

The Amazing Son In Law (Charlie Wade)

Chapter 3602)

A few minutes later.

In the entire circle of Eastcliff's top clan, suddenly there was a shocking news!

Back then, Manar, who was unable to compete with Bruce and insisted on competing with Bruce, and finally failed and chose to commit suicide by jumping off the building, he even had a son!

Moreover, that son turned out to be Abbas, the famous Lord of the Wanlong Palace overseas!

What is even more shocking is that Abbas, the lord of the Wanlong Temple, sent someone to the Wade Family. After slaughtering the head of the Wade Family's nursing home, he sent more than a hundred coffins to the Wade Family!

The most creepy thing is not this.

The most horrifying thing is that in order to avenge his parents, Abbas actually made a series of extremely harsh, even cruel and inhumane requirements to the Wade Family!

Moreover, only one night was left for the Wade Family!

What's more cruel is that Wanlongdian said that no one should help Wade Family to get ahead, otherwise they would be their mortal enemy.

With this sentence, many families who have a good relationship with the Wade Family immediately ask all members to turn off their mobile phones and keep their doors closed from now until tomorrow. At the same time, they must stop seeing guests. They are afraid that the Wade Family will be at this time. Going to ask for help, even if you receive a call from the Wade Family, you are likely to be hated by Wanlongdian.

Therefore, all boundaries and relations must be cleared from the Wade Family!

Because the Wanlong Palace is too strong, all the upper class in Eastcliff firmly believe that the Wade Family will destroy their family this time,, it is impossible to save them!

Everyone believed that at eight o'clock tomorrow morning, the Wade Family must be destroyed.

Even if the Wade Family finally accepts Wanlongdian's request, the Wade Family will completely withdraw from the top family stage from now on!

Who could have imagined that the Wade Family had originally prepared a grand ceremonial ancestor worship ceremony to announce to the whole country that the Wade Family had officially returned to the throne of the First Family.

But in a blink of an eye, this ancestor worship ceremony is about to become a disaster!

Orrin Sun and Angie, who have been staying at home, have just received this news.

Originally, Orrin Sun was still at home waiting for Charlie to come back so that the two of them could continue to drink, but he never dreamed that the Wade Family would encounter such a major crisis.

Stefanie Sun got the news first. Being nervous, she immediately put aside the rehearsal for the concert and hurried home. When she saw Orrin Sun, she cried and asked, "Dad! Have you heard about the Wade Family?"

Orrin Sun said solemnly, "I heard."

Stefanie Sun couldn't control her tears, and choked up: "Dad... that Wanlong Palace is so strong, Charlie wouldn't be in danger..."

Orrin Sun shook his head: "I can't say anything about this. I know a little bit about the Wanlong Palace, and I am very strong..."

As he said, he couldn't help sighing, and said in a serious tone: "Charlie may be in big trouble this time..."

"What should I do then!" Stefanie Sun blurted out while wiping away her tears: "We can't just stand by and watch!"

"Of course not!" Orrin Sun said immediately: "Don't worry, I will summon all the people who can summon now, and I will personally take them to Yeling Mountain tomorrow morning!"

Stefanie Sun immediately said: "I want to go too!"

Angie on the side was struggling, thinking for a moment, and then said: "Stefanie, you are a girl's house tomorrow, don't go, I'll go with your dad!"

Stefanie Sun hurriedly asked: "Why mom! I want to go too!"
