

Billionaire CEO Won't Leave

Chapter 162

"When Jiang zhiang comes, ask him in person." Bai nianxi smiles.

No matter whether Jiang zhiangcheng admits it or not, as long as the words are really asked, the friendship between Li Jing and Gu xuanlin should be over.

Of course, she doesn't really ask, just to scare her. This kind of woman who likes to make trouble is often a female tiger.

Li Jing's face has been red, she can't refute Bai nianxi's words, for fear that she can't help but go to Jiang zhiang to confront her.

Looking at Li Jing's appearance, we all have a pretty good idea of it, and the eyes cast on Li Jing are contemptuous.

Suddenly came a laugh, clear crisp, full interpretation of what is sweet.

It's Luo Shishi who just stood by quietly.

"Miss Bai, as Jiang zhiang's ex fiancée, it's normal for her to appear at the wedding the day after tomorrow, not to mention the bachelor party tonight."

Luo Shishi came forward with a different attitude from others. She put her hand directly on Bai nianxi's arm.

"Besides, it's a bachelor party tonight. Miss Bai is single now. Why do you come here to make a friend?"

Bai nianxi slightly screwed her eyebrows and quietly shook off Luo Shishi's hand. "I don't seem to know Miss Luo either."

"Not familiar?" Luo Shishi seems to be a little surprised, "Miss Bai, we met at your engagement ceremony with Jiang zhiang. Have you forgotten?"

It seems that he is afraid that Bai nianxi can't remember it. Luo Shishi added: "it's the

engagement ceremony that you ran away suddenly."

"Although Miss Bai and Jiang zhiang have no predestination, Jiang zhiang's friends are not bad either. It's not necessarily worse than him. It's a good choice for Miss Bai to choose one of them."

Bai nianxi looks at Luo Shishi. What does she mean when she says this?

Does it mean that she didn't see the Jiang family at first, but now she wants to come back to hook up with Jiang zhiang's friends?

"Miss Luo may have misunderstood. I have no interest in Jiang zhiang's friends."

Luo Shishi seems to be very surprised, ah of a, "that you come today, really just to send blessing to Mr. Jiang?"

After that, her face seemed to be a little lonely. "Miss Bai is really affectionate to Mr. Jiang. Although she is no longer together, Mr. Jiang is still coming to get married..."

"Miss Luo said enough?" Bai nianxi quietly interrupted, "it's all men. Can my life ambition be entrusted to men just like Miss Luo?"

Luo Shishi's face finally wrinkled. Is Bai nianxi satirizing her? "What do you mean?"

Luo Shishi is not a famous lady from the upper class, but just a rich boyfriend, and then she just squeezed into this circle.

What's better is the boyfriend, but what's worse is the second wife. The man has a wife and a room, and Luo Shishi is just a bed companion.

But Luo Shishi loves face. Although everyone knows about it, no one ever dares to say so in front of her.

What Bai nianxi said is especially ironic in Luo's poems.

"I mean what Miss Luo sounds like." Bai nianxi said that she didn't leave any feelings. Didn't Luo Shishi say that she came for men?

Luo Shishi's face turned blue. Other people didn't expect that Bai nianxi would break this layer. First, they were surprised, and then they changed into a good look.

They have been dissatisfied with Luo Shi for a long time.

"Bai nianxi, what do you think you are? Zhao Xi and I are... "

Without waiting for Luo Shi to finish, Bai nianxi had stopped her saying, "fall in love?"

"If you really like it, why should miss Luo tell me here? Go to Mrs. Zhao and say, "isn't it better?"

"I'm not like Miss Luo. I'm so busy with other people's private affairs."

Bai nianxi finished, and without saying more, he turned around and left.

Luo Shishi is both shy and angry, and her face turns red. There are many people here, so she can't catch up with Bai nianxi. She can only stand in the same place and look at it with hatred.

After Bai nianxi left, these women had nothing more to say, and they scattered one after another.

Bai nianxi went to a place, took a glass of juice, went to the sofa and sat down.

All of a sudden, a man's voice rang out in my ear, "Miss Bai's three murders just now have a good time."

Bai nianxi turned her head and saw that Musi was standing behind her with a glass of champagne in her hand.

"Mr. mu?" Bai nianxi was a little surprised. "Why are you here?"

It is reasonable to say that all the people who come here today should be friends of Jiang zhiang and Gu xuanlin, but in her impression, Jiang zhiang could not have such a friend.

Mu Sili straightened up, walked around the back of the sofa to the front, sat down on the sofa, next to Bai nianxi, and deliberately left a person's distance in the middle.

"I have a little cooperation with Mr. Jiang's company, so I know him like this," he explained seriously Bai nianxi thinks that since musili and Jiang zhiang have a partnership relationship, it doesn't make sense for him to attend the bachelor party held by Jiang zhiang as a single person.

Mu Sili looks at Bai nianxi with a sly smile in his eyes.

At that time, Jiang zhiang's invitation was sent to him. Originally, he didn't intend to come, but his old man saw it, so he threatened him to come and sent someone to

supervise him.

If the old man knew that he had met Bai nianxi here again, he would have vomited blood.

"Why are you here?" Mu Sili asked, pretending not to know.

When Yao Mei asked Bai nianxi for money when he went to commo north company, he knew the relationship between Bai nianxi and Jiang zhiang. He came here today to try his luck.

Maybe she's here?

"Well, I'm here to give gifts." Bai nianxi answers lightly.

It seems that there is more than one person who is going to vomit blood. If Kang Mobei knows

Musi Li smiles and feels like a spring breeze. When moussili laughs, he is charming.

"What are you laughing at?" Bai nianxi is puzzled.

Moussili shook his head. "It's just that I suddenly thought of something funny."

"I think you are facing a pretty girl, so you can't help laughing."

At the same time, a familiar and pleasant female voice came. Bai nianxi looked back and saw mu Rushuang coming.

Mu Rushun is wearing a red dress, elegant and charming. She was sent by muliancheng to supervise mulsili's bachelor party.

Mousse flashed from his eyes, "is frost coming?"

Mu Rushuang didn't answer Mu Sili's words. He went to the other side of the sofa and sat down on the other side of Bai nianxi.

Sitting between the two brothers and sisters, Bai nianxi always feels uncomfortable.

"How did Miss Bai come here today?" When mu Rushuang asks Bai nianxi, her voice is soft and tactful. It sounds very warm.
