

Billionaire CEO Won't Leave

Chapter 136

"Does it have anything to do with President Su when I enter Panasonic?" Bai nianxi was dissatisfied. Su Yihao said this as if she had come here for him. "Doesn't Su always know that I was invited by director Elena?"

Turning around, Su Yihao didn't tell Bai nianxi any more. He just said, "no matter why you come here, I warn you to stay away from me."

Don't worry, she will stay away from him without warning..

Bai nianxi nodded and turned to leave. But there are doubts in her heart. What happened to her and Su Yihao?

The longer she returned home, the more strange she felt that there must have been something wrong with her memory. She did not remember the people she knew or what had happened.

Not only don't remember, her mind, or completely different memory.

In the past, it can be said that other people's memory had a little fault, but now it seems that her memory had a big fault.

In the afternoon, Bai nianxi returned to the president's office of commobei.

"How was the conversation?" He didn't lift his head. He knew it was Bai nianxi who came back.

"Not bad." Bai nianxi nodded and put the documents on the table.

After thinking about it, he asked kangmobei, "do you know Su Yihao?"

When he heard the name, conmoveir's action of looking through the document stopped, and then he turned it over and said, "what's the matter?"

"Oh, it's OK. I found that the president of Matsushita's China marketing department this time is Su Yihao."

"Do you know him?" Conmber raised his head and looked sharp.

Bai nianxi thought about it, shook his head and said, "I don't know." He was afraid of what commobei would think, and explained, "I just saw him at the meeting today, so I'll ask him by the way."

Kangmobei didn't lower his head as Bai nianxi expected. Instead, he stared at Bai nianxi and said, "he already has a fiancée."

"Is it?" Bai nianxi doesn't care. She is not very interested in his private affairs.

I just noticed the look in the eyes of conmber and gradually found something wrong. Conmber didn't misunderstand anything, did he?

"Don't make up his mind." Conmo north cold mouth, seems to be exhortation, more like a warning.

Bai nianxi doesn't understand, how this one or two, are afraid that she has a crush on Su Yihao? I can't help feeling angry.

"What do I want him to do?" Seeing that Kang Mobei's eyes were still cold, Bai nianxi was even more angry, so he said, "don't you still have a diamond king around me? Well, I don't like you and I won't like him."

The look in conmber's eyes changed.

Bai nianxi then realized that it was not right.

Is conmberg now her benchmark for men? Who's going to compare it with conmoboy?

No, the point should be, she didn't think anyone could be better than conmbe?

"Really?" Conrad's eyebrows.

"False."

Bai nianxi got up and blushed uncontrollably. He lowered his head, went to his desk and sat down. He opened the papers on the desk and looked at them.

Commo leaned back on the seat behind him, his eyes inexplicably ambiguous.

"What's the matter with my files?"

"what's the matter with my files?" Bai nianxi some not good spirit of say: "how do I

see the document you also want to tube?"

"Oh."

The corner of conumber's mouth stirred up a smile, such as the beginning of melting ice and snow, "it's OK, I just see it for the first time, someone is looking back like this."

.....

Want you to manage, white read Xi in the heart indignant way.

After working for a long time, I looked up at the clock on the wall. It's time to get off work.

Bai nianxi stood up and cleaned up the things on the table. Kang Mobei asked, "what are you doing?"

"Off duty."

"Don't go yet. Come with me today."

"I'm going back to my apartment today," he said

Conmobei then raised his head, eyes sharp, "go back?"

Bai nianxi nodded, "the sanitation in the home needs cleaning."

"If it's for cleaning, I can call a cleaner for you."

"Not to clean up, of course. I just want to go back." Bai nianxi decides to fight with kangmobei.

She has already seen the consequences of blindly seeking softness. She can only retreat step by step. According to the previous tactics, she is afraid that she will never be able to live without komobei.

As expected, Kang Mobei dropped his pen and stood up.

A few steps to her body, the body smell of men's fragrance lure bainianxi mood, let a person can't help but mind.

"Say it again." The voice sounds hot and heavy.

Bai nianxi immediately decided that the tactics should be a little more tactful. "I just

want to go back and have a look, but I can't stay with you all the time. After all, it's your home, I have my home, and our contract has already ended..."Kangmobei didn't speak, but he just drew close to her body. Her burning chest was about to touch Bai nianxi's face, and the heat seemed to melt her away.

"Say it again."

After two deep breaths, Bai nianxi cheered up and said, "anyway, I must go back."

Kangmobei bent slightly, moved his head and neck down, put his face close to Bai nianxi, looked into Bai nianxi's eyes, and breathed out a faint aroma of coffee.

"Say it again."

Shit, it's going crazy.

Bai nianxi bit his teeth and pushed away Kang Mobei's chest. "In a word, this time, I will never give in to evil forces!"

Kangmo North was pushed away by Bai nianxi an arm's distance, hanging eyes motionless looking at Bai nianxi, suddenly said: "don't give in to evil forces, to me, OK?"

.....

Bai nianxi's head is stiff. No way.

Seeing that Bai nianxi didn't answer, Kangmo took a step north and came over again.

Kangmobei had never seen Bai nianxi look at death like that, which made him feel funny and angry.

Bend over and stick to Bai nianxi's ear, a burst of heat blows.

"Well, I'll give in to you."

Bai nianxi is stunned in his heart. What's kangmobei's answer?

It wasn't until kangmobei and Lolo, one big and one small, appeared downstairs with two suitcases in their hands, that bainianxi knew what the meaning of conmobei's surrender was.

Bai nianxi closes the window. It's shameless!

"Xiaoxi - Xiaoxi -"

there was a poor call from Lolo outside the door.

Bai nianxi drinks a mouthful of boiled water. No way. She wants to stick to her position. If she really lets kangmobei live in, there will be no room for maneuver.

Lolo called for a long time, but the door didn't open. Conmobei knocked down the suitcase for him, and Lolo sat on his small suitcase.

Shaking his legs, he looked lonely.

He looked up. "Daddy, why don't you pry the door?"

Conmber shook his head. No way.

Squint at Lolo, "sing."

"What?"

.....

Soon after, there was a soft voice outside the door.

"Cabbage, yellow earth, two or three years old, no mother."

"It's easy to live with my father. I'm afraid of my father and marry my stepmother."
