

The Amazing Son In Law (The Charismatic Charlie Wade)

Chapter 3621)

Charlie smiled slightly, looked at Chen on the side, and asked him: "Chen, how strong is your Palace Master?"

Chen respectfully said: "Hallmaster is an eight-star warrior, and his strength is much higher than mine."

Charlie nodded, and asked again: "Then, do you think we two are stronger?"

Chen said without hesitation: "You must be stronger...Although my strength is not as strong as the Lord, but at least I can compete head-to-head with the Lord for dozens of rounds, but I have no power to fight against you... "

For a long time, Chen's consciousness was banned by Charlie, and most of the time he didn't say what he did or said.

But this time, his own consciousness and his body were surprisingly completely consistent.

Although he didn't know what magical power Charlie used, he could directly seal his consciousness completely.

But he knew that Charlie's methods were more than a realm higher than martial arts.

The gap in this is like the gap between a cold weapon and a hot weapon, and it cannot be crossed.

Charlie heard what Chen said, nodded and smiled: "Eight-star martial artist, it is not easy. In order to achieve this cultivation base, Abbas has not suffered less in the past two decades, right?"

Chen nodded and said: "The hall master is a rare martial arts genius in the world, and there is an ancestor behind him. Only by practicing three-nine and three-legged exercises in summer, and practicing for 18 hours a day, 20 years as a day, I have the strength I am today."

Charlie smiled indifferently: "He endured the humiliation and suffered for 20 years, and in the end only came to die with his parents' coffin. Thinking about it this way, his fate is really tragic."

After that, he looked at Zayne and said with a smile: "Mr. Banks, take a good rest tonight. I have to get up early tomorrow to meet with your world nephew, so I won't bother too much."

Zayne couldn't help shivering.

Immediately, Charlie looked at Wilfred (LORD Elms) and ordered: "Mr. Elms, send them to Yeling Mountain by 7 o'clock tomorrow morning. I will wait on Yeling Mountain by then."

Wilfred (LORD Elms) immediately clasped his fists in his hands and said respectfully, "MR. Wade, please rest assured, tomorrow morning, the old man will personally send these two people to Yeling Mountain!"

Charlie nodded and smiled slightly: "Thank you, everyone, after tomorrow, Charlie will have a gift!"

Zayne said in a flustered manner: "MR. Wade... Baojun doesn't know your true face of Lushan. Please see tomorrow because he just wants to avenge his parents and is forgiven. Let him make a living..."

Charlie sneered: "Mr. Banks, if you do something wrong, you have to bear the consequences. This is the truth, you have lived for fifty years, don't you still understand?"

After speaking, Charlie said again: "If you didn't take the lead in the establishment of the Anti-Leaf Alliance back then, you must now have your wife and children hot, instead of being locked up here by me!"

Zayne nervously said: "MR. Wade, I didn't mean that... I think that this child abbas has not had an easy life... He is also eager to avenge his parents and is excusable..."

Charlie said coldly: "His parents both died by suicide. What revenge does he have? Besides, if he wants to avenge his parents, he has to pick up my parents' graves. What is the truth? I will kill him tomorrow. Before, I had to step on his head and ask him who taught him it!"

Zayne was shocked and wanted to say something, but when the words reached his lips, he swallowed back quickly.

He knew that Abbas had provoke Charlie too thoroughly this time...

Even if the child came to find the Wade Family directly, confronted the gongs and drums face-to-face, or competed, it would be understandable, but why did he let the words out and pick up the graves of Bruce and his wife?

This is not a death, what is it?

Charlie said indifferently at this time: "Mr. Banks, you'd better hurry up and pray to heaven now, praying that this matter does not have your Banks Family's participation! Otherwise, no matter who is involved in it, I, Charlie, will never be merciless!"
