanlong Temple, they all believe that the Wade Family will die, and no one wants to stay in the Wade Family and work for the Wade Family.

Because once the Wade Family rejected the Wanlong Palace, everyone in the Wade Family would become the target of the Wanlong Palace.

At that time, they, the guards of the nursing home, are the first to be killed.

In the entire Wade Family, there are only two people with foreign surnames left.

One is Stephen Thompson, the butler of the Wade Family.

One is Jon Wade's nominal fiancée, Helena.

Seeing all the people in the Wanlong Palace leave, Lord Wade looked at Charlie and asked him: "Charlie, you can only hold on until tomorrow morning at best. What are your specific plans?"

Charlie smiled indifferently: "I have no plans. I will go to Yeling Mountain on time tomorrow morning!"

When Jon Wade heard this, he was overjoyed and hurriedly said: "Then we have to prepare for filial piety! Didn't the lord of the Wanlong Temple ask us to wear hemp and filial piety? Don't look back and let people pick us out!"

Charlie stared at him and said coldly: "I'll leave the words here, any of you, as long as you dare to wear filial piety for the surname, don't blame me for disregarding the sympathy of my family!"

Jon Wade did not expect that Charlie explained that he had gone to Yeling Mountain on time, and he was not trying to compromise with Wanlong Temple, so he angrily rebuked: "Charlie! What is your heart? You want to bring Wade Family up and down. Are you satisfied with all the deaths?! Do you know what the Wanlong Temple is? How can we provoke them?!"

Charlie said coldly: "I will naturally take care of the Wanlong Palace. What you have to do is to prepare for the ancestor worship ceremony normally!"

As soon as Jon Wade heard this, he immediately fried the pot and scolded, "Are you damn mentally ill? You have to deal with Wanlong Temple alone? Who do you think you are? You won't be pulling at that time." Let's be buried together!"

Having said that, he looked at Lord Wade and blurted out: "Grandpa! Charlie is a lunatic! At his level, he will go up to Yeling Mountain tomorrow, and the other party is afraid that he will hit his shit directly with a punch! It doesn't matter if we die, we can't accompany such lunatics to build the soil!"

Lord Wade glared at Jon Wade with a sullen face, and yelled in a cold voice: "Asshole! There is no place for you to speak!"

"I don't have the right to speak?!" Jon Wade looked at Lord Wade with a stunned expression, and shouted with extreme anger: "I am the eldest son of the Wade Family! If I don't even have the right to speak, Charlie is even less qualified! Why can he make decisions for the Wade Family, but I can't even say a word?!"

Lord Wade pointed at Jon Wade and cursed coldly: "Courageless rats! Worthy of being on the same level as Charlie?! Charlie decides on this matter. Anyone who dares to oppose should be expelled from wade's family immediately!"
