

Billionaire CEO Won't Leave

Chapter 169

"The hotel cleaner, right?" Bai nianxi asked first.

Yao Mei was stunned for a moment, and then continued to curse: "why, there are all witnesses, you still want to deny it! You have hurt our grandson of the Jiang family. You have to die! "

Bai nianxi takes a look at Jiang zhiang beside the hospital bed. He was originally wearing a white suit today. Because he was stained with blood, there were several dark red blood stains on his body.

At the moment, sitting beside the hospital bed, his brow was slightly twisted, and there was no expression on his face. When Bai nianxi came, he cast his eyes.

He didn't say anything. His look was so unpredictable.

Looking at Jiang zhiang and Gu xuanlin, who is weak on the bed, Bai nianxi feels guilty.

"I'm sorry and sorry that zhiang's child is gone." Bai nianxi looked at Yao Mei again, "but I won't carry my black pot."

"What do you mean?" Yao Mei was very excited. "You killed my grandson, but now you dare not admit it?"

"Recognize, also need to do to recognize, not what I do, why should I recognize?" Bai nianxi looks firm.

She has long recognized that weakness can not be exchanged for other people's sympathy, only for intensified bullying.

It's one thing for her to feel guilty in this matter, but she must not let this basin of sewage be thrown on her head.

Bai nianxi's words come out. Kangmobei looks at Bai nianxi's eyes. Now, she seems to

be different from more than three months ago.

He liked her strength and fearlessness.

Jiang zhiang also looks at Bai nianxi, his eyes are secretive, and seems to be waiting for Bai nianxi to continue.

Yao Mei insists that it's Bai nianxi's hand. When she hears her negation, her anger comes out. She can't help but slap Bai nianxi again.

"You're so mean! It's shameless

Bai nianxi grabs Yao Mei's waving hand before the man in black helps her stop her again. "I know that your grandson is gone, and you are also very angry, but just because of this, you have to catch the real murderer, aren't you?"

Yao Mei was bluffing by what Bai nianxi said, but he didn't react for a moment.

"You You... "

Bai nianxi shakes off Yao Mei's hand, "witness, right? Well, I can confront her! "

Confrontation?

Kang Mo North Zun mouth opened, "bring people here."

The man in black was about to walk out of the ward, but the door of the ward had been opened from the outside, and mousse came in.

With a faint smile on his face, "did I miss a good play?"

As soon as Bai nianxi saw Mu Sili, he frowned. This person is really, where there is a bustle, he will go.

When Jiang zhiang saw Musi Li, his eyes darkened. He knew that Musi Li came for the sake of Bai nianxi.

After Musi came in, the people behind him also followed him. He was escorting a man, Wu Ling, who was still wearing the clothes of a cleaner.

When Yao Mei saw Wu Ling, he probably had the bottom of his mind, "are you the witness? Did you see Bai nianxi push my daughter-in-law? "

Before Wu Ling opened his mouth to answer, Mu Sili looked at her with a slight

eyebrow. His tone was not warm or cool. "Speak well."

Wu Ling recognized the threat of Musi Li's words, and swallowed his saliva, but he was still cruel and said, "yes, it's me."

"What do you see?"

Wu Ling repeated what he had said before in front of everyone.

After hearing this, Yao Mei put up a cold face to Bai nianxi? They say you did it! "

"She said I did it, I did it?" Bai nianxi looked coldly at Wu Ling, "then I said that she did it."

Wu Ling didn't expect that Bai nianxi had the courage to bite her when so many people saw her. For a moment, he was a little anxious, "what evidence do you have?"

"What evidence do you have?" Bai nianxi asked.

"So many people saw it at that time! You fell to the ground with Miss Gu! "

Bai nianxi nodded, "yes, you also said that we fell to the ground together."

"You pounced on her, pushed her down, and then fell together again!"

Bai nianxi shook his head, "no, I rushed over, not to push her, but to help her."

Hearing Bai nianxi's words, Yao Mei twisted her eyebrows and obviously didn't believe it.

Bai nianxi rubbed his waist and said, "there are many bruises on my body. I fell when I helped Miss Gu before Then he looked at Yao Mei, "if you don't believe me, you can have a look."

Yao Mei snorted, "what does a little bruise mean?"

"If I want to hurt Miss Gu and her baby, there's no need to help her."

Wu Ling snorted coldly, "anyway, what I see is that you rush towards her. As for what it is, you know in your heart, how can miss Gu fall for no reason? No matter what you do, Miss Gu's children are gone. ""Yes, that's right. I also think how could miss Gu fall for no reason?" Bai nianxi's eyes are burning.

Then, Bai nianxi takes Wu Ling to the bathroom, pours water at the door, and tells Gu

xuanlin what happened.

Wu Ling sneered, "what evidence do you have?"

"Of course not." Bai nianxi looked at Wu Ling, "at that time, we fell to the ground. When you came in, the bucket of sewage that you tripped over had all washed away the water stains on the ground. How could it leave evidence?"

"I was careless!"

"Not careful?" Bai nianxi and Wu Ling looked at each other, "I asked you to call a doctor, but you came straight in and tripped over the sewage. The water remained on the ground, and Miss Gu was soaked in the sewage, which naturally increased the risk of infection."

"I've asked you to call the doctor again and again, but you just run away and call everyone in. I still have the heart to ask for help, and all you do is increase the risk of Miss Gu's abortion!"

After going back, Bai nianxi also thought that although Gu xuanlin had a fall, it would not necessarily lead to miscarriage, not to mention that she was under the human flesh cushion.

But the situation was so serious that Wu Ling must have used some other means.

Wu Ling understands Bai nianxi's character and knows that she won't go to Jiang zhiang's wedding, so she seizes the opportunity of this bachelor party. With such a design, she must be well prepared.

Wu Ling looked at Bai nianxi and strongly denied it. He also pushed the matter to her and said, "it's just a coincidence that I tripped over the bucket. It's also because I want to ask someone for help."

As soon as Wu Ling said it, Bai nianxi remembered it.

Coincidence?

"I also think it's a coincidence. How could it be that I was locked in the bathroom and Miss Gu just came over at that time?"

"It's reasonable to say that Miss Gu's fall doesn't necessarily lead to miscarriage, but she just miscarried?"

Bai nianxi asked, and the eyes surprised Wu Ling.

Did she find something?
