

《Billionaire CEO Won't Leave》

Chapter 109

Bai nianxi took a look at the reporter who asked the question. She was submerged in the crowd, and her face was not clear.

It's just a familiar voice. It seems that I've heard it somewhere.

After receiving her question, Bai nianxi replied, "I deny everything and every word they say."

As soon as this remark came out, the reporters were confused. Unexpectedly, Bai nianxi's attitude was so arrogant and direct that he didn't admit every word?

"But Miss Bai..."

The reporters began to ask questions again and again. Kang Mo faced coldly and said in a cold voice, "if you have already determined your position and ignored the truth, why do you have to attend this press conference?"

"Now that it has been confirmed that a certain party's statement is a fact, is it hypocritical or ulterior motive to come back for an interview?"

Kangmobei's voice is slightly cold and light, but it is like a heavy hammer.

Every word he said didn't seem to be biased towards Bai nianxi.

He still keeps a good distance from Bai nianxi.

And always standing behind her.

Reporters have no time to speak, Bai nianxi has a strong attitude to retort.

Just now, every word, every word, every thing that Bai Jianguo said, Bai nianxi was very strong and unquestionably refuted.

"Everything I said has human and material evidence, including the 200000 buyout money of that year! I worked hard in foreign countries to earn money to buy out the buyout money of their blood relatives and me! "

From beginning to end, it was one of the things that bothered her the most.

Bai nianxi also shed tears, is deliberate tears, but also true tears.

"Oh --" a sudden realization came from the crowd. "Could you please explain to Mr. Bai why he used money to buy up the relationship with Miss Bai at the beginning

"She, she..." Bai Jianguo is impatient, "she has no evidence!"

"And your evidence?" Kangmo asked with his eyebrows in the north.

Naturally, I can't answer.

That good news reporter naturally did not plan to let go, "excuse me, Mr. Bai, you said that you were weak just now, and your family was poor, but it depends on your previous performance, not so."

"Isn't the swearing in the pushing and shoving powerful? Besides, it seems that your clothes are not cheap? "

This question is not professional, but it doesn't prevent her from taking rhythm. The wind of reporters begins to change.

In the corner of the hall, mousse left the sunglasses on her face. He was very satisfied with the girl's performance and went back to raise her salary.

In the hall, there were more and more voices questioning Bai Jianguo and his party, and the Bai family couldn't cope with them.

"You can't listen to what you believe!"

"It's because we can't be partial to what we hear and believe that we have to synthesize the two sides' statements and report the truth of the matter in its original form!"

"I don't think this press conference has any report value." Conmber said coldly and turned away.

Bai nianxi thought for a moment, and followed Kang Mobei into the room. After all, she was tired of standing here. She could not bear to face the slander of others or her relatives.

How can the media release such a powerful news if they smell a hint of conspiracy theory?

It's impossible for Kangmo north to catch up. They can only chase and intercept the Bai family.

After watching the good play, Musi Li also caught up.

Two people are opposite each other speechless silent walk, behind the footsteps rang out, conmo beidun live steps, the head also don't return a way: "how did you come?"

"I'll come and have a look." Moussili's voice was a little playful.

Bai nianxi looks back and sees Mu Sili.

Taking advantage of the place that can't be seen in Kangmo north, Mu Sili picks an eyebrow at Bai nianxi, which is obviously provocative.

Bai nianxi was just surprised and didn't notice so much.

is as like as two peas in North Kang mo. "How did you get here?"

"I'll come and have a look," Muse said

White read Xi corner of mouth grin, "Mu always really love to join in the fun."

"Of course, I go wherever there is excitement." Musi Li smiles and looks to conMBER.
"Kang always looks tired."

Kang Mobei turns around and stares at Mu Sili's face. Bai nianxi finds that there are some faint blood threads in Kang Mobei's eyes.

"Mu always comes to show his concern for me?" Conmobei has a light voice and expressionless face.

Musi Li shakes his head and takes a meaningful look at Bai nianxi beside him.

"Beauty is on the side. How can Kang need my care?"

"Not really."

Er, the choking man in conmobei is a bit fierce. Maybe only such a person as musili can keep his face the same.

"But don't forget the tripartite meeting with Mu and M group at 7pm." Mousse glanced lazily at his watch. "There are 45 minutes left." Bai nianxi looks at Kang Mobei in surprise. He wants to know that if the meeting goes on, it won't end in two or three

hours.

How can he stand such continuous work?

Conmber just gave a faint hum. He was just about to get there.

What does Bai nianxi want to say? She doesn't know how to say it. She wants to persuade him to have a rest. How can she possibly have a rest? Can't you just cancel the meeting and go to sleep?

The expression on her face was the concern and worry she didn't realize.

Mu Sili glanced at Bai nianxi casually. Sure enough, she was very concerned.

With a smile, standing tall and straight, he said smartly, "just come to talk to Mr. Kang. The meeting in the evening has been postponed for the time being. I'm sorry I didn't tell you in advance."

"The beauty is on the side." Musi from tiny squint eyes, "Kang always should also pay attention to the body is."

Conmobeil finally got a rest.

Bai nianxi followed him back to Kang's home.

After the two press conferences in the afternoon, the public opinion on the Internet has been suppressed. Coupled with Mr. Abel's clarification and the participation of the public relations department of comrades group, the situation has gradually changed.

Although there are still some people who don't believe in Bai nianxi and insist that the cover is plagiarized, as long as they wait a little longer, the people sent by conmobei will investigate the leakage of the cover, and naturally there will be an answer.

The most difficult ones are the rumors about Bai nianxi's private life.

Bai nianxi can't control so much. She just wants to have a good rest.

When he got home, conmobei didn't go straight upstairs to his room. Instead, he found Lolo first.

In the morning, after being attacked by kangmobei, Lolo said that he had begun to get angry with kangmobei.

When kangmobei comes home, Lolo just stands at the top of the stairs and looks at

kangmobei from a distance. He is sure that Bai nianxi has come back with kangmobei. Then Lolo runs back to his room with short legs.

Kangmobei first came to Luoluo's room, and all the doors of Kangjia had been replaced with metal locks.

Lolo has a unique talent for solving electronic locks, while conmobei is a good hand at prying metal locks.

Despite the death of Lolo lock, conmobei came in without any difficulty.

Behind him followed Bai nianxi.
