

The Amazing Son In Law (The Charismatic Charlie Wade)

Chapter 3620)

"Old acquaintance?!"

Hearing this, Zayne said with an incredulous expression: "But I don't even know the lord of the Wanlong Palace... How could he be my old acquaintance?"

Charlie smiled and said: "It may not be appropriate to say that he is an old acquaintance. It should be said that he is a junior of you, and he has a deep connection with you."

"Why..." Zayne felt very inexplicable. For fear that Charlie would deliberately find an unreasonable charge to toss himself, he hurriedly said: "MR. Wade... I really don't know the lord of the Wanlong Palace... Is there any misunderstanding in this?"

Charlie shook his head and asked him, "Was Manar your subordinate back then?"

Zayne didn't expect that Charlie would ask about Manar who had been dead for twenty years.

He subconsciously said: "Yes...but Manar has been dead for twenty years...what does he have to do with Wanlong Palace?"

Charlie smiled and said, "The lord of the Wanlong Palace is the son of Manar. His name is Abbas, do you remember?"

"What?!" Zayne was struck by lightning, blurting out: "He broke the army...he actually became the lord of the Wanlong Palace?!"

"Yes." Charlie asked him with a smile: "How is it? Do you feel surprised and excited when you hear this news? Does it feel like a gloomy life has burst into light at this moment?"

Zayne couldn't help feeling a little flustered when he saw Charlie's eyes were a bit playful.

Hearing that Abbas was the famous Lord of the Ten Thousand Dragons Palace, he was indeed very excited deep in his heart.

Because his first thought was that he would be backed by a powerful Wanlong Temple, and he would be able to restore freedom soon!

However, seeing Charlie's expression without fear at all, he couldn't help but beat a drum in his heart.

I thought to myself, "Why is Charlie smiling so weird? Isn't he afraid of Wanlong Palace at all?"

Thinking of this, he suddenly looked at Chen next to him, and immediately had the answer in his heart!

"How could Charlie be afraid of Wanlongdian... Wanlongdian just lost a war king and more than 16,000 mercenaries in his hands. Chen is so strong, he didn't have the slightest parry in front of Charlie. With the strength of Charlie, how could it be possible to put Wanlong Palace in his eyes?"

At this point, Zayne felt a lot of decadence in an instant.

It seems that as soon as the light of hope came on, it went out instantly.

Charlie continued at this time: "You and Abbas have not seen each other for 20 years, right?"

"Yes..." Zayne nodded and said, "After his mother committed suicide, I always wanted to take him home for adoption, but I didn't expect that he was taken out of the country first, and then I did it again. I didn't find him either."

Charlie smiled slightly and said playfully: "Then tomorrow I will let your uncles and nephews who have been away for twenty years to meet, and reminisce about the past!"

When Zayne heard this, he asked nervously: "He broke the army...he came to China?"

Charlie nodded and smiled, and said, "It is more than just coming to China, and I have gained a lot of interest! Today, someone gave the Wade Family more than a hundred coffins, saying that it was for the Wade Family to wear sackcloth and filial piety at 8 o'clock tomorrow morning, and to welcome his parents. His coffin moved to Yeling Mountain, otherwise the Wade Family Mansions would be destroyed."

As he said, Charlie remembered something, and then said: "Oh, yes, he also named my parents' coffin and half of the assets of the Wade Family. Do you think he can survive?"

After listening to Zayne, only his brain buzzed.

He didn't know why. Seeing Charlie's appearance at this time, he had already decided in his heart that the Wan Po Army would be defeated tomorrow!

So, he blurted out subconsciously: "MR. Wade broke the army... he broke the army... It must be because his parents died that year, so he has some grudges against the Wade Family... Please also see that he is avenging his parents. , Don't be familiar with him..."

Charlie raised his eyebrows and asked with a smile: "What? Are you so optimistic about him?"

When Zayne heard Charlie's question, he couldn't help but smile and said: "MR. Wade's ability, I know..."

After speaking, he looked at Chen next to him, and smiled bitterly: "Isn't this one of the four kings of the Wanlong Palace? It is said that the strength is second only to the broken army, but in front of MR. Wade, he may not I can stand up to a face-to-face, so it seems that in front of you, MR. Wade, abbas is nothing more than a man's arm as a car..."
