

# The Amazing Son In Law ( The Charismatic Charlie Wade )

## Chapter 3610 )

evening.

When the entire Eastcliff thought that there was only one night left in the Wade Family, Charlie had already finalized the entire ancestor worship ceremony with the Wade Family.

Although the Wade Family were absent-minded, they could only bite the bullet and push forward.

All the procedures were set, Charlie stood up and said: "You guys have a rest early tonight, and every step of the day must be carried out in accordance with the procedures tomorrow. If anyone goes on a business trip on such an important matter, don't blame me Charlie for turning his face!"

Corran Wade couldn't help but sighed: "The ancestor worship ceremony is easy to say, the key is what to do with Abbas? He will go to Yeling Mountain at 8 o'clock tomorrow morning, what shall we fight with him?"

Charlie said calmly: "You don't need to worry about what to fight with him, and you don't need to worry about everyone you are sitting on."

Myles Wade blurted out and asked: "Listen to what you mean, Wan Po Army and Wan Long Palace, can you do it alone?"

"Of course." Charlie said calmly: "Everyone must gather on Yeling Mountain at seven o'clock tomorrow morning, and no one must be one minute late! Doesn't Abbas come at eight o'clock? One hour is enough for him. So our ancestor worship ceremony officially begins at nine o'clock!"

"Wipe..." Jon Wade, who had been slapped a few times and finally honestly all afternoon, couldn't sit still anymore when he heard Charlie's words. He stood up and said angrily: "Charlie! I can't bear it anymore! What the hell! It's time, are you still pretending to be here?! Tomorrow our time of death is coming! You are still talking about it, saying that you can get the Wan Po Army in an hour?"

Charlie looked at him, frowning, and asked: "Did you not slap enough?"

Jon trembled in shock, but still bit his neck and said, "I didn't say these things for myself, I did it for the entire Wade Family! I don't allow the Wade Family to be put to death by you!"

Charlie ignored him, looked at Brenden Wade beside him, and said coldly: "Brenden Wade! Give me his mouth!"

"What are you talking about..." Brenden Wade asked with a dumbfounded look: "Why me? I won't do it!"

Charlie said coldly: "Don't do it, right? Okay, pack up your things tonight and get out of Wade's house. Never come back!"

"What?!" Brenden Wade stood up and said angrily: "Why let me get out of the Wade Family!"

Charlie asked blankly, "It's been a day, don't you know who has the final say in the Wade Family?"

Brenden wade looked at Lord Wade and said aggrieved: "Grandpa... Charlie is too much! Isn't this holding a chicken feather as an arrow?!"

Lord Wade kept watching with cold eyes. At this time, he couldn't help being furious, and questioned him: "You treat what I said as a feather?! I have already said that at special moments, everything in the Wade Family is decided by Charlie. Are you deaf or deliberately? Pretend not to understand? Or are you not convinced by what I said when I am getting older?!"

Everyone in the Wade Family was frightened by the angry look of the old man.

Lord Wade looked at Brenden wade and said coldly: "Charlie said just now, if you don't do it, you will immediately pack up and get rid of it! It's useless for anyone to intercede!"

Brenden wade's father, Myles Wade, immediately looked at Brenden wade anxiously when he heard this, and shouted: "F\*ck you still? I really want to get out?!"

Brenden wade was also frightened. If he was really kicked out of the Wade Family, what hope would he have in this life?

As a result, he barely thought about it, directly raised his hand, and suddenly pulled jon's face.

Jon wade was also frightened by Lord Wade's momentum, and didn't notice that Brenden wade, his cousin who had always been kneeling behind his ass and licking him, actually raised his hand and drew him!

"Snapped!"
