

Billionaire CEO Won't Leave

Chapter 125

Bai nianxi is a person who is more afraid of trouble, because some people, some things, she can not provoke, but the premise of all this is not to touch the bottom line.

She loves painting. If she loves life, painting is her bottom line.

First, she stole her paintings and branded them with her own name. Then she slandered her works as plagiarism, which she could not swallow easily.

"To tell you the truth, I'm very disappointed that I didn't kill you this time. I thought you would be disabled even if you didn't die this time."

Bai nianxi looks at Jenny and waits for her to go on.

She suddenly understood why the more angry he was, the more smiling he was.

"Do you remember a time when someone kidnapped you? I did that, too. " Jenny's understatement doesn't seem to be about a murder.

"At that time, I was very disappointed that I didn't kill you and let you live till now."

"You say, why do you let Mo Beige treat you differently? You will only cause him countless troubles. "

"You can't live without him."

Jenny's heart has always been cruel and bold. At this time, her words are more and more unscrupulous. For Bai nianxi, she has nothing to be afraid of.

"I called you here just to tell you, don't think you'll be safe after you've escaped this disaster. Not this time. And next time, I've never been able to get rid of Jenny's eyesore."

"Is it?" Bai nianxi looks at Jenny indifferently. There's one thing she's surprised at. It turns out that she sent someone to do the kidnapping.

"Well." Jenny nodded, "as for this time I asked you to come, it's not a demonstration,

there's no conspiracy, I'm just angry, but this time you escaped, I'm not happy, you naturally have to accompany me to be unhappy."

"Don't blame me for being too arrogant. I'm used to it in my family. Of course, people like you don't understand."

"Born in pickle?" Bai nianxi didn't get angry. "Then why do you steal the paintings of people like me? "The scenery of Kyushu"

"Why do you still remember your painting?" "In any case, the name of the owner of the painting is now Jenny. You remember that," she sniffed

He added: "I can take a fancy to it, it's a blessing. If painting can also choose to be born, it will not want to fall into your hands."

Smile and stop talking.

"In a word, whether you are angry or afraid, just understand one thing. Now that I've got my eye on you, you have no choice but to wait for death."

Oh, yeah? Should she be afraid symbolically?

Bai nianxi lowered his head, "then, I have no way out?"

Jenny chuckled. She thought she was really calm just now. She turned out to be just a paper tiger. She was scared to death.

"Yes, I'll let you go if you leave mobeiko."

Oh, Bai nianxi nodded. It turns out that this is the focus of Jenny today.

Looking up, her eyes were bland. "Miss Jenny finished?"

Looking at the calm and indifference in Bai nianxi's eyes, Jenny frowned deeply. What she said just now had no effect on her? impossible!

"I said that there is no one here. Don't pretend any more!"

Bai nianxi stretched out her hand and began to tie her hair.

"What did miss Jenny just say?"

"I said you should stop pretending!"

Bai nianxi shook his head, "no, it's the last sentence."

Jennie frowned, a trace of vigilance appeared on her face. She didn't know what Bai nianxi was going to do next.

"There's no one here."

Bai nianxi slowly stood up and began to roll up her sleeves. "I hope Miss Jenny won't cheat me."

With that, he took the coffee on the table and spilled it. Throw one in Jenny's face.

There's really no one here. Because of what Jenny has to say, everyone has been sent away, so at this time, no matter how much Jenny screams, it doesn't help.

Bai nianxi took advantage of the gap between the eyes of coffee paste, slapped and fanned in the past.

Steal her painting?

Bai nianxi forced her head to lean back. Before Jennie could cry, she slapped her face down again.

You want to kill her?

Bai nianxi slams Jenny to the ground with an effort, slandering her for plagiarizing? Let her be reviled by thousands of people?

Bai nianxi's leg is pressed on Jenny's body, which makes her unable to move. Then, in Jenny's frightened eyes, she condescends to drop the only coffee.

"Belittle my precious works as plagiarized works, and then let me drown in people's scolding. You can also try this humiliating feeling."

The coffee was a little warm. With a scream, Jenny hugged herself in her dress.

"If you have any other skills, use them all." Bai nianxi wiped her hands indifferently. "I'm willing to give up my life, but it's important for me to have tenacious vitality. If Miss Jennie takes a fancy to me, I can accompany her to the end." Finish saying, carry a bag to leave.

Jenny was dazzled by Bai nianxi. When Bai nianxi was about to leave, she slowly recovered, covered her coffee drenched body, and yelled: "Bai nianxi! You are crazy! You lunatic! "

"Yes, it's Miss Jennie's trick that drives me crazy."

"You are not afraid of mobeige, you know!" Jenny takes out Kang Mobei and threatens Bai nianxi, "you have always been pitiful and kind-hearted in front of brother Mobei. If he knows your true face, he won't let you go!"

Hearing Kang Mobei's name, Bai nianxi's step stops, turns around slightly, and looks at the extremely embarrassed Jenny on the ground.

He said with a smile, "I think what you just said is quite right. I really can't rely on Mr. Kang for everything. I have to learn to handle my own affairs."

"So, I'm not going to let Mr. Kang know about it."

"Of course, just say what Miss Jennie wants to say. I think Mr. Kang believes me compared with you."

Jenny's mouth trembled and for a moment there was nothing to say.

Bai nianxi turns around leisurely and leaves this place.

Outside, it's dark.

I took a deep breath. Sure enough, it was a good feeling to have a bad breath.

When Bai nianxi came back to Kang's home, Kang Mobei was already waiting at home. When Bai nianxi came in from the door, he raised his watch and took a look. Well, he came back at 9:20.

It's not too late.

Eyes congealed on the coffee stains on Bai nianxi's chest, Kang Mobei said faintly, "how, to fight?"

Bai nianxi's carefree mood was pressed back to the bottom of his heart. Kangmobei was a casual sentence, but when he saw Bai nianxi's bleak expression, he twisted his eyebrows, "how, I really went to fight."
