

The Amazing Son In Law (The Charismatic Charlie Wade)

Chapter 3693)

After thanking the Moore Family and the Ito family, Charlie brought a wine glass to the Elms family, Xion and Zara banks's mother and daughter.

Before Charlie could say thank you, Lord Elms (Wilfred), the old man of the Elms family, took the lead and raised his glass and said to Charlie: "MR. Wade! Only last night did you know that Xion was saved by you, and you have been protecting her. Safety, your kindness will never be forgotten by the Elms family!"

Charlie smiled slightly and said indifferently: "Mr. elms is serious, Ruoli and I are also friends, this is a matter between me and her, you don't have to take it to heart."

Lord Elms (Wilfred) said earnestly: "MR. Wade, if xion is the best in the new generation of the Elms family, and the future leader of the Elms family, you saved her, you saved the entire Elms family!"

When Xion heard this, she said with a bit of astonishment: "Grandpa...I...I am a foreigner, how can I be the future helm of the Elms family..."

Lord Elms (Wilfred) said firmly: "Ruoli, no matter what your surname is, you are a descendant of my Elms family, so in the future, I will be able to trust the Elms family to you."

Lord Elms (Wilfred) said with emotion: "When I went to Yeling Mountain today, I realized that in the martial arts field, there is really a heaven outside the sky, and there are people outside the world. Abbas is less than 30 years old and can become an eight-star warrior. Half of my body was buried in the loess, but with the help of MR. Wade, I barely managed to reach four stars. In comparison, I am really ashamed."

Having said that, Lord Elms (Wilfred) looked at Xion and said seriously: "So, I want to give you all the affairs of Elms family, so that I can also have more time to practice hard and see if I can go back before I die. One step forward..."

Xion was a little flattered, and at the same time said with a little nervousness: "Grandpa, I don't know if I can do it... and I am now sensitive. If the Japanese knew that I was still alive, I would definitely bring it to the Elms family. Troublesome..."

Charlie said at this time: "If you leave, you don't have to be afraid of this. I have already figured out a countermeasure. After tomorrow, you can restore your identity in an open manner, and the Japanese will never come to trouble you again."

"How is this possible..." Xion said subconsciously: "I am the highest-level wanted criminal in Japan... They... They will definitely not let me go easily..."

Charlie smiled and said: "Don't worry, starting from tomorrow, I will let Wanlongdian announce that you Xion officially become a member of Wanlongdian! The Japanese will never dare to oppose Wanlongdian, so they will definitely choose Give up being wanted for you."

"Even if it is not good to remove the wanted order directly, you will never be arrested in any substantial way, so that you can restore your free status in a fair and honest manner."

Speaking of this, Charlie added: "Of course, the freedom I said, in terms of geography, means that you can go anywhere in the world except Japan, as long as you don't go to Japan to stimulate their nerves. There will never be any problems."

When Xion heard this, his eyes were red and grateful: "Master Wade, thank you... If you don't want to go anywhere in the future, I just want to stand by your side! As long as you don't rush away..."

Charlie smiled slightly and said: "You don't have to always stand up for me. Your sister will officially become the heir of the Banks Family tomorrow. You can stay by her side and help her."

Zara banks hurriedly said: "My Grace...If you leave her, she will definitely want to stay with you..."

Xion also looked nervous and worried at this time, for fear that Charlie would really not let himself be by his side.

Charlie had a panoramic view of her performance, so he smiled and said, "If this is the case, then if you leave, you will return to Aurous Hill with the Elms family first. Mr. Elms and others will still go back to the villa. If you leave, you will still be in Shangri-La. Stay temporarily."

Xion finally breathed a sigh of relief, and nodded excitedly and said: "Good Young Master Wade, Xion is always waiting for your dispatch!"

Charlie nodded, then looked at Zara banks and Deana, and said seriously: "Miss banks, Aunt , tomorrow Lord Banks and Zayne will bow down in Yeling Mountain, and they will cooperate with them to complete all the necessary procedures. At that time, Lord Banks will set off for Madagascar.
