

The Amazing Son In Law (The Charismatic Charlie Wade)

Chapter 3675)

Before he came, he was ready to kneel and confess before Bruce Wade and his wife. Charlie let himself kneel for a day and night, but it did not exceed expectations.

Charlie looked at the Abbas and other Wanlong Temple soldiers at this time, and said lightly: "You disturbed the Wade Family Ancestor Ceremony and the peace of Wade Family Ancestors today. It is also the death penalty that can be avoided and the living sin cannot escape. Everyone, the two of the Banks Family are the same, and they must bow down before the grave of my ancestors of the Wade Family until this time tomorrow!"

Abbas said respectfully: "Subordinates obey orders!"

One subordinate is equivalent to Abbas re-characterizing himself.

The other soldiers in the Wanlong Palace also said immediately: "Subordinates obey!"

Charlie nodded, looked at Abbas, and said, "Remember, after kneeling and worshipping, I will give you three days off. You can use these three days to choose a treasured geomantic place in Eastcliff and regain your parents' scenery. Dazang, after the funeral is over, take your people to Aurous Hill to see me!"

Abbas, who was kneeling in front of Charlie, was even more grateful to Charlie upon hearing this.

He never knew in his heart what Charlie would do next with his parents' coffin.

Although Charlie made it clear that he would not set his parents down, but Charlie spared his life after all, so whether he would let his parents into the soil for peace has become the most worrying thing in his heart.

Hearing Charlie's words right now, the last stone in his heart fell to the ground, and he was naturally extremely grateful.

Before he knew it, all his pride, self-confidence and rebelliousness were thoroughly smoothed by Charlie.

He now regards Charlie as the god who saves himself and the blood of the entire ten thousand family.

However, he was ashamed and said to Charlie: "MR. Wade, your great kindness, your subordinates will use the rest of their lives to repay..."

Speaking of this, Abbas couldn't help sighing and reproaching himself: "Unfortunately, his subordinates are now a useless person with an exhausted meridian. Even if the subordinates go all out, they may not be able to handle many things. If they really can't in the future to your satisfaction, please forgive me!"

Charlie heard these words and said calmly: "The meridians of the mere trivial areas, even if they are completely broken, it is enough to be repaired."

When Charlie said this, everyone was even more shocked.

What about all the meridians?

You should know that meridians are the most important foundation of martial arts practitioners, and martial arts practitioners have long had a basic consensus that damaged meridians can be repaired slowly, but once a meridian is broken, it is absolutely impossible to repair it again.

However, Charlie said all this so easily.

This, to all the martial arts practitioners at the scene, is like a fantasy.

Even Abbas himself didn't believe it.

He looked at Charlie and asked in disbelief: "MR. Wade, my meridians... can it really be restored?"

Charlie said calmly: "Abbas, as my subordinate, you have to remember that from now on, you don't have to doubt every word I say! Even what I said completely subverted your experience. You don't have to doubt your cognition, because as long as I say it, I will definitely be able to do it!"

Abbas hurriedly said with fear and sincerity: "Subordinates damn! Subordinates shouldn't doubt what MR. Wade said, please confess MR. Wade!"

At this time, Abbas had already admired Charlie in his heart.

Charlie just smiled, and then stretched out his hand, gently pressed his palm on the kneeling Abbas's head, and said domineeringly: "Since all of your eight meridians are broken, then I will help you remove these eight meridians. Reshape it back!"

Having said that, he would infuse the powerful aura from the Baihui acupoint above Abbas's head into his body in an instant, and quickly wander along the location of Abbas's meridian!

The first to enter the aura is the Ren channel in the eight channels of abbas's odd meridian.

The way that aura enters the Ren Vessel is like a fast-forward version where rivers nourish dry and cracked land, and rejuvenate dry riverbeds and dead plants!

At this moment, Abbas also clearly felt the whole process of Ren Vessel being reshaped!

At this moment, his whole person's worldview was subverted again and at the same time a huge change occurred again!

At this moment, he even regarded Charlie as a god, and he even regarded himself as an ant!

Because in his opinion, it is so easy to restore all meridians, this kind of strength is no different from the gods!

He felt that he was like a fool who moved the mountain, and Charlie was a god who could easily carry both mountains away.

A height that he could not reach in a few lifetimes, with Charlie, it was a piece of cake!

All the martial artists present were stunned.

They couldn't see the cultivation base of people with higher strength than themselves, but they could see those with lower strength than themselves.

From the moment Abbas broke his meridian, they could all see that Abbas had become a useless person.

Now, they can also see that Abbas has changed from a useless person to a one-star warrior who has opened up the Ren Vessel!

The crowd suddenly exclaimed, and someone exclaimed:

"The current cultivation base of Abbas is already a one-star warrior!"

"Yes! I didn't expect... the broken meridians can really be repaired!"

"Gosh, MR. Wade's strength is too strong!"

"Look at it, the lord, he is already a two-star warrior!"

"I'll go! In just ten seconds, Abbas's superintendent has also been repaired!"

"No more! Master Wade has now started to repair his third meridian!"

"The third meridian has also been repaired! This...this is simply a miracle!"
