

# The Amazing Son In Law ( The Charismatic Charlie Wade )

## Chapter 3613 )

The girl suddenly breathed a sigh of relief, and said, "It would be great if you can think clearly, hurry up and leave, the plane is already waiting!"

Helena looked at Charlie and said gratefully: "Charlie, anyway, thank you for saving my life... tomorrow's affairs, please take care!"

As soon as she finished speaking, she was taken by the two women and walked out the door.

Charlie suddenly spoke at this moment: "Hold on!"

The two women were obviously taken aback, and the Chinese girl among them asked: "Is MR. Wade still thinking that he has not enough enemies and wants to do the right thing with the Nordic royal family?"

Charlie smiled and nodded: "I really made you right! I am a person who is not afraid to offend people. The more enemies I get, the more excited I will be!"

As he said, his expression stunned, and he asked in a cold voice, "Go ahead, where do you princess Olivia want to send Helena?"

The girl blurted out: "This has nothing to do with you! You'd better let us go, otherwise, this matter may rise to a diplomatic incident!"

Charlie smiled and said faintly: "Don't worry, this matter can't get out of the door of the Wade Family! If you two don't tell the truth, never think about leaving. There are so many coffins at the door, you can pick one by yourself. This young master can kill and bury her!"

The Chinese girl gritted her teeth and said: "You are so arrogant after offending the Wanlong Temple, you are afraid that you will have a long life!"

Charlie sneered: "Don't worry, you must die in front of me!"

As soon as the voice fell, Isaac Cameron and Don Albert rushed in all the way.

Upon seeing Charlie, Don Albert blurted out: "Master wade, Don Albert is here to listen to you!"

Charlie didn't expect Don Albert to come, so he smiled and asked, "When did you come?"

Don Albert chuckled and said respectfully: "Master wade, when I just arrived next time, President isaac picked me up at the airport. Together, we must be short of people on your side, so we dare to come over and take a look!"

Charlie nodded, pointed at the two women next to Helena, and said lightly: "They came just right, drag them out, let them both pick a coffin, and then kill them all!"

Don Albert was stunned for only a second before he blurted out: "Good Master wade!"

After that, he said to the two women: "Go out by yourself, don't force me to be rough!"

The Chinese girl gave a stern expression and said coldly: "It's not that easy to kill me!"

Having said that, she instantly took out a dagger and attacked Don Albert directly!

The girl was born as a special soldier at first glance.

If it is an ordinary person, under such a sudden offensive, I am afraid that it is impossible to dodge at all.

But Don Albert is no ordinary person.

He had eaten a rejuvenating pill from Charlie a long time ago, and his physical fitness and reaction speed were much better than ordinary people.

Therefore, between the lightning and flint, he grabbed the opponent's wrist holding the dagger.

The girl did not expect that Don Albert, a middle-aged and elderly person, would have such a quick reaction speed!

Moreover, Don Albert's hands were extremely powerful, and after being caught by him, he was completely unable to move.

Just when she was surprised, Don Albert directly applied force on her hand, and only heard a click, the girl's wrist broke!

"Ah... my hand!" The girl yelled in pain, but she couldn't get rid of it at all.

Don Albertyi looked at her contemptuously, and sneered: "With your skills as a three-legged cat, you still dare to attack!"

After that, he roared coldly: "Go out with DON to pick a coffin, and DON will send you two on the road!"

The girl suddenly turned pale with fright, and then quickly looked at Charlie, crying and begging: "MR. Wade for my life! I say! I say everything!"
