

Baby alliance: helping daddy get a rich mommy chapter 735

“Can’t you even eat this meal?” Selena looked at Pierre pitifully. “Next time. Next time I will definitely eat with you properly.” Pierre also couldn’t bear to leave her in his heart, and he didn’t understand why he was asked to leave at such short notice this time.

“Okay, pay attention to safety.” Then, Selena stood on tiptoes and kissed him on the lips. However, Pierre grabbed her and kept kissing her, and only after a long time did he fondly leave her lips. “Be good at home and wait for me to come back.”

After saying these words, Pierre walked away without looking back. He would not look back every time he left, as he was afraid that he would not be willing to leave once he turned back. As Selena looked at Pierre’s back and watched him get into his car and leave, she sighed deeply. Next, she took out her phone and sent a message to him while his phone could still receive it: ‘I love you, hubby.’

After thinking about it, she also sent a message to Jude: ‘Pierre is not in Digton City.’

The fact that Pierre was not in Digton City was also a good thing for the pair of lovers, as it implied that they could at least stay together for a little longer.

But at the thought that one day, her interaction with Jude would be filled with suspicion and trickery, she felt her heart constricting with pain. She really did not want to stand in opposition to Jude, but they both had their loved ones. It’s either black or white; either one or the other.

Receiving the message, Jude sent a thumbs-up to Selena, who smiled and did not reply.

As Jude got off work early today, she went back home earlier too. At this time, Satan was sitting in the living room checking out Jude’s childhood photos.

Jude went over to the back of the sofa and hugged Satan. “Did you miss your little cutie?”

Then, Satan took her hand and let her sit on his lap.

“Selena said Pierre is not in Digton City, so will you stay with me?” Jude pouted and gazed at Satan with hopeful eyes.

“Sure.” Satan had never said much. “But do you trust Selena that much?”

“Of course! Why would she lie to me? How would she lie to me just to help her husband?” Jude never doubted Selena. “If I doubt even Selena, then there would be no one else in this world I can trust.”

This statement made Satan a little jealous

Uh-huh? I wonder what’s my position in your heart then?

Afterward, Jude cupped her hands around Satan’s face and added, “And you, of course.”

As a man, Satan was embarrassed to ask who she would choose if she had to choose between Selena and him. His words stuck in his throat, and in the end, he did not say anything. Finally, he directly kissed

Jude's lips, after which she whimpered, "You wouldn't want to do that now, right? I haven't eaten yet. I'm hungry."

Jude pushed him away. Then, the two ordered takeaway, but Jude still did not escape her fate of being taken by him in bed. After a few hours of passion, Satan picked up his phone and noticed some bad news. "Jude, I have to go."

Jude was very unwilling to let him go. "What? You're escaping after all that just happened? Just now, you agreed to spend time with me for the next two days."

"I'll make up for it next time. I have something to do now, and I need to return." In reality, Satan was unwilling to leave because he had just reunited with the one he loved. In fact, he wished to be with her all the time and not to be separated for even a single second.

Hence, Jude poked Satan's chest with her fingertips. "Fine. From today onward, are we going to start a long-distance relationship?"
