

Billionaire CEO Won't Leave

Chapter 131

Mu Rushuang looks at Kang Mobei with a smile. There are too many indescribable emotions in his eyes. At the moment, the painting meant to her what Conmber meant to her.

He is sure to get the power of Bai nianxi, but she is sure to get the power of him at all costs.

"200 million." Conmber opened his mouth again.

You can see through it. These are the two great gentry. What they want is more than a painting?

However, looking at Musi Li sitting there with a calm mind, the bar should also come from Musi Li, right?

Mu Rushuang blinked her beautiful eyes. She decided him. "Three..."

"Ai -" Mu Sili interrupted mu Rushuang's bidding. He looked at mu Rushuang with a funny face and said, "why, my good sister, is this going to fight with Mr. Kang?"

"I said Mu Sili put his mouth to Mu Rushuang's ear and whispered: "is Mr. Kang a character of giving up? Don't say to bid 200 million, even if it's 2 billion, there's nothing he can't call out. "

"Why do you have to ruin the man you love?"

Mu Rushuang pursed her lips slightly. Mu Sili was never serious, but his consideration was always reasonable.

"I don't want you to marry the last one, poor man." When he said this, mousse's smile from the corner of his mouth deepened.

After a while of silence, the host trembled and fixed the price.

The price of 200 million paintings, Mr. Kang, is too high.

With a proud smile on her face, Jennie has just taken her picture at a sky high price. She is too happy now.

This is not the value and intention of her?

Pick up the microphone, "thank you very much for your support, especially Mr. Kang's love for me..."

"Can I have a look at Miss Jennie's two hundred million dollar painting?" A calm and sober voice directly interrupted Jenny's words, and also broke the peaceful atmosphere in the meeting hall.

"Look at it. Where is it worth 200 million?"

Who said that?

Jenny looked at Bai nianxi standing up slowly under the stage, her face turned blue.

Conmobei watched the woman stand up with a kind of arrogant arrogance. He liked it.

White read the corner of the mouth of Xi to hang up a tiny smile, appear the whole person gentle and sober.

Her make-up today is flaming red lips, with a drag to the long skirt, brilliant and shiny in the light.

Wearing high-heeled shoes, she is 180 feet tall. She stands up and walks slowly to the stage with the latest R · o series flash diamond bag in her hand.

Isn't Jenny trying to make trouble? Then she'll make it a little bigger.

As for who destroyed who, who knows?

"If it's not worth it, Mr. Kang will lose his money."

At the beginning of Bai nianxi's voice, some people were scared by her words. The scorn in these words almost didn't point at Jenny's nose and scold her.

Now when Bai nianxi comes to the stage, people take a cool breath. They are amazed by her beauty, her generosity, and even her aggressiveness.

Clearly is a pair of to make trouble of arrogance, the meeting inside the security did not stop.

"Why do you..."

"Good." "Then please, Miss Bai, help me to have a look at it."

.....

This is kangmobei. It's not a troublemaker with Bai nianxi, is it?

Commo North mouth, no one dares to stop.

Mousse leaned back from his seat and found a more comfortable posture to watch the play. He knew that it would be fun tonight, but he didn't expect that she would be the protagonist of the play.

Looking at Bai nianxi's eyes.

After Bai nianxi came to the stage, she went straight to the easel with the painting on display. When she passed by Jenny, she was grabbed by her, and her sharp nails were even pinched into Bai nianxi's flesh.

But no one could see the audience.

"What are you doing?" Jenny lowered her voice and gritted her teeth: "Bai nianxi, I warn..."

Bai nianxi had a pain in his hand. He twisted his eyebrows and slightly turned his head. There was a smile in the corner of his mouth and said, "what's the warning? I'm here today to ruin your reputation. "

With that, the arm that was grasped by Jennie waved hard, and she swung Jennie's hand away. Jennie was unstable, and then she was thrown to the ground by Bai nianxi.

The posture was extremely awkward.

They were surprised and angry. How dare Bai nianxi attack Jenny in public?

Then there was a voice of accusation against Bai nianxi, and the voice of accusation was getting louder and louder.

Bai nianxi rubs his pinched hand and continues to carry his skirt to the easel.

It's just fame, it's just condemnation, it's been completely destroyed by Jenny before, it doesn't matter. He took the microphone, stood in front of the easel, glanced lazily at the red mark on his hand, and said, "Miss Jennie is really good at it. My hand is about to

be cut off."

Maybe people in the distance can't see the red mark on Bai nianxi's hand, but people nearby can see it clearly. Just like conumber, his eyes are red and bleeding.

Without looking at Jennie again, Bai nianxi puts her eyes on the painting beside her. Her fingertips stretch out and touch the painting. She doesn't feel trembling.

This is her painting! This is her hard work! But now, the word "Jenny" on the display board below the painting stings her eyes.

"Don't touch my painting!" Jenny has already got up from the ground. The fall just made her lose face. Now she is about to lose her mind.

Jennie stumbled over and opened Bai nianxi's hand. Jennie hit hard, but she didn't know whether it was intentional or unintentional. When Jennie hit, Bai nianxi's fingertips just brushed the screen.

There was a sound.

The paper is not so fragile as to be scratched by Bai nianxi's nails. However, the painting on the paper has a long scratch because of Bai nianxi's scratch.

Bai nianxi was stunned for a moment, and then saw the paranoid look in Jenny's eyes.

Jenny's mouth curved. "Your painting is ruined."

The people at the bottom were even more shocked and motionless. While sighing the pity, they all looked at kangmobei. It was all white money.

Conmobei's expression was secretive and did not speak.

Bai nianxi glanced at Jenny faintly. "It's just a picture."

Only Jenny could hear this: "you know what? Even without you, I would have destroyed the painting. Because, crown your name, I dislike dirty

With that, he picked up the receiver and chuckled, "it's not worth 200 million."

Then, he said with a smile, "Mr. Kang, please give me water."

Kangmobei understood, stood up coldly, and handed a bottle of water to Bai nianxi on the stage. After delivery, he didn't come back. He stood in the same place and put his hands in his trousers pocket, looking at it without expression.

Bai nianxi takes the water bottle and is about to open it. However, she finds that the cap is loose. It should have been unscrewed by Kang Mobei just before she handed it over.

He knows what she's going to do?
