

# Billionaire CEO Won't Leave

## Chapter 161

How can kangmobei really send someone to supervise Bai nianxi at any time? What he wants is Bai nianxi's attitude that he will never let the red apricot out of the wall.

Sitting in the car of Komo north school, Bai nianxi came to the place of the party.

It's in a hotel in a city. The hotel has already been set up. Balloons and flowers are decorated everywhere. Bouquets and champagne are placed on small tables everywhere. The atmosphere is lively and strong.

Jiang zhiang and Gu xuanlin's status as friends will not be too low. They are all in suits, leather shoes and full dresses.

When he was with Jiang zhiang, he spent most of his time in France. Bai nianxi didn't meet Jiang zhiang's friends. He just had a meal before the wedding after returning home.

Among the men who come here today, many of them are just familiar with Bai nianxi's face, because they have only met once, and some of them even have no impression.

It's Gu xuanlin. She has a few friends, but she knows them better.

For nothing else, just because when Bai nianxi and Jiang zhiang were together, Gu xuanlin also liked Jiang zhiang. Her friends helped Bai nianxi find trouble several times.

"Excuse me, is Mr. Jiang in?" Bai nianxi grabbed a staff member and asked.

She didn't plan to stay here too long. After giving gifts, chatting, expressing her blessing to him, she would go back.

"I'm sorry, Mr. Jiang is not in now. He won't be here until later." The waiter replied politely.

"Why, I have to find Jiang zhiang when I come here." Several women came over. They were all friends of Gu xuanlin.

The one who spoke is Shao Xin.

After listening to the waiter's words, Bai nianxi is ready to go away, intending to turn a blind eye to these women, but the trouble still comes to the door.

"I'm just here to give gifts. The point is not on Jiang zhiang."

"Gifts?" Shao Xin snorted, "just send someone to give you gifts. Why do you have to run over and block people?"

Bai nianxi is not ready to talk about it any more. He turns around and goes to a quiet corner.

Shao Xin sees the carton in Bai nianxi's hand. She steps forward and grabs it from Bai nianxi.

"This is the present you prepared for Jiang zhiang and xuanlin?"

The paper box in hand is robbed. Bai nianxi turns around fiercely, and his sharp eyes fall on Shao Xin.

"Is that how miss Shao's parents taught her to take other people's things at will?"

Shao Xin's face turned black. How dare Bai nianxi scold her? Disdain way: "I not only want to take your things at will, I also want to open it at will."

With that, Shao Xin reaches for her hand to open Bai nianxi's carton. Bai nianxi steps forward to stop her, and is stopped by several women around Shao Xin.

"Oh, this small box is exquisitely packed, but I don't know how much the contents are worth?" Shao Xin said while unpacking.

Bai nianxi coldly looks at the package, which she has carefully tied up. Now it is untied by Shao Xin.

Shao Xin opened the box and found that there was a passbook in it. She took it in her hand and looked at it first. Then she frowned and said, "is that it?"

It seems that I look down on it.

Bai nianxi pushes aside the women in front of him, goes over and takes Shaoxin's

passbook back.

"What do you have to do with what I give you?"

Shao Xin hissed, "poor."

Bai nianxi put the passbook back in the carton and packed it. Then he took the ribbon and packed it a little bit. He said coldly, "if you think I'm poor, you can ignore me. If you come to talk to me like this, is Miss Shao cheap or what?"

"You Shao Xin was angry to take a finger to read white night, speechless, hum a, "it is teeth sharp mouth."

Bai nianxi calmly tied the ribbon on the gift box again. "Thank you, Miss Shao."

"Who said it had nothing to do with what you gave us?" Li Jing had been watching the play, but now she also stood up.

"What's your identity? We all know that you used to be zhiang's fiancée, but now it's Gu xuanlin who married zhiang. Who knows if you will not be reconciled and put a bomb in the gift box to blow up the whole place?"

"Looks like Miss Li wants to do this?"

"Me?" Li Jing frowned, "I mean you!"

Bai nianxi: Oh, the gift box has been put back by her. It's not bad. It's almost the same as the beginning.

"Miss Li is so affectionate. She calls her best friend by her first name..."

The tone of Bai nianxi's words is meaningful, which makes Li Jing's eyebrows jump and says, "Bai nianxi, what do you mean?"

"What do you mean, Miss Li must know in her own mind." Bai nianxi looked at Li Jing and said with a smile, "today, I think a bomb blew up here, not me, but you?"

Bai nianxi's words clearly mean that she has an idea about Jiang zhiang!"Bai nianxi, don't spit it out!"

"Does Miss Li really think that other people don't know what she's thinking?" Bai nianxi's eyes cooled down. "Did Miss Li forget her diary?"

Li Jing also likes Jiang zhiang. She once left her diary with Jiang zhiang. That day,

Jiang zhiang was away. Bai nianxi went to Jiang zhiang's office first.

There is a password in the diary, but when Bai nianxi found it, it was not locked.

I don't know whose it is. Bai nianxi turns it over. He wants to find the name on it to see if he can find the owner of the book. Unexpectedly, the first page is Li Jing's words to Jiang zhiang.

She put the diary back where it was and left it alone.

"When Jiang zhiang comes, ask him in person." Bai nianxi was fearless.

No matter whether Jiang zhiangcheng admits it or not, as long as the words are really asked, the friendship between Li Jing and Gu xuanlin should be over.

Of course, she doesn't really ask, just to scare her. This kind of woman who likes to make trouble is often a female tiger.

Li Jing's face has been red, she can't refute Bai nianxi's words, for fear that she can't help but go to Jiang zhiang to confront her.

Looking at Li Jing's appearance, we all have a pretty good idea of it, and the eyes cast on Li Jing are contemptuous.

Suddenly came a laugh, clear crisp, full interpretation of what is sweet.

Even Jiang zhiang didn't know that she knew about it.

Li Jing's face turned white. Later, Jiang zhiang gave her the diary back and explicitly refused her. At that time, Gu xuanlin had already gone abroad, and she was not afraid that she would know.

However, because she was Gu xuanlin's friend, when Jiang zhiang refused her, he made it clear to her that in order to save her face, he would take it as if it had not happened and would not tell anyone.

How did Bai nianxi know!

"Don't talk nonsense about things without evidence!"
