

# Billionaire CEO Won't Leave

## Chapter 138

Zhai Kexin looked back in disgust, "what else do you want to do? It's not enough to bump into me and stain my clothes? "

"What else can I do?" Bai nianxi stares at Zhai Kexin's face and spits out two words, "settle accounts."

"What's up?"

Kang Xinyue and Zhai Kexin were both surprised. Kang Xinyue's face was even more smiling, as if he was feeling funny, "you, what did you just say?"

Looking at these two people did not leave the posture, Bai nianxi then released himself, grabbed Zhai Kexin's hand, slowly said: "just now, it was this young lady who bumped into me first. She didn't apologize and didn't say it. Instead, she scolded me for being short-sighted and scolded me three times."

"You don't have eyes! Hit me

White read Xi corner of the mouth a touch of light smile, "now is the fourth time."

Then he said, "because of your own fault, you have damaged the supermarket's goods and soiled your clothes. You should be responsible for all the consequences. You are good. After you scolded me, you still threw the chocolate to me. Why do you want me to pay for you?"

"You..." Zhai Kexin was forced by Bai nianxi for a moment, so he couldn't speak.

Bai nianxi glanced down at his white T-shirt. "You not only soiled your clothes, but now my clothes are also soiled by you. As your friend said, your clothes are just a piece of clothes. If you get dirty, you will get dirty. If you lose them, mine is not."

"So?" Unexpectedly, Bai nianxi's attitude was so arrogant that Zhai Kexin laughed angrily, "what else do you want?"

"I think so." Bai nianxi smiles and takes out the chocolate that Zhai Kexin smashed in his arms and pats it on Zhai Kexin's chest. "Please take this box of chocolates by

yourself. The cashier is on the right side. Please pay for it."

"As for my clothes, they are not things that can be thrown away if they are dirty. Since you can't compensate, please apologize to me."

"What?" Zhai Kexin's voice became loud. She just thought it was incredible that Bai nianxi even dared to make her apologize?

He said angrily, "are you crazy! You want to be shameless? "

"You should ask yourself that." Bai nianxi continued to smile, "people who know a little bit of politeness know how to do it, right?"

"Wait a minute." Kang Xinyue interrupted Bai nianxi, "look at you, you are very arrogant."

Just now, she didn't want to have the same opinion with Bai nianxi, because she didn't think she was worthy to care about anything with her, but now it seems that this woman is too stubborn and arrogant?

Kang Xinyue chuckles and lazily reaches out her fingers to pick up the chocolate that Bai nianxi put into Zhai Kexin's arms and throw it on the ground.

Bai nianxi felt that Kang Xinyue's action and expression at that moment, and the contempt and indifference between his eyebrows seemed to be familiar to him.

Su Yihao stands behind Kang Xinyue. He looks at Bai nianxi with a slight frown. He feels that she seems to have changed a little. She is no longer the weak little girl who used to be bullied and abused.

He had never seen such a rough and strong side in her.

It's just a pity that the person she's meeting this time is Kang Xinyue.

Kang Xinyue grew up with respect and good manners and developed a charming character. When he was in front of her, he was always tolerant.

If there is any conflict, either Kang Xinyue was in a good mood that day and didn't bother to worry about it, or, with her family background, she has the strength to directly challenge anyone.

Bai nianxi vs. Kang Xinyue? I'm afraid there is no good fruit to eat.

With a disgusted glance at Bai nianxi, Su Yihao looks down at Kang Xinyue and

whispers: "Xinyue, what do you want to do with this kind of person? Don't you agree that there is an appointment in the bar tonight?"

Kang Xinyue snorted and was about to leave with disdain when he heard that Bai nianxi said, "please make it clear to me that it's not that you don't need to worry about me, but that I'm asking your friends to apologize to me."

Since Su Yihao told her to stay away from him, and now she doesn't know her at all, she simply calls him Mr. Su Yihao, or she just doesn't want to get involved with him.

Su Yihao can't believe that Bai nianxi is still so reluctant. He just helped her and gave her steps. She didn't appreciate it?

"You want to die!" Kang Xinyue's anger rises from the bottom of his heart. He raises his hand to fan Bai nianxi's face.

Bai nianxi held her hand. "It seems that not only your friends are rude, but you are also rude."

Kang Xinyue shakes off Bai nianxi's hand. In his words, he is in sharp anger. "Dare you follow me? Believe it or not, killing you is as easy as stepping on an ant

"It seems that your skills have improved a lot in the past two years abroad?"

It was a deep, cold voice that Kang Xinyue was familiar with.

Looking back, it turned out to be komorbei.

Although she was unruly and domineering, her temper had always been restrained in front of him. Now when he saw such a pampered and powerful side, she was still a little scared. "Brother..."

When Su Yihao saw the appearance of Kang Mobei, he put away his disdain, straightened his back, lowered his head slightly, and felt respectful.

Kang Xinyue's that elder brother a call out, white Nian Xi also Leng for a while, in front of this domineering, unexpectedly is Kang Mo north of, younger sister?

When did conmbbe have a sister?

suddenly remembered as like as two peas of chocolate when she was in the mood, did she feel familiar with her, when she first met with Kang Yu Qin, Kang Youqin looked at the same expression on the floor when she picked up the book in her hand?

Is it the daughter of aunt conmobei?

Kangmo North came over, cold eyes swept kangxinyue three people.

Zhai Kexin knows Kang Xinyue's family relationship and who kangmobei is. She is a good judge of the times. At this time, it's good to let Kang Xinyue come forward, so she doesn't speak and keeps silent.

"Brother, why are you here?" Kang Xinyue changed the subject.

It seems that she is really afraid of kangmobei. As soon as kangmobei appears, her anger just disappears, and she completely forgets what happened with Bai nianxi.

"Where do I go, I need to tell you?"

.....

"That's not what I mean..." Kang Xinyue lowered her head. When she saw Kang Mobei, her good mood of the night was really destroyed.

When he was embarrassed, a little ball suddenly appeared in his sight.

Although Kang Xinyue only met Luo Luo shortly after he was born, Kang Xinyue almost instantly determined that this was Luo Luo!
