

# The Amazing Son In Law ( The Charismatic Charlie Wade Chapter 4035 )

Smith immediately recognized Charlie when he saw the photo.

He yelled a little excitedly: "That's him, he just chooses Director Wade of the pharmaceutical company!"

Having said that, he couldn't wait to ask: "Miss Fei, why do you have this picture of Director Wade? Do you know him? Can you recommend me, please!"

At this time, Smith felt as if he was about to drown, finally grabbing a life-saving straw.

Without seeing Liam or getting the Pill, his whole emotions were almost on the verge of collapse.

He also tried to find a way to find Director Wade. After all, in his impression, Director Wade seemed to be quite useful.

Because that batch of Magical pill was given to him by Director Wade.

However, when Charlie saw him that day, he did not leave any identity information.

Therefore, Smith didn't even know Charlie's name, let alone how to find him.

Seeing Fei Kexin actually have a photo of Charlie at the moment, I was naturally very excited.

Fei Kexin smiled slightly at this time, and thought to herself: "Sure enough, I didn't expect that Charlie is not only the master Wade that everyone in Aurous Hill admires, but also the actual owner of the Rejuvenation Pill! Other than that! He is even the behind-the-scenes boss of Jiu Xuan Pharmaceutical!"

Thinking of this, Fei Kexin couldn't help but calculate Charlie's strength and worth.

Rejuvenation Pill, one worth tens of billions of dollars, no one knows how much Charlie has.

Jiu Xuan Pharmaceutical now has two popular medicines on sale. Jiu Xuan Zai Zao Pills is a miracle in the medical field. If the production capacity can be maximized, the market value of Jiu Xuan Pharmaceutical will exceed one trillion US dollars.

According to this trend, Charlie alone has the opportunity to become the fourth after the world's three top families.

The more so, the more Fei Kexin can't figure it out.

She couldn't help sighing in her heart: "I really don't understand why Charlie has such a powerful strength, why should he settle down in this small Aurous Hill city?"

"Furthermore, he is willing to be a son-in-law in a little-known and poor family. Could it be that Claire really has some magical power?!"

When Fei Kexin was in a lot of thoughts, Smith saw that she hadn't spoken for a long time, and couldn't wait to ask: "Ms. Fei, this Mr. Wade is related to my son's life. If you know any clues, please tell me something... "

Fei Kexin recovered, looked at him, and said: "Mr. Smith, you are the person in charge of the FDA, so if I am not mistaken, you come to Aurous Hill to find Jiu Xuan Pharmaceutical, you should not just ask for medicine for your son. Is it that simple?"

Smith said truthfully: "Ms. Fei, this time I am here, in addition to seeking medicine, I also hope that I can discuss with Jiu Xuan Pharmaceutical the introduction of Jiu magical pill into the U.S. market and win this special medicine for cancer patients in China!"

As he said, Smith said hurriedly: "Miss Fei, can you please help, please help me to make an appointment with this Mr. Wade..."

Fei Kexin said helplessly: "Mr. Smith, I still have very important things to ask of him, and I haven't found the way, so I may not be able to help you with this matter."

When Smith heard this, he couldn't help asking: "Miss Fei, are you also looking for pill from him?"

Fei Kexin thought for a moment, then nodded and said, "That's it."

Smith sighed, and said in a depressed mood: "If it is difficult for Miss Fei to find a way, then I am afraid it will be even more difficult..."

Fei Kexin nodded and said, "Let's work together on this matter. If I can find a way out and solve my own demands, I will definitely find a way to help you fight for the magical pill."

Hearing this, Smith felt relieved immediately, and said gratefully, "Thank you Miss Fei!"

Fei Kexin said indifferently: "Mr. Smith doesn't need to be so polite, but after this door, if anyone in Aurous Hill asks you if you know me, you must deny it, do you understand?"

Smith didn't know what Fei Kexin meant, but he nodded immediately and said, "Miss Fei, don't worry. From now on, I don't know you."
