

# Billionaire CEO Won't Leave

## Chapter 183

"Go." Commodore ordered.

Secretary Xing's voice couldn't help trembling, "Mr. Kang, where are you going?"

"Press conference."

Secretary Xing was silent, "but news just came from the press conference. All the reporters we invited went after the news."

It must be that the reporters thought that the thing that Kang Mobei was going to announce at the press conference was just the one that Kang Taiye had just announced, so they were not in the mood to wait any longer. They went back to publish the draft and dig deeper materials.

After all, as soon as the engagement between kangmobei and mu Rushuang comes out, all media can't wait to report it and dig out the causes and consequences.

At this time, people want to see the gossip about kangmobei and murushuang most!

Conmber's eyes are fierce. Are you engaged? Want him to be engaged to Mu Rushun?

Well, his favorite game is to let people take the lead and then turn the tables against the wind.

"Back to the company."

Secretary Xing turns the steering wheel.

"No, to the moose group," he said

Musi sat in the office, pressed the remote control in his hand, the TV in front of him snapped, and the picture became dark.

Mu Si stood up. It seems that mu Rushuang went to Lao Kang's home early in the

morning for this matter.

The phone rang, and Mu Sili got through. Mu Liancheng's angry voice came from the opposite, "what's the matter! Today's Kang's press conference, what's going on? "

"Dad, you should ask Rushuang. Come here and ask me what I'm doing." Moussili was still cynical, but his face was blue.

"Rushuang, she doesn't answer the phone!" Mu Liancheng with some helpless roar: "is she there?"

Musi shook his head and said, "I'm not here."

"This girl, how can she be so willful! Does she know that the decision she made is... "

Before Mu Liancheng finished speaking, the door of Mu Si's office had been kicked open, making a huge "bang" sound.

Mu Sili's attention was attracted by kangmobei who was standing at the door. He didn't listen to what Mu Liancheng said on the phone.

I saw Kang Mobei standing at the door with a gloomy face. At his feet, he had kicked the door to the ground, which had been completely damaged by him.

Behind him, zhixia stood there, a little at a loss, "general manager mu, I, I can't stop..."

Musi Li shows zhixia to quit with his eyes, and then turns his attention to the phone again. There is still Mu Liancheng's voice inside How can she decide her life without consulting us! There's no one yet... "

"All right, Dad." Mu Sili's words seemed to have a casual smile, "I have something to do here, first..."

"Stop if you have something to do!" Mu Liancheng scolded: "now it's your sister..."

Mousse glanced away at the door of conumber. "Now, isn't my brother-in-law coming to see me?"

The opposite Mu Liancheng is silent for a moment, what else to say? He has been hung up by Mu Sili.

Mousse took a look at the door which was knocked down by commobei and touched his chin. "It seems that my door is not very strong. It's broken when I kick it."

Kangmo North steps in, sink eyebrow to gather a voice way: "Miss mu, isn't in you here?"

"Why don't you look for it?" Mousse left the place behind him, and the office was bright and tidy.

There was no one in the North circle.

"To tell you the truth, I also want to know where frost is. I was shocked by the news that you and frost were engaged just now on TV."

Musi left his arms in his arms, with a smile on his lips.

It doesn't matter if Kang Mobei comes a step closer. He didn't come to find mu Rushun. The decision of engagement is mainly made by the Kang family. Without the support of the Kang family, she can't make much trouble.

He's here for last night.

"Yesterday, you brought her back."

"Well." Musi left to smile, "how, want to thank me?"

Looking at the calm face of Kang Mobei and not talking, Mu Sili said: "thank me, then you don't have to. In the future, just treat my sister well, my good brother-in-law."

"I'm not going to marry her."

Musi from pick eyebrow, "can't you one day, say a little bit surprising words out?"

The implication is that it's not surprising for Kang Mobei to say this.

"Who took her yesterday?" Asked conumber.

Mu Sili knew that she meant Bai nianxi in Kang Mobei's words, but pretended not to know: "how can I know who took frost away?"

"You know who I'm talking about."

Mu Sili didn't answer. Since Kang Mobei came to ask him, it means that Bai nianxi didn't tell him. Since Bai nianxi didn't tell him, it means that she didn't want to tell Kang Mobei about it. After all, that man is Jiang zhiang.

"It's Jiang zhiang, isn't it?" Kang Mobei looked at Mu Sili and said that the tone of his

words was more like affirmation than inquiry.

Moussili bowed his head, laughed and didn't speak.

He just came to be sure, and the reaction of moussili has proved his idea.

Kangmobei didn't stay any longer. He turned around and was about to leave, but he was stopped by Mu Sili, "if you let her know that you hurt him, you..."

Conmber stopped, slightly turned his head, perfect side face against the light cast a shadow, "don't let her know?"

Musi Li looked at the back of Kangmo north, with a slight smile on the corner of his mouth, shaking his head and sighing: "it's really Kangmo north."

Then he looked at a corner of the office, and his voice was a little chilly, "do you hear me?"

A person came out from the corner, is mu Rushuang, her face a little white.

"I'm not going to marry her," he said Clearly fall in her ears, the tone is so firm, so inviolable, resounding in this office corner fall, let her cover her ears also have nowhere to escape.

Mu Rushuang bit her lips and looked lonely. However, it's not a day or two to know that kangmobei only loves Bai nianxi. What's so hard to bear?

"In short, now that the engagement has been announced, grandfather Kang advertises it to people all over the world in front of the media. Even if he wants to break the engagement, he can't help it."

Mousse left the eyes with doubt, "are you sure?"

Mu Rushuang gritted her teeth again. "It's about the reputation and reputation of the Kang family."

"The reputation and credibility of the Kang family." Musi Li murmured and said with a smile, "do you think it's more important for kangmobei than Bai nianxi?"

Mu Sili's words annoyed mu Rushuang a little. He said the thing she didn't want to admit in her heart.

"With a paper engagement, you want to keep a man by your side. This man is still komobei. You are so stupid."

"But if you use a piece of engagement, what's left is a woman?" Mu Rushun raised her head and looked to Mu Sili, "what if I leave Bai nianxi by your side with a wedding engagement?"
