

The Amazing Son In Law (Charlie Wade)

Chapter 3601)

Jon Wade collapsed completely, and could only wiping tears while chasing Brenden to the gate.

Charlie said at this moment: "Everyone, please move to the main hall, let's talk about business now!"

The other members of the Wade Family were also powerless at this time. Even if they were terrified in their hearts, they could only follow Charlie's request to return to the villa's main hall and continue to discuss the ancestor worship ceremony.

It's just that everyone else has been absent-minded.

Only Charlie, according to the steps that Wade Family had set up before, confirmed step by step with the person in charge, requiring them to do their own work in accordance with the prescribed process, otherwise they will not be punished severely!

Just when Charlie was forcibly leading the Wade Family to sort out the process of ancestor worship ceremony, what happened to Wade Family just now has been spread in Eastcliff.

When someone heard that someone brought hundreds of coffins to the Wade Family and killed the Wade Family Guardian, the entire Eastcliff family was shocked!

Everyone wanted to know what the origins of these people who had entered the Wade Family came from, even the top families in the country didn't even look at them.

At this time, Salmaan also returned to the old house of the abbas family and reported to Abbas the situation in the Wade Family just now.

Abbas sneered and asked him, "According to your observations, are the Wade Family members afraid?"

Salmaan hurriedly said: "Naturally, I was scared. Most of the Wade Family members were so scared that their faces were sour, it was the f*cking problem of peeing their pants."

As he said, Salmaan said again: "However, that lousy old man from the Wade Family, and a young junior from the Wade Family who don't know what his name is, seems to be a bit stubborn, especially that young man. Let me convey it to you. See you at Wade maner, and I don't know if he is going to greet him by kneeling down with hemp and filial piety, or he will give up his life and be ready to be tough with us."

"Follow him." Abbas waved his hand indifferently, and said lightly: "As long as the coffin is delivered, it will be delivered. At 8 o'clock tomorrow morning, we will go to Yeling Mountain on time. If the Wade Family kneels, then Throw that Bruce's bones into ashes, and then bury my parents with the scenery; if the Wade Family don't kneel down! Then break the Wade Family's legs, press them to kneel, and then throw Bruce's bones to ashes, and bury my parents. Great funeral!"

Having said that, Abbas sneered and said: "Haotian, now the entire Eastcliff must be curious, who is behind the control of what happened to the Wade Family today, you now order people to release it throughout Eastcliff. When the wind goes away, it is said that Abbas, the son of Manar and the lord of the Wanlong Palace, is back!"

Salmaan nodded: "Alright Hall Master! I'm going now!"

Abbas stopped him and said, "Come back, there is still something else."

Salmaan respectfully said: "Hall Master, you say!"

Abbas said coldly: "Whoever dares to help Wade Family get ahead, who is my Abbas's mortal enemy! Let Quan Eastcliff, and even the big families across the country, give me careful consideration before deciding to help Wade Family. Weigh! If there is anyone who is not afraid of death, just stand up for me and have a try!"

Speaking of this, Abbas smiled coldly and said playfully: "I want the Wade Family to be isolated and helpless!"

Salmaan said immediately: "I know the hall master! Let's do it!"
