## Chapter 3632 )

Seven o'clock exactly.

graves.

The Wan Po Army and all the soldiers in the Wanlong Palace were all put on white filial attire made of burlap.

This funeral procession of 100 people is ready to set off.

Lord Banks, who was drunk last night, also got up early and hurried to the grave of wade.

According to the original plan, he was going to Yeling Mountain with the funeral procession of abbas.

Today's Lord Banks is already excited and intolerable deep in his heart.

As soon as he arrived at the ancestral grave of the Wan family, he found a Abbas dressed in white filial piety, and sighed: "abbas! What you did yesterday, among the big families like Eastcliff, no one knows! No one thought of it! , You have been away for twenty years, and now you can stage a return of the king! If you step on the Wade Family today, all the big families in Eastcliff will respect you in the future!"

Abbas said with an indifferent expression: "It's already time to set off. I have someone prepare a filial dress for you. Hurry up and change in and follow the team to set off!"

Lord Banks smiled a little embarrassedly: "Abbas, you see I am a lot older than your parents, is it inappropriate to wear filial piety..."

Abbas said coldly: "Let you wear it, you can wear it! To my parents' funeral today, everyone in my Wanlong Palace wears sackcloth and filial piety. If you don't wear it, you can go as far as you can!"

Lord Banks really didn't expect that this Abbas would be unkind when talking to him.

Although he was suffocated with fire in his heart, he definitely did not dare to leave at this time.

abbas's solution to the Wade Family was just one less competitor for the Banks Family.

But if you want the Banks Family to reach a higher level in the future, you must have a good relationship with abbas.

After all, with the powerful background of Wanlong Palace, he can sit back and relax.

Especially the mysterious master hidden in Aurous Hill, has always been Lord Banks's confidant.

He knew that it was impossible to solve it by himself, and the only way was to put his hope in abbas.

So, he immediately said flatly: "abbas, you are right. After all, the dead are the biggest ones, so it should be put on linen and filial piety."

After saying this, Lord Banks himself felt a burst of heat on his face.

He has never kneeled and licked anyone like this in his life. This is a precedent.

Seeing that his clothes were soft, Abbas nodded in satisfaction, and said, "I will give you two minutes to change into your filial piety. We are going to set off!"

"Good!" Lord Banks took the Xiaoyi handed over by abbas's men, and while putting on himself, he said to abbas: , after solving the Wade Family, you must remember, you have to think about it. It's been too long to find your uncle's whereabouts, and I'm afraid he will be ill-fated."
