

# Billionaire CEO Won't Leave

## Chapter 170

Bai nianxi said: "it's better to give Miss Gu a good check to see if there are other factors besides wrestling."

Yao Mei is very angry at what Bai nianxi said. "Xuanlin is still unconscious now. You have to check her. Are you..."

"Don't check." Jiang zhiang, who had been looking at him coldly before, spoke.

The ward was quiet for a moment, and then Jiang zhiang said, "after xuanlin's operation, the doctor told me that mifepristone was detected in her body."

Wu Ling's face turned pale in an instant.

Yao Mei doubts, "mifepristone?"

"It's abortion medicine." Jiang zhiang continued.

Because Gu xuanlin is pregnant, she only drinks white water or fruit juice now. The drop of wine doesn't touch it. The cup of fruit juice Gu xuanlin drank at that time was drugged by Wu Ling.

The dosage was not heavy, but under the stimulation of wrestling, it eventually led to abortion.

Bai nianxi looked at Wu Ling, "check your body, or you are in the cupboard of the hotel, there is no mifepristone is not OK."

Wu Ling clenched her teeth, because she was pulled down by mousse on the spot, so she had not had time to deal with the medicine.

If Bai nianxi sent someone to check it, he would find it.

Commo North overcast face, to the side of the people in black coldly ordered: "check."

"Don't look it up." Wu Ling's face was gray and said coldly, "I did it, that's right."

She has nothing to deny. Originally, this is not a perfect plan, and she is ready to burn both jade and stone with Bai nianxi.

Yao Mei was so shocked that he caught Wu Ling by the collar and said, "Why are you doing this? Why

"Why else?" To this point, Wu Ling is fearless, and his eyes are very cold.

"I just want Bai nianxi to die, to make her miserable, to see her embarrassed and to be scolded by thousands of people."

"Bai nianxi, do you think that you can get rid of your relationship with this matter?"

"Yes, I did it, yes, but without you, the child would not have been hurt at all! He died because of your involvement

"You are the culprit, you are!" Wu Ling said, excited, in front of Bai nianxi stretched out his hands, but Bai nianxi pushed back on the ground.

Regardless of the pain in his leg, Wu Ling continued: "it's you! You killed him! You made Jiang zhiang have no children! You are a bereaved star, a personal disaster

Wu Ling said with a smile on his fierce face, looking very crazy.

Kangmobei narrowed his eyes, his eyes were very dissatisfied, chilly surge, "her mouth blocked, bring me down."

"Bai nianxi, you will be condemned by your conscience all your life, because you killed a child. In people's hearts, you will always be the image of a vicious woman, despised by people Well Well... "

Someone had come up and covered Wu Ling's mouth so that she could not make any sound, and then took her down.

Jiang zhiang had no expression from beginning to end, but his cold eyes fell on his face when he was talking in kangmobei.

He was with Gu xuanlin because of this child.

Now that the child is gone, he

Jiang zhiang looks at Bai nianxi.

It's time for Bai nianxi to come back to him.

It's tiring to be a good man and a good father.

After Wu Ling is taken away, Bai nianxi looks at Gu xuanlin, who is still sleeping in the hospital bed. He thinks there is nothing to say. He looks at Jiang zhiang and Yao Mei, who are in shock.

With a sigh, he turned and went out.

After Bai nianxi, kangmobei and Musi left, the ward was quiet again.

"Mom, are Uncle Gu and aunt Gu still abroad?" Jiang zhiang's voice is very weak, and he can't hear any emotion.

Yao Mei nodded and sighed, "they were originally flying tonight, and they will come back tomorrow to attend your wedding."

Gu's parents and Jiang's family are family friends. It's reassuring to know that Gu xuanlin and Jiang zhiang are together. After Gu xuanlin got pregnant, they didn't say much, so they urged him to get married as soon as possible.

"Tell them the wedding is off."

Yao Mei was stunned at first, and then said, "yes, xuanlin just had a miscarriage, so the wedding can only be postponed."

Jiang zhiang shook his head, "it's not to push back."

"And who are you?"

"Cancel."

Yao Mei was so shocked by Jiang zhiang's words that he couldn't recover for a while, "zhiang, you How can you... "

Jiang zhiang looked at Yao Mei faintly, "we haven't got the certificate yet."

Jiang zhiang wants to repent! Because Gu xuanlin's child is gone, so he wants to repent!"Zhiang, how can you do that! Although the child did not, but you and xuanlin can also regenerate! You know, mom's biggest wish is to look at you and xuanlin... "

"Mom, from now on, your daughter-in-law is only Bai nianxi."

Simple words from Jiang zhiang's mouth, with endless gloomy chill.

Yao Mei's face was shocked, and then he was angry. "Why can't you let that cheap woman go! Do you know how much effort I spent to get you and xuanlin together? I'll give you a chance to make a match and give you medicine... "

At this point, Yao Mei suddenly shut up.

Jiang zhiang's eyes suddenly sharp, "what do you say?"

After drinking too much that night, he didn't remember what happened clearly. He only knew that when he woke up, he had been sleeping with Gu xuanlin naked.

He knows his own wine. Even if he is drunk, he will not be reckless. He always has good self-control. Otherwise, in France, he does not know how many times he has asked for Bai nianxi!

It turned out that Yao Mei did something that day!

"It's you!"

Jiang zhiang is like a cruel beast that has been suppressed for a long time. In a moment, the ferocity in his eyes made Yao Mei at a loss.

Is this her son?

Jiang zhiang, who has always been as gentle as jade and gentle in temper?

Yao Mei didn't say a word. She felt strange to her own son.

Jiang zhiang stood up, his eyes had returned to normal, except for expressionless face, no other emotions, left the hospital bed, walked to the door, "Mom, in the future, my business, you don't interfere."

Jiang zhiang walked in the corridor of the hospital. Every step he took made a light noise on the ground.

Too long, too long, he disguised too long, too long, now he can't help but release the evil and cruel self in his heart.
