

# Billionaire CEO Won't Leave

## Chapter 155

"You always feel that I have taken away the teacher's attention from you, and I have hindered the development of the relationship between you and the teacher, but my teacher and I are just pure friendship between teachers and students, and the teacher's love for me is pure love for students."

Bai nianxi suddenly mentions what happened in those years. Wu Ling can't help but shiver all over. He turns around and shoots sharp eyes at Bai nianxi.

Bai nianxi then said, "but do you know that the teacher was married in those years?"

"No way!" Wu Ling roared out, "I checked, the teacher has no wife! He's just a bachelor. He lives in his bachelor's apartment every day. He's so lonely and needs company. "

"Yes, he lives alone, but it doesn't mean he doesn't have a wife." Bai nianxi's eyes sank down, "do you think you don't know your kindness to the teacher?"

Wu Ling clenched his fist. Of course, the teacher knew that he was so delicate.

"He didn't pay attention to your kindness because his favorite person was his wife, who died of cancer three years after their marriage."

Wu Ling's face showed a trace of consternation. How could it happen?

She always thought that the teacher couldn't see her, just because Bai nianxi got in his way. It was Bai nianxi who blocked her light. If she was good enough, the teacher would notice her and be attracted by her.

"How do you know?"

Bai nianxi knew it was because she had seen a sketch drawn by a teacher. She asked who it was, and the teacher told her that it was his favorite wife.

Wu Ling laughed, "so what? I still hate you."

"Please don't hate me or not." Bai nianxi's face was expressionless. "I told you this, not

to make you like me again."

With that, Bai nianxi is ready to turn around and leave.

"Bai nianxi, what qualifications do you have to say these?" Wu Ling caught up with him. "Look at the people you met and what happened over the years. You are different from me. You can easily live a life of getting something for nothing."

"Nothing for nothing?" Bai nianxi frowned, "Wu Ling, is that what you think?"

"No wonder the teacher doesn't like you." Bai nianxi finished, said nothing more, and walked away.

Wu Ling Leng is in place, because Bai Nian Xi's words just now are burning in his heart.

OK, Bai nianxi. We'll see.

When he was in France, Wu Ling knew that there was a Jiang zhiang beside Bai nianxi. He also knew that Jiang zhiang had returned home now and was going to get married now. The object of marriage was not Bai nianxi.

It's said that the woman is pregnant. Are they married on the basis of their children?

So Bai nianxi, because her fiance was robbed and then did something stupid for love, sounds like that, too?

After picking out her clothes, Bai nianxi bought new shoes and bags. She really hasn't bought herself new clothes for a long time.

Buy good things back to the company, hand full of a few bags.

When kangmobei saw Bai nianxi coming in with something, he frowned and asked, "have you gone shopping?"

"Well."

"What did you buy?" Kang Mo North says, already stood up, walk to Bai Nian Xi side.

"Clothes, shoes, bags." Bai nianxi put down his things and sat down on the sofa.

Conmber took his fingers to open the box and took out the contents.

Kangmobei didn't say anything. He just looked back and forth at what Bai nianxi had

bought several times and said, "I have a good eye."

"Of course."

"Why don't you wear the clothes and shoes I gave you?" Kangmobei packed the things again and put them into the commodity bag as they were. There was a trace of dissatisfaction in his words.

"Isn't my gift good enough?"

Bai nianxi shakes his head, of course not.

"But what you give me is yours. Only what I buy myself is really mine."

Kangmobei takes a look at Bai nianxi, walks to Bai nianxi, and the familiar breath comes from him and gets into Bai nianxi's nose.

"Now, you don't live with me, and you don't accept what I give you. I feel that I'm getting farther and farther away from you."

Bai nianxi laughingly looks at Kang Mobei. It sounds like he is wronged.

"Mr. Tang Kang, how can you feel so insecure?" This is a joke.

It's just that conumber is the real one.

A sense of security.

"When did you give it to me?"

Bai nianxi was stunned. She couldn't refute Kang Mobei's words at all.

It seems that since she came to conumber's side, her attitude to him is to keep away from him. What she often says to him is none of your business. I want to leave.

Even now that she has determined her heart for conumber, her actions are still so elusive.

She still said that she would leave from time to time, and she kept rejecting him.

If her departure can be regarded as a threat to conumber, it must be because conumber has given her enough position and weight in his heart. She didn't take the initiative to say anything nice to him. The only time, yesterday, she felt funny and wanted to tease him.

The more you think about it, the more you feel like a jerk.

Bai nianxi cursed himself secretly in his heart.

Seeing that Bai nianxi didn't answer, Kang Mobei didn't say any more. He sat down beside Bai nianxi and said, "go shopping alone today?"

"Who else is there?"

"Call me next time." Conmobei's words are so light that he can't hear any emotion.

"You are so busy, forget it." When Bai nianxi finished, she suddenly found that she refused kangmobei again. Although she had a legitimate reason, it was really for the sake of kangmobei.

Kangmobei did not speak. Bai nianxi had nothing to say for a moment, and the atmosphere became silent.

"Do you have time in the evening?" This time, Bai nianxi opened his mouth first.

"Why?" Conmber raised his eyes.

"About you." Bai nianxi's tone is relaxed.

I haven't had a meeting with commo.

I used to think that since I was going to leave him one day, I would not be involved with him more, talk less, communicate less, and think less of him.

But now she found that there was no concern without involvement.

It is precisely because she will leave one day, and now, she wants to live a good life with commobei.

Kangmobei's eyes slightly narrowed, about him? Bai nianxi asked him out?

"If you ask me out, I'll have one."

"Well, let's go to the cinema in the evening." Bai nianxi said with great interest: "it happens that a new movie has been released recently. It's said that it's very funny and the score is quite high."

Bai nianxi thought about the name of the movie, "what is it called" angels and demons  
"

But I don't think Conmber would like this kind of movie.

"Well." Conmber readily agreed.

Just at this time, Secretary Xing came in, "Mr. Kang, the meeting in the evening has already..."

"Cancel."
