

# The Amazing Son In Law ( The Charismatic Charlie Wade )

## Chapter 3626 )

Five o'clock in the morning the next day.

It was drizzling all night, coupled with the unique humid climate during the Qingming Festival, shrouded Eastcliff's early morning with a faint mist.

Abbas, who spent the night in front of his parents' grave, forced out all the remaining alcohol in his body, burned three sticks of incense and knocked three heads in front of his parents' grave.

Immediately, he said with a resolute expression: "Dad! Mom! abbas wants to disturb your two long sleeps! I hope you two know well and forgive abbas! Today, I will move you two to Wanling Mountain, there. , Will be your two new resting place!"

As he said, his eyes filled with tears, and he choked up: "Dad, Mom! abbas will definitely avenge you two today! Let that bruce be in front of you! I hope you two can see it in the Spirit of Heaven. !"

Immediately, Abbas stood up and said to the men around him: "Ready to lift the coffin!"

"Yes, the lord!"

All the staff around were wearing all-white filial obedience.

Today, like Abbas, they are the filial sons of the Wan family, and they will escort the coffins of Abbas's parents all the way to Yeling Mountain.

For today's scene, Abbas also specially invited a theater troupe specializing in funerals, and set off with the team at seven o'clock.

At six o'clock, the coffin of Abbas's parents had been carefully lifted out of the mud and was cleaned by Abbas himself.

Immediately, the five-star battle of the eight Wanlong Palace will tie the two coffins with thick twine. After a while, the two coffins will be lifted by the eight of them, and they will hike up Yeling Mountain.

Charlie, who hadn't slept all night, didn't feel any fatigue at this time.

The body is full of powerful aura, which makes him full of confidence deep in his heart.

At exactly six o'clock, Stefanie Sun's mobile phone rang in her mind. She slept on Charlie's shoulder all night, and she woke up like an electric shock. Then, seeing that Charlie was still by her side, she breathed a sigh of relief and asked: " Charlie, when did you wake up?"

Charlie smiled slightly: "Just woke up."

Stefanie Sun stood up hurriedly, moved her somewhat stiff body, and asked him, "Charlie, when are you leaving today?"

Charlie looked at the time and smiled: "Come on, but Stephen Thompson will pick me up in 20 minutes and will be at Yeling Mountain before seven o'clock."

"Okay!" Stefanie Sun hurriedly said: "Then I will go to wash now!"

At this time, Orrin Sun and his wife also walked out.

Although Orrin Sun was drunk last night, he woke up very early today and was in a very good state of mind.

Seeing Charlie, Orrin Sun smiled and said, "charlie, are you ready?"

Charlie smiled and said, "Always be prepared."

Orrin Sun nodded and said excitedly: "Then I will accompany you up to Yeling Mountain with your Aunt!"

Stefanie Sun looked at her father and blurted out: "Dad! I want to go too!"

Orrin Sun smiled and said: "You have to ask Charlie about this, I don't count it!"

Stefanie Sun hurriedly hugged Charlie's arm and said coquettishly: " Charlie, please take me there!"

Charlie nodded and said, "You can go, but you must be obedient, and you must stay by my side honestly, remember?"

Stefanie Sun said excitedly: "Remember, remember! Charlie, don't worry, I must be by your side honestly!"

Charlie smiled slightly: "Okay, go and wash, the car will arrive in 20 minutes."

...

At this moment.

Wade Family.

None of the Wade Family slept last night.

Charlie's "half" answer made Lord Wade stay up all night.

Although Stephen Thompson was already relieved, he didn't close his eyes all night with excitement.

Last night, Corran and Myles and others quietly discussed, they were all afraid that wade Old Man would be enthusiastic on Yeling Mountain today, and then he would die with Abbas.
