

## Baby alliance: helping daddy get a rich mommy chapter 350

Meredith glared at Selena hatefully. "You're so cruel, Selena..."

"I'm nowhere near as cruel as you are!" Selena cried. "You tried to use my son to destroy me."

"Well, I lost to you this time. What do you want from me now?" Meredith knew that she wouldn't be able to get herself out of this situation so easily.

"I don't want anything from you." Selena shrugged. "Someone is going to deal with you eventually."

At that, Meredith knitted her brows. "Selena, wouldn't you mind if I told you that I've been in bed with Pierre?"

"Hahaha!" Selena burst out in laughter. Her laughs made Meredith increasingly self-conscious. "I'm sure you know if you've ever slept with him, right? I'm sorry, but I happen to have a recording of the entire process. Some woman stripped herself naked before she touched and licked Pierre everywhere, yet he didn't show the slightest signs of interest in her. Tsk tsk tsk. I guess she's just not attractive enough!" Selena mocked.

"You—" Meredith bit her lip as she glared at Selena. Initially, she had intended to use this against Selena, but she hadn't expected Selena to know all about it!

"Pierre didn't voice out about anything even though he thought that he slept with you, and he even proposed to me after that. This just shows how little you mean to him," Selena said mercilessly. Her sentences came as a huge blow to Meredith! Then, Selena proceeded to put her phone away as she spoke. "I'm not going to do anything to you because someone else will handle you eventually." She ran her fingers through her hair and went on to say, "I also have another piece of good news for you. I found my son, Jamie. He's alive, and my family of five is about to go on with our happy and perfect lives. Ah, it's a shame that you won't get to see it." After saying that, Selena shrugged.

Right as she was about to step out of the room, she saw Pierre standing at the door with his face as cold as stone.

Meredith saw Pierre at the same time, and she immediately sprinted over to him before she fell onto her knees with a loud thud in front of him. "It's all my fault, Pierre. I shouldn't have done this, but I truly love you. I've never been able to forget you since I laid eyes on you at a very young age. I'm doing all of this only because I really love you!" she cried.

However, Pierre didn't take a single glance at Meredith. "Come on. Don't you want to go home yet?" Selena was the only person he saw in the room.

"Okay!" Selena hastily followed behind Pierre. Then, she turned around when she recalled something. "My ring!"

Meredith glared at Selena angrily as the latter grabbed her hand and plucked the ring out of her finger. "This is my ring. You got to wear it for a short period of time, so perhaps it managed to compensate for the feelings you have toward Pierre." With that, Selena got up to leave.

"Just you wait and see, Selena Yard. I'm not going to let you go so easily!" Meredith howled at Selena.

Selena's footsteps came to a halt as she let out an icy scoff. "Since we're sisters who share the same father, let me give you some final words of wisdom, Meredith. The wages of sin is death. You'll eventually lose everything if you continue to use immoral means of obtaining the things that you desire." Selena turned and left after she finished her words. A moment later, a group of men barged in and brought Meredith away soon after Selena and Pierre left. They gagged her so that she wasn't able to scream at all.

...

Pierre's expression was dark as Selena led him over to the car. His stern demeanor brought about a heavy atmosphere in the car—no one dared to even breathe a little louder in that situation. At his side, Selena made multiple attempts to start a conversation, but she held her words back when she saw the fury in his eyes.

The car drove them back to Dragon Gardens. Now that Selena had managed to prove her innocence, John wouldn't trouble her any longer. Therefore, she could move back into the residence.

The atmosphere in the hall darkened the moment they stepped into the house, for the presence of a certain man seemed to have lowered the temperature in the air.
