

The Amazing Son In Law (The Charismatic Charlie Wade)

Chapter 3611)

A crisp slap in the face echoed in the hall.

Jon wade covered his face, his expression unbelievable.

Immediately, his expression became more and more angry, and he rushed forward and fought Brenden wade together. He cursed with extreme anger: "Even you dare to hit me, I f*cking fight with you!"

Seeing the two people scrambled into a ball, Charlie immediately walked forward and dragged Jon directly up, kicking him out like a goalkeeper kicking a goal kick.

Jon was kicked. Although he didn't pass out, he still couldn't move in pain.

Before he could speak, Charlie pointed at him and said coldly: "You say one more word, and I will arrange a plane to send you to Syria now! Charlie did what I said!"

Charlie really didn't dare to pretend to be forceful with Charlie this time.

He didn't know if Charlie would really send himself to Syria, but he felt that Charlie was not joking with him.

Seeing Charlie's mouth closed with interest, Charlie's expression lightened slightly, and he said coldly: "Everyone, please remember, tomorrow morning at seven o'clock in the morning, at the top of Yeling Mountain!"

After all, he looked at Stephen Thompson and said, "Stephen Thompson, take me hard to send me a review of my home."

Lord Wade said hurriedly: "Charlie, don't look back at home during this critical period. Let's rest here for one night!"

Charlie said calmly: "You don't have to worry. Since the other party will let you go to Yeling Mountain at 8 o'clock in the morning, you will definitely not change your mind halfway. You can go to bed and go to Yeling Mountain at 7 o'clock tomorrow morning."

Lord Wade was also embarrassed to say that he wanted to stay at Wade's house for the night because he was afraid, so he could only bite the bullet and said, "If this is the case, then Grandpa won't keep you."

Helena, who had not spoken, looked at Charlie silently at this time with a very tangled expression.

While she was still hesitating whether to catch up with Charlie and find a chance to say a few words with Charlie alone, her two attendants rushed in.

Because today was the official occasion for the Wade Family to negotiate an ancestor worship ceremony, the two of them did not follow Helena over and stayed at the Shangri-La Hotel.

But after learning of the hatred between the Wanlong Temple and the Wade Family, the Northern European royal family immediately issued an order asking them to take Helena to the airport immediately. Helena flies to Russia.

Moreover, the royal family also specifically instructed the two of them not to tell Helena the actual destination of the plane, just tell Helena that the plane is returning to Northern Europe.

So the two people rushed over from Shangri-La in a hurry.

As soon as they entered, the Chinese girl of the two immediately came to Helena and said respectfully: "Princess Helena, Princess Olivia sent an urgent order, let us take you to the airport immediately, we want to get back Northern Europe!"

"Go to the airport?!" Helena asked nervously: "Why did Olivia suddenly want me to go back to Northern Europe?"

The girl looked sorry and said, "I'm sorry, Princess Helena, I don't know why, but the order is urgent, because the plane will take off at nine o'clock!"

Corran Wade, who was on the side, was immediately annoyed when he heard this, and asked: "What do you mean by the Northern European royal family? Knowing that our Wade Family is in trouble now, I will immediately regret the marriage and leave us alone, right?"

The Chinese girl looked at Corran Wade and said seriously: "This gentleman, I'm really sorry, we are only servants of the royal family, and we are only responsible for executing the royal family's orders. We don't know why the royal family issued such orders."

Helena glanced at Charlie nervously, and then asked the girl: "Where does Olivia want me to go?"

The girl hurriedly said: "Princess Helena, I just said that Princess Olivia wants you to return to Northern Europe immediately."

"I don't believe it!" Helena blurted out: "Olivia also said before that she would not let me return to Northern Europe before I die! Now grandma has reached the end of her life, which is the key point for her inheritance. She It is absolutely impossible to let me go back! There must be a conspiracy in it!"
