

## Baby alliance: helping daddy get a rich mommy chapter 458

“Are you short of money?” Chris asked. Ruby nodded. “My kid is stricken with Kawasaki disease. He was left with some sequelae because he wasn’t sent to the hospital in time.

Moreover, my other kid suffers from cerebral palsy. Both of my kids are a huge burden to me financially!” Upon finishing her words, she started tearing up because of the hardship she was going through.

Feeling sorry for her, Chris took out a bank card from his wallet. “Take this first. If you need more money in the future, I’ll try to get more for you.”

Chris was a salaried worker who didn’t earn much income. Furthermore, he was used to spending most of his money, so he didn’t have much savings.

“No, Young Master Chris, I can’t take your money. I’ll only need Mr. Wade to give me this month’s salary and let me get a few months’ worth of salaries in advance. Indeed, I need money now, but I’ll get through this.”

Chris had studied abroad and had much life experience, so he knew that the medical fees for cerebral palsy and Kawasaki disease were exorbitant. Even though Ruby earned a good income as a housekeeper in the Fowler Residence, it wasn’t enough to pay the medical bills. “Take it first. See it as I’m lending the money to you.”

Gazing at the bank card, Ruby said, “Thanks, Young Master Chris. You are a kind-hearted man.”

“Alright, you can have a few days off to take care of your kids because we don’t need so many housekeepers at the moment. Don’t worry. I’ll tell Mr. Wade to pay your salary as usual.”

“Thanks, Young Master Chris! Thanks!” Ruby bowed to him repeatedly.

Perhaps it was because Chris’ mother had done some misdeeds, so he wanted to be kind to someone to compensate for her wrongdoings, which was why he didn’t hesitate to help Ruby.

After taking the card, Ruby went to look for Yoel. Even though Chris had said so, she thought she had to inform Yoel about it. After all, he was the butler in this house.

At that moment, Yoel was smoking on a mahogany chair. “Ruby, is your kid alright?”

Ruby shook her head. “He’s left with severe sequelae due to his disease. The doctor said that he requires medication for life.”

“That’s pitiful. If one of the Fowlers were stricken with this kind of illness, it wouldn’t matter because they’re wealthy. They might even get the illness treated by gathering the best doctors worldwide.”

Ruby hung her head low and fell silent. It was then she realized that money could really solve many problems. “My kid is destined to be poor because I’m a useless mother. If he were born into the Fowler Family, he wouldn’t have to worry about money anymore,” she said in self-mockery.

“Why did you say you’re useless? You’re very useful, in fact.”

His comment left her a bit confused. What?

“The police officers are still investigating Old Mr. Fowler’s cause of death, so his corpse can’t be buried yet. Old Mrs. Fowler is worried because she wants her husband to rest in peace. So... why don’t you surrender yourself to the police?”

Flabbergasted, Ruby fell on her bottom. “Surrender myself? No, no, no. I didn’t harm Old Mr. Fowler. Even though I did touch the drug, I didn’t try to kill him!”

“I know it wasn’t you, but Old Mr. Fowler can’t be buried as long as the case isn’t closed, so we have no choice but to look for a scapegoat. Old Mrs. Fowler and I know that the culprit is Selena, but we can’t do anything to her due to her identity. This is the only solution we have.”

Ruby gazed at him fearfully. “But...”

“If you surrender yourself, your kids will be taken care of. We’ll pay for the medical fees of your son with cerebral palsy and take care of him until his death. The Fowler Family is wealthy enough to do that. We’ll also get your kid with Kawasaki disease treated, so you don’t have to worry about money anymore.”
