

The Amazing Son In Law (Charlie Wade)

Chapter 3604)

Where did Jasmine know about the bloody storm that happened in Eastcliff at this time.

She hung up Ito Nanako's phone and called Charlie directly.

At this time, Charlie was checking the final steps of the ancestor worship ceremony with the Wade Family.

Suddenly received a call from Jasmine, he temporarily left the main hall and went to an unmanned room next door, connected to the phone and smiled and asked, ", what's wrong with me?"

Jasmine was a little nervous and hurriedly said, "Master Wade, grandpa has been talking to me about you these days, saying that he missed you, so I would like to ask if you have time today. If it is convenient, can you come to have a casual meal at home? "

After hearing this, Charlie didn't doubt it, so he smiled and said, "I'm sorry Jasmine, I am in Eastcliff, and I am showing Feng Shui to a client. I may not be able to go back in these two days, or trouble you. Talk to the old man and say that I will come to visit after I go back."

When Jasmine heard Charlie say that people were in Eastcliff, her heart suddenly shook.

She knew that her guess with Nanako Ito had already matched the number.

Charlie's visit to Eastcliff at this time is definitely not as simple as showing his clients Feng Shui as he said.

After all, the Wade Family will host the ancestor worship ceremony every twelve years tomorrow. If Charlie is really a descendant of the Wade Family, he will definitely attend such an important occasion!

Thinking of this, Jasmine suddenly felt a little lost in her heart.

Because, she originally felt that there was a huge gap between herself and Charlie, and the only thing that gave herself some confidence was her identity as the daughter of the Moore family and the current moore family patriarch.

However, she didn't realize until now that Charlie's true identity was much stronger than her identity as the daughter of the moore family!

That's the Wade Family!

It is the top family that has always been among the best in the country!

Now that the banks family is gradually in decline, the Wade Family is already the number one family in the country in everyone's minds.

Compared with the Wade Family, the moore Family might not even have a tenth of the Wade Family's strength.

As a result, she also realized in her heart that the gap between herself and Charlie had suddenly become bigger, so big that she couldn't help but feel ashamed when she even thought about it deep in her heart!

Charlie didn't know what Jasmine was thinking at this time, not to mention that Jasmine had guessed his identity at this time. He saw that Jasmine had not spoken, so he subconsciously asked: "Jasmine, are you still there?"

Jasmine came back to her senses and said hurriedly, "I'm here, I'm sorry Master Wade, I just had something wrong, and I lost my mind all of a sudden."

Charlie smiled and said, "It's okay, just tell the old man first, and then visit him when I get back."

Jasmine hurriedly said: "Okay Master Wade, then I won't delay your busy schedule, and I will contact you when you come back."

"Okay, go back and contact."

Charlie hung up the phone and didn't realize there was a problem, so he went back to the main hall and continued to confirm the process with the Wade Family.

And Jasmine was still stunned at this time, not knowing what to do for a while.

After a while, she picked up her mobile phone and was about to return a video to Ito Nanako. As a result, in one of her Jiangnan entrepreneurs WeChat group, an entrepreneur surnamed Huang suddenly sent a message. The content of the message was: "Major news! Important news! News! Overseas mercenary organization Wanlongdian seeks revenge on Wade Family! After tomorrow, there will be no Wade Family!"
