

# The Amazing Son In Law ( The Charismatic Charlie Wade )

## Chapter 3645 )

Its biggest feature is that it can quickly increase a person's internal strength by at least 50%.

However, this kind of exercise cannot be used casually.

Because such a large overdraft will bring a strong backlash to users.

Rather, it takes many days for the body to slowly repair. In this repair process, the user can only play half of his own strength;

On the other hand, it will lead to a decline in the user's cultivation base, and it may even take a year or two to recover this part of the cultivation base.

Therefore, this move of the god tiger out of the mountains is Salmaan's life-saving stunt. Unless it is life-threatening and must work hard, it will never be used lightly.

At this time, Salmaan directly used this trick, which shows that he has decided to fight Charlie desperately!

And Abbas also knew very well that Salmaan's skill was very strong, even if he didn't dare to take it head-on, otherwise he would be seriously injured.

If Salmaan couldn't beat Charlie with this trick, then it was basically certain that Charlie's strength was even higher than that of himself.

Today, even if he is kicked on a real iron plate.

At this time, Salmaan also ignored it.

Charlie's humiliation to him has far exceeded his psychological endurance.

It's nothing more than insulting oneself, and even slapped himself directly, and still in front of all the core members of the Wanlong Palace, this face, he desperately has to get it back!

Charlie also felt the changes in his body in a short period of time, and found that the internal strength in his body had been greatly improved in an instant.

However, Charlie remained unmoved.

Because, no matter how strong the ant is, it will still be the ant.

At this moment, Salmaan's whole body's bones were absorbed by the powerful internal force, and his body suddenly swelled up, and even the filial clothes on his body were opened by countless openings.

Just as everyone was stunned, Salmaan suddenly arched up like a tiger descending the mountain, and rushed towards Charlie!

The speed and strength are much stronger than the punch just now!

The people behind Charlie felt a strong wind suddenly engulfing the sand and blowing towards them before they recovered.

Everyone closed their eyes subconsciously, but even so, the small grains of sand hit their faces, causing pain.

Just when everyone waited for the gust to pass and was about to open their eyes to see what was going on, they found that the scene just now repeated itself.

Charlie grabbed Salmaan's fist once again.

Moreover, this time Charlie grabbed Salmaan's two fists with just one hand!

The people behind Charlie didn't see Charlie's actions just now, and they didn't know how Charlie did it.

But all this, Abbas and the soldiers of the Wanlong Palace behind him, can see clearly.

Just now, Salmaan threw out his fists and pounced at Charlie like a tiger.

Unexpectedly, his original thunderous fists were as weak as the tender fists of a three-year-old in front of Charlie.

Charlie just grabbed both of his fists with ease.

A second ago, Salmaan was still a tiger preying with all his strength.

And a second later, Salmaan changed from a tiger that preyed on to a pet cat that was completely immobile by his owner's two front paws!

Charlie raised his eyes at this time and sneered: "I heard that you are called the White Tiger King. I thought you were really a tiger. I never expected it! You f\*cking even worse than Hello Kitty, it's a waste of waste.!"
