

# Billionaire CEO Won't Leave

## Chapter 156

Bai nianxi also responded, "if you have a meeting in the evening, then..."

"I said cancel." Kangmobei said again, the firm meaning in the words does not allow people to question.

"Buy two tickets to the best movie theater in the city, no one else in it."

Conmobei means that it's going to be a private show.

Secretary Xing was about to go out, and then came Bai nianxi's voice, "don't use it."

"Since I'm asking you out, of course I should buy the tickets for the movie, and I want to see a movie with you in an ordinary way, without booking."

Xing Secretary Leng in situ, waiting for the order of Kang Mobei.

Conmber thought for a moment, then nodded, "you just like it."

When Bai nianxi bought the ticket at 9 p.m., kangmobei was in a hurry to deal with the accumulated affairs before 8 p.m., and then drove out with Bai nianxi.

The cinema is in the west of the city.

When we went out in the evening, it rained a little. Conmobei parked in the parking lot, and then they took the elevator up the stairs together.

The movie hall is on the 8th floor. After Bai nianxi pressed the floor, the elevator door closed and went up.

The wall in the elevator reflects light. Bai nianxi sees kangmobei in it. He is wearing a dark suit. The mirror reflects his indifference and elegant posture.

Such as princes and nobles.

Two long arms slightly bent at the side of the body, hands into the trousers pocket, this is his usual posture.

It's just empty in the arm. Only Bai nianxi has occupied this position.

Bai nianxi thought about it, put out his hand and took the arm of Kang Mobei.

Kangmobei obviously didn't expect that Bai nianxi would do this. His body was slightly stiff, and his face was stunned. He turned his head and looked down.

Bai nianxi smiles at kangmobei's eyes.

In an instant, the ice and snow melted in the eyes of conmb.

Ding, to the floor, the elevator door opened, Bai nianxi took the arm of conmo north to go out.

At this time, the cinema has the most people. When kangmobei and bainianxi go out, people can't help but cast their eyes on them. Probably frightened by the power of conmobei, people's eyes stayed on them for a moment and then took them back, but they still had eyes from time to time.

"Well, there are so many pretty girls looking at you." Bai nianxi reminds Kangmo north.

As a matter of fact, Bai nianxi had already thought that kangmobei would not vanish from the crowd when he appeared in such a place.

She was just teasing him.

Which think the eyes of Kang Mo North cast to come over, is that kind of extremely serious look.

"Do you mind?"

Just want to sensible say don't mind, words and hold back, say good don't blindly refuse and deny him?

So very stiff nodded.

As soon as his eyes were deep, his steps suddenly stopped. Bai nianxi couldn't figure out what he was going to do, so he stopped.

In front of his eyes, Kang Mo Bei's handsome face suddenly magnified countless times, and his lips were warm and cool.

It turned out that Conmber bowed his head and kissed him.

Then Conmber straightened up and said, "that's good."

So they knew that he was the flower of the Lord and did not dare to look at him.

Bai nianxi's face turned red. What is Kangmobei doing!

Among the crowd, there are many people who have eyes. They have recognized Conmobei and know that he is the president of Comrades group. They just look at the young lady beside him. It seems that he looks strange and familiar.

So secretly took a picture, spread to the net, just captured the moment of the northern kiss white nianxi.

Kangmobei and Bainianxi sat down after they entered the cinema. The movie was almost full, but it was strange that the seats on both sides of Kangmobei and Bainianxi were still empty.

The funny effect of the film is good, people are made to laugh, only the face of Conmobei from head to tail.

"Why, don't you like the movie?" Bai nianxi asked.

"I like it."

"Like you, why don't you smile?"

Conmber turned his head, hesitated for a moment, and his mouth curved.

..... forget it.

At the end of the movie, Conmobei was still sitting in his seat as steady as a mountain. He didn't get up until all the people were gone, and walked out with Bai nianxi without expression.

Bai nianxi sighed. It's clear that he's dating Kangmobei. How can he feel like he's in a meeting all the time?

"Where are you going now?" Out of the cinema, Kang Mobei turned to Bai nianxi and asked.

Bai nianxi looked out and saw that it was still raining. It was 11 p.m. and he said, "it's not too early. Let's go back."

"Right back?" Conmber seems to have a little more to say.

"Otherwise?" Conmobei thought about it and said, "come with me." This is a forest park in the city. The scenery is good. You can walk along this road to a lake. Komobi stops nearby and walks with Bai nianxi.

In the night rain of a city, kangmobei holds a big black umbrella and holds Bai nianxi in his arms. They walk together in the rain. The wind blows and the rain slants on them, bringing a chill.

Kang Mo north will white read night again close some, "cold?"

Bai nianxi leans in the arms of Kangmo north and is greedy for the warmth from Kangmo north. "It's OK."

Kangmobei moved his umbrella to bainianxi, and his right shoulder was wet with rain. The color of his suit became darker.

On such a rainy night, Bai nianxi felt very comfortable.

Not far away came the sound of several quarrels. Bai nianxi saw that it was a young couple. The girl was walking in the rain, and the boy was chasing behind with an umbrella.

The voice of speaking came over, it seemed a little fuzzy in the rain.

"Xiao Chan, let me explain."

The girl did not turn her head back and threw away the boy's hand, "let me go!"

"It's not what you think." The boy explained in a hurry, "she and I are just friends, really!"

"Ordinary friends? Ordinary friends come to your house in the middle of the night? Ordinary friends will stay alone with you until two o'clock in the morning? Ordinary friends will be close to you? "

The girl is good at pushing the boy's chest, "Lin Hao, do you think I'm a fool?"

Seeing Bai nianxi's eyes cast in the past, Kang Mobei also followed him, "what's the matter, what are you looking at?"

Bai nianxi's eyes linger on the girl. At this time, the girl is drenched in the rain and her

whole body is drenched. The boy has an umbrella in his hand and doesn't want to cover her up.

It's said that the onlookers can see clearly. Bai nianxi thinks that the boy's mind is very clear.

But although the girl's mouth said so, her eyes were very unwilling.

"Xiaochan, believe me, she and I really have nothing." The boy released the girl's arm and took the girl's hand instead. The girl didn't shake it off this time.

"What are the gifts she gave you? On your birthday, she gave you such a valuable gift, invited you to dinner and drink! "

"Yes, she likes me and pursues me, but I don't like her."

"No?" The girl looked at the boy straight, "then why do you accept her gift?"

"That's because she said that if I don't want to, I'll throw away all these things. It's a pity that I've lost them."

"You keep the alligator bag she gave you, but you put the scarf I made for you in the corner!" At this point, the girl was wronged to cry out.

Bai nianxi watched, and his feet slowed down.

Don't know why, see this scene, always make her feel bad in the heart, that kind of feeling seems to be silent for a long time, can't vent, in the heart really hold the panic.

"Did you cry?"
