

Billionaire CEO Won't Leave

Chapter 174

The grape is soft and juicy. When it hits Bai nianxi's body, it spreads a purple red stain.

Gu xuanlin continued to grab the things in the fruit basket and threw them at Bai nianxi. The juice was flowing with her fingers, which was sticky. She said: "take your things and get out! Go away

Bai nianxi turns to see Gu xuanlin, sighs gently, and turns to leave.

She didn't know Jiang zhiang was going to repent of Gu xuanlin's marriage. Before she came, she thought about Gu xuanlin's possible emotion, but she didn't expect that it would be so fierce.

When I left the hospital, it was more than seven in the evening. Usually, mu Rushun came to Kang's home at seven and went back after class at nine.

Luo Luo is just not at home. After mu Rushuang comes to the house, there is no one in the house except the servant.

Mu Rushuang first sat down downstairs, then got up and went for a walk. He looked everywhere. When he came to the door of the study, he found that the door of the study was open.

There is nothing very important in his study, but he doesn't like others to come into his study.

But in addition to the servants, Bai nianxi and Luo Luo can go in and out at will, so there is no need to lock the door.

Mu Rushuang pushed the door and went in. The study was full of the smell of commobei, which was the taste she liked.

There are a lot of books on the bookshelf. Mu Rushuang stretched out her fingers and brushed the rows of books on the bookshelf. There was an undercurrent surging in her heart.

This is komorbei's study. This is the book he has read. He once held them in his arms, or put them on his legs, opened their pages with his fingers, and gazed at them

All of a sudden, mu Rushuang noticed that a book, different from other books on the shelf, is a novel, which seems to be turned over a little old.

Mu Rushuang takes out the book and holds it in his hand. There is a page of bookmark in the book. Mu Rushuang naturally turns to the page of bookmark.

On the bookmark is a handwritten sentence, the handwriting is beautiful, and the signature is "Ru."

The word "ru" of Mu Rushun.

And it's very similar to her handwriting.

Mu Rushuang's eyes were dim, and he was deeply in meditation. Thinking about it, a servant's voice came from downstairs, "Mr. Kang, you're back."

He quickly closed the book in his hand and put it back intact. Mu Rushuang came out of the study.

Downstairs, conrobei has entered the hall, holding Lolo with a small schoolbag.

Kangmobei saw mu Rushuang upstairs. Her eyes narrowed unconsciously. Mu Rushuang had already walked down. "Brother Mobei, I just walked around at home. After a look, would you mind?"

Kangmobei did not answer mu Rushun's words, but said: "let you wait a long time."

Lolo had something to do with his teacher tonight. He came back a little late. After work, he went to pick up Lolo.

Luo Luo loosens the hand that holds Kang Mo north, carrying small schoolbag to walk toward the piano room upstairs.

Mu Rushuang said, "Miss Bai didn't come back with you?"

Kangmobei and Lolo are stunned. He thinks that Bai nianxi will come back directly after work today. Lolo also turns to look at kangmobei. Is mommy not at home?

Kangmobei's brow is inadvertently wrinkled. He wants to take out the phone in his pocket and dial it. At this time, the door is pushed open and Bai nianxi comes in.

When Luo Luo saw Bai nianxi coming back, he waved his hand happily and ran over, "Xiao Xi - Xiao Xi -"

Bai nianxi bent down to hold Luo Luo, but Kangmobei keenly noticed Bai nianxi's abnormality. What's the matter with these purple red marks on her back clothes?

He walked over and asked, "where have you been?"

After thinking about it, Bai nianxi decided to answer truthfully, "go to the hospital and see Gu xuanlin."

"These --" Kang Mo north takes eyes to point to the imprint on Bai Nian Xi's clothes, "is she making?"

"Well, she's a little emotional." Bai nianxi's answer is very common, and he doesn't seem to care about it.

"Since Miss Bai has come back, shall we begin to practice? Miss Bai, do you want to change your clothes first?" Mu Rushuang said with a smile.

Bai nianxi didn't say anything. After he changed his clothes, he began to practice four handed joint play with Luo Luo under the guidance of Mu Rushun.

After class, it's more than 9 p.m., and kangmobei still calls Secretary Xing to send mu Rushuang back, but mu Rushuang politely refuses.

Tonight, she's going to find someone.

In the car, murushuang called musili.

"Hello, brother."

"Why?" Musi Li's voice sounds lazy, and the sound of pushing a cup to change a cup is heard from time to time.

"Are you drinking?"

"Well." With that, moussili touched the cup with someone again.

Must be from Musi should be in social, mu Rushuang slightly frown, way: "that you first busy."

Finish saying to want to hang up the phone, suddenly hear opposite to spread a: "Mr.

Wang, come, I toast you a cup." Mu Rushuang was stunned and asked on the phone, "brother, which Wang always drinks with you?"

Musi takes a look at Wang Yijing, who has been drinking a little. When mu Rushuang asks, he already understands.

"Wang Yijing?" Mu Rushuang guessed that seeing that Mu Sili didn't speak, his guess should be right. "Brother, where are you? I'll go now."

The person mu Rushuang is looking for is just Wang Yijing.

At night, a red luxury Ferrari left the brightly lit century manor and went to another corner of the city.

Some people sealed up in their memories will come out one day after all.

In the morning, Panasonic called to inform Bai nianxi to go to the meeting.

To sum up, Bai nianxi has not been to Panasonic for more than a week. She has finished one of the three sketches.

After cleaning up, Bai nianxi came to Panasonic. Sure enough, the more people don't want to see someone, the more they will see that person.

Bai nianxi meets Su Yihao at the elevator entrance.

As soon as Su Yihao sees Bai nianxi, his eyes are filled with burning hatred. He will never forget that he was left in the suburbs by conmobei last time. He struggled alone for a night, then ran back all night, and finally appeared in a mess in the company.

When the elevator door opened, Su Yihao went in first, and stopped the people behind him, not letting them follow him.

There was only Bai nianxi in front of him. He seemed to be waiting for Bai nianxi.

Bai nianxi takes a look at the time. There are still 15 minutes left. It's not urgent.

Su Yihao looks at Bai nianxi with a cold and casual look on his face. He looks impatient. Can't this woman see that he is waiting for her?

Or is she just trying to embarrass him?

Savagely, Bai nianxi pulls in and closes the door of the elevator.

Bai nianxi frowned, "Mr. Su, what do you mean?"

"What do you mean?" Su Yihao also frowned, "Bai nianxi, no matter what identity you are, but you remember that in Panasonic, I am your boss."

"So?"

"So you'd better show me some respect."

Bai nianxi didn't speak. He turned around and was facing the elevator door.

"Why didn't you come in just now?"

White read Xi facial expression light, "still can why, don't want to stand together with you."

"You Su Yihao was angry straight gritted his teeth, "don't think I just want to stand with you, I just want to warn you, in the future in Panasonic, had better give me a tail."

He hasn't got revenge for his last revenge.

"I don't know." Bai nianxi has no expression and stares at the number on the display screen. Her floor is about to arrive.

Suddenly, the lights in the elevator flashed, and then fell into darkness.
