

《Billionaire CEO Won't Leave》

Chapter 10

Private hospitals.

The head is dizzy, the eyes just opened, there is a bunch of strong light shining over, people feel very uncomfortable.

Suddenly, a pair of small hands stretched out to block Bai nianxi's eyes. The small hands were very small, and the strong light still cast mottled light and shadow on Bai nianxi's face.

There was a sweet voice in my ear, "Mommy? Mommy

After getting used to it, Bai nianxi finds that the person around him is Xiao Luoluo. Luo Luo is very glad to see Bai nianxi wake up. Xiao Jiaoya jumps up happily, "Mommy wakes up, Mommy wakes up!"

Bai nianxi looked at the surrounding environment and found that it seemed to be a ward, but it was different from a simple ward. It was more like a luxury presidential suite in a five-star hotel.

Luo Luo cheers excitedly and quarrels kangmobei outside the door. He looks at Bai nianxi who just wakes up with deep eyes. "Wake up?"

"Well."

Nodding, Bai nianxi sat up with her hands on the bed. After a few days' sleep, she had no strength. The process of getting up was a little difficult.

Seeing this, Luo Luo reaches out his hands to Bai nianxi's back and pushes it up, but it's obviously useless.

As soon as kangmobei's steps moved, he went to the bed, took Bai nianxi's waist and sat up with her.

"Where is this?" Bai nianxi helped his forehead. He suddenly remembered what happened before he was in a coma. He grabbed Kang Mobei's hand excitedly. "Jiang family, how's Jiang family now? Zhiang, zhiang, is he hurt? "

As soon as kangmobei's eyes sank, he said in a cold voice, "do you only care about Jiang family and Jiang zhiang?"

"Tell me, is there anything wrong with zhiang?"

With a slight sound, conمبر turned his head and said to the small black head behind him, "Lolo, you go out first."

Lolo pursed his lips. Daddy seemed to be angry. He put Mommy here alone. He was a little worried.

But As soon as mommy wakes up, she calls other people's names. He is not happy. Let daddy teach mommy a lesson.

Before going out, he closed the door on tiptoe.

After Luo Luo left, Kang Mo Bei put Bai Nian Xi in his arms, two fingers clasped Bai Nian Xi's chin, eyes sharp looking at Bai Nian Xi, "listen, this is my Kang family's territory, I don't allow you to think about other men here, understand?"

The warm breath in the mouth sprays on Bai nianxi's face, causing a panic in Bai nianxi's heart.

Seeing Bai nianxi's calmness, Kang Mobei said with a chill, "Jiang zhiang, who you are thinking of, has given you to me. He has fulfilled the agreement you refuse to fulfill for you."

"Give it to you!"

The corner of his mouth raised a mocking smile and lowered his voice. "Do you know what the price is? You. "

"Me?"

After being stunned, Bai nianxi reacts.

What kangmobei wants is for her to fulfill the agreement, while what Jiang zhiang wants is for Jiang's enterprises to come back from the dead.

She's just a chip, a sad chip, in this case.

What Bai nianxi hated most in his life was the feeling of being traded and used. He lifted the quilt and walked under the bed. "I won't stay here."

"You think you can walk out?" Kangmo is standing behind Bai nianxi in a cold voice.

Connobei's words are a threat, but also to tell her that she can't escape from his palm. This feeling of being controlled by others is really not good.

Bai nianxi's temper was aroused, even with some unspeakable grievances, "if I can't get out, I'll run out. If I can't get out, I'll climb out even if I climb. Anyway, I won't stay in this annoying place!"

She was sold by zhiang and Jiang family.

But what can she say? She owes them.

When she heard Bai nianxi's words, her eyes burst out with cold light. She got up to catch up with her, stretched out her arm and strangled Bai nianxi's neck from behind. It wasn't too tight, but she couldn't get rid of it. Her lips were close to Bai nianxi's ear, "disgusting? How annoying is it? "

Bai nianxi earned a little, but didn't break free. Instead, he made a few ambiguous frictions on the chest and back between them. After the friction, a strange feeling appeared on his waist. It seemed that there was something hard there.

Suddenly, the atmosphere became strange. Bai nianxi's back was close to Kang Mobei's chest. He could clearly feel the heat from Kang Mobei's body and the beating heart in his chest.

The familiar fragrance and the irresistible softness came from his arms. Kangmo Beiwei narrowed his eyes and thought of the woman in his arms that night five years ago, her addictive taste and her tempting groan

The hard object on his waist is getting bigger and bigger, and his hard and burning feeling is getting more and more substantial. Realizing what it is, Bai nianxi's original angry mood suddenly disappears, but he is filled with tension and shock. He

He told her

Connobei's eyes were filled with a layer of unspeakable emotion, and he seemed to be a little angry with his reaction.

At this moment, the phone in his pocket rang, breaking the strange atmosphere. For a moment of meditation, connobei slowly released Bai nianxi and connected the phone.

"What's the matter?" He asked and went out.

Bai nianxi breathed out a deep breath, as if she had escaped from the tiger's mouth.

just as she was thankful, there was a sound of lock at the door. Bai nianxi reacted and ran to find that kangmobei had locked the door, so she couldn't get out.

Don't let her out?

Well, nobody wants to come in again.

In front of the closed door, conmobei stood at the door, frowning. When he came back from the phone, he found that the door could not be opened.

Lolo also frowned and stood at the door. He squeezed juice, baked bread and mixed fruit salad for bainianxi, hoping that she could taste what he made.

"Bai nianxi, open the door!"

"No, hunger strike!"

.....

"Alas." Lolo sighed, looking worried. "I don't know what Mommy learned from me."

Kangmo North stares at Luo Luo one eye, isn't a virtuous behavior of two women?

Luo Luo has been coaxing people at the door for a long time. He really shows his ability to coax people all his life, but Bai nianxi in the door is still unmoved. It seems that the hunger strike is really determined.

The doctor explained that the medicine must be taken on time. Seeing that it was time to take the medicine, conmobei's face became more and more dark. He ordered in a deep voice: "Lolo, unlock the lock."

The door here is an electronic code lock, but it's a little complicated. It takes time to crack it.

But for Lolo, a gifted child prodigy, it can't be easier.

Putting down the tray with food in hand, Lolo takes out his iPad, connects the Internet, and enters the domain address of the hospital. A long string of complex program codes are displayed on the screen. Lolo's little hand is moving fast and knocking on the screen. However, how long ago, there is a sound coming from the door.

Conmobei picked up a glass of juice and a bag of pills, strode over, opened the door, and Lolo followed him with short legs. However, he was cruelly ordered by his own father: "wait outside!"

Seeing that kangmobei came in from outside with a black face, Bai nianxi was shocked. Before he could slow down, kangmobei came over with a big stride like the wind.

"You, how did you get in?" She locked the lock to death, didn't she?

Low evil spirit opens a mouth: "fast?"
