

《Billionaire CEO Won't Leave》

Chapter 101

Wu Ling's eyes were overcast, his fists clenched, and his nails pinched deeply into the flesh.

When she was in Paris, she was always pressed by Bai nianxi. As long as there was Bai nianxi, the teacher could not see her!

When she came back from Paris, she came to Jenny's side to be her assistant. She broke her leg when she met Bai nianxi. Jenny knew about her stealing the painting, and she didn't know how many times she beat and scolded her!

Last time, the painting she gave to Jenny failed the selection and lost to Bai nianxi. After Jenny came back, she was beaten again.

The new and old wounds on her body have never been better, which are all given by Bai nianxi!

She hates Jenny, even more Bai nianxi!

"Oh, white night." Wu Ling's expression was grim, and his words were also very vicious. "I just thought that if you had a terminal disease, it would be better if you had no medicine. There was less than half a month left to live."

"No, half a month is too much. I really want to see you die right in front of me!"

"Hate me so much?" Bai nianxi said with a smile, "but what can I do? In my life, there are too many people who hate me. Your hatred for me seems to have no attack power to me."

"Then I will curse you, curse you not to die well, your love, friendship and family all not to die well!"

Bai nianxi looks at it coldly and thinks it's ironic.

Love, friendship, family? How can I die? Oh, they're all things she's never had. Does this curse seem weightless?

Indifferently turned, did not say, turned and walked toward the ward.

"Stop!"

"I told you to stop!" Angered by Bai nianxi's indifference, Wu Ling was excited for a moment and wanted to catch up with him. But he didn't expect that he was unstable and fell to the ground.

Bai nianxi looked back and saw that Wu Ling was sitting on the ground. The food he had just bought fell to one side. It seemed that his legs were pressed, and his face was in pain.

He didn't reach out to help her, but just stood still and frowned: "serious? Then call a nurse for you. "

"Who wants you to cry for mercy?" Wu Ling roared out.

Bai nianxi is more calm, she is more angry, hate her hypocrisy, hate her in the plight of that always calm calm appearance!

"Good." Bai nianxi turned around, "then I don't care about you."

Wu Ling is impatient. He grabs the packaged food and smashes it on Bai nianxi's head. Bai nianxi is unprepared and is hit hard in the back of his head.

After a violent shock, the soup with hot taste slipped slowly from Bai nianxi's head, passed through his back and fell to the ground.

Hair and back are all sticky wet, hair and clothes all stick to the body.

After a long time, Bai nianxi reacted.

Straight back, head slightly up, mouth long spit out a breath, still did not look back, stretch out a hand to grasp the food hanging on the head, slowly clean up the head, Bai nianxi step forward.

Wu Ling looks at Bai nianxi with hatred and goes into the ward. Then he comes out again with a bottle of things in his hand.

It's a big bottle of medical alcohol.

Bai nianxi goes to Wu Ling, opens the alcohol bottle, reaches out his hand, and pours it on Wu Ling's head.

There was not a drop left, but it was all poured on Wu Ling.

White read night such as fairy beautiful eyes, indifferent without a trace of expression, "attention, don't play with fire."

"Otherwise, it's you who set the fire."

After that, he walked back to the ward without looking back. Liu Wuling was in the same place.

In the corner of the hospital, commo North stood tall and straight, with a faint smile in his dark eyes. A small glutinous rice ball under his body was holding the wall beside him tightly with his hands, and his eyes were wide open.

Just now, when they came up, they saw Wu Ling throwing food at Bai nianxi. Originally, he almost rushed out like an arrow, but he was caught by Kang Mobei.

"What for?"

Lolo is holding a small fist, "revenge!"

"There are plenty of opportunities for revenge. Do you want her to know that you see her in a mess?"

Lolo held back his anger and didn't rush out.

Kangmobei just wants to see how she will deal with it. After so long with him, she has not learned how to be domineering.

She didn't let him down.

He likes her very much.

Lolo was also shocked. Just now, Mommy, she was so handsome! A fierce operation like a tiger, simply cool do not want! Especially that pun, it's really wonderful!

When they came to the bed, they didn't mention what happened just now. They just asked, "what's the matter with your head?"

Bai nianxi was rubbing her wet hair with a towel and said as if nothing had happened:

"it was accidentally wet."

Kangmo's eyes are dark and deep like the sea. He looks at Bai nianxi deeply. After a while, he suddenly leans over and sticks his thin lips to Bai nianxi's ears. "You know what, you're so exciting."

Bai nianxi thought he meant the way she rubbed her hair.

But his face was still red. He was not bad for a day or two. He forced himself to calm down the fluctuation of his heart. He looked white and didn't speak.

Just, Luo Luo hands clench fist to put in front of the chest, on the face a pair of star eye appearance is how to return a responsibility again?

After mu Rushuang parachuted to Kangshi group, Qi Zhiwei rarely took the initiative to find him again. He seemed to believe in Mu Rushuang's personal charm, but he was able to take over kangmobei for a long time.

Facts have proved that mu Rushun's personal charm is indeed not small. In less than a week, she has convinced people all over the company, not to mention the opposite sex. Even many girls in the company say that they are going to be broken by mu Rushun.

The only one who is unmoved and seems to ignore Mu Rushan's personal charm is Kang Mobei.

Bai nianxi handed in the cover design work, and the work came to an end.

After all, there is only one week left to march with conumber.

Can't help a little confused, after leaving, where should she go?

It seems that someone is more interested in her March than she is.

That day, Gu xuanlin came to the door.

Since watching the videos of Jiang zhiang and Gu xuanlin last time, she has always had some unnatural emotions when she saw Gu xuanlin with her own eyes.

"Your agreement with Mr. Kang is about to expire, isn't it?"

"Well." Bai nianxi said with a smile, "thank you for your concern."

Gu xuanlin a low smile, "how, hate me?" Her words were so calm that she couldn't hear provocation.

Bai nianxi shook his head, "don't hate, you really love him, I know."

Gu xuanlin pursed her lips, and the next words were hard to say, "what happened to me and zhiang..."

"I know." Bai nianxi said in advance.

Gu xuanlin's eyes were not surprised, "I know aunt Yao came to you, and I know what she said to you. I'm sorry, that day, he and I were a little confused. He said, "I have no face to come to you now."

"That's not what you're here to say today, is it?" Bai nianxi had guessed what Gu xuanlin wanted to say, so he said, "don't worry, I won't go back to Jiang's house."

Gu xuanlin raised her head and finally felt surprised. What's more, she felt relieved. "Well, thank you."

Bai nianxi nodded, it seems that there is nothing to say, what else to say? She saw clearly her feelings for Jiang zhiang, or not love.

Gu Ruolin lowered her head to smile, put her hand on her abdomen and stroked her gently, "do you know? I'm pregnant. It's been a month, the doctor said. I feel very happy because I'm zhiang's child. "
