

Billionaire CEO Won't Leave

Chapter 184

Conmber will be desperate to get rid of all this, white night will it?

Moreover, if one day, Bai nianxi becomes Mu Rushan's sister-in-law, there will be no way back between her and kangmobei.

It's easy for kangmobei to break his engagement with Mu's daughter. But if he wants to welcome Mu's fiancée in after breaking his engagement, can kangmobei take this step? Is it impossible for Bai nianxi?

Mu Sili saw through mu Rushuang's idea, and his face became serious. He said, "don't mess with me, Shuanger."

Mu Rushuang ignores Mu Sili. With determination on her face, she wants to go out.

"I don't want to use such means to keep her. Conmber can see everything clearly. Don't let him hate you one day."

Mu Rushun's steps stopped, but he went out.

Let him fall in love with her before you feel disgusted.

After Mu group left, Kang Mobei asked Secretary Xing to return to the company first.

The public's attention is now all on the engagement news just released today. The public opinion is very good. Maybe there are still some people with the wind. The Internet is full of praise and blessing.

Although we don't see many people in Beijing, we all know that mu Rushun is not familiar with her, but she has been stripped out of all the information.

After being worthy of being a famous family, the background is strong and clean. For a while, people feel that kangmobei and murushuang are a perfect couple. It seems that

only murushuang, a girl, is worthy of kangmobei.

Kangmobei didn't start to do anything about these public opinions. It's just gossip. It will be over in a few days. Anyway, there will be more gossip in the near future.

"Mr. Kang, your car and clothes are ready."

Secretary Xing pushed the door and walked into the office with a bag of clothes in his hand.

"Well." Conmber nodded, "put it down."

Secretary Xing put the things on the sofa and went out. What kangmobei asked him to prepare frightened him.

An unlicensed black SUV, a Black Hoodie, a pair of black running shoes, a mask, sunglasses and a baseball bat.

He would never believe that conmbe went to play baseball.

Secretary Xing did not dare to think any more and hurried out. Now that kangmobei had a plan, what he had to do was to cooperate with kangmobei as much as possible and clean up the mess left by kangmobei when he received all kinds of reports in the middle of the night.

After Secretary Xing left, there was another voice outside the door, "I want to find Daddy! I'm looking for Daddy

It's Lolo's voice.

"Young master, Mr. Kang is still working. You can't..."

Before the dissuaders had finished speaking, Lolo had opened the door of the office and rushed in.

There was a lot of tension on the face behind him. Kang and young master, it's not easy to provoke any of them. He didn't stop them, and he didn't stop them.

Conmber glanced at the man and said in a cold voice, "go out first."

The man was pardoned and disappeared.

"If you don't have a good class with the teacher, why do you come to me?"

Luo Luo snorted, with an angry expression on his face and a small schoolbag on his back. He pointed to Kang Mobei and said, "why do you want to marry another woman! Why not marry Mommy! "

"I didn't make the decision. Your grandfather made it."

Lolo ran to conmber's side, two hands to pull conmber's hand, want to pull him up, "then we go now, also to publish a press conference, tell them, you want to marry Mommy! Only Xiaoxi is my mother

Conmber didn't move. "You think I didn't want to hold a press conference this morning? But before that, your grandfather has announced the engagement. "

"Hum!" Lolo angrily threw away the hand of conmber, crossed his little fat waist, and his face was serious and heavy.

"What shall we do! I don't care! I want Xiaoxi to be my mommy, only Xiaoxi is my mommy! If daddy marries another woman, Mommy will be sad. If Mommy is sad, I will never pay attention to Daddy again! "

"Ignore it all my life --!"

His eyes sank.

He is patient and can wait, but what about Bai nianxi? What if she gets angry and sad about it?

So he stood up, took the coat next to him, pushed open the door of the office and strode out.

Lolo was stunned at the back, and then spread his legs to follow him. But when he came to the elevator door, facing the elevator door which had been closed mercilessly, he was isolated from the outside.

His face was in a daze.

Daddy, this is, don't you want him?

When kangmobei came home, Bai nianxi was seriously painting in his study. He was surprised to see kangmobei come in.

"Why did you come back?"

"Come back and see you." Conmber's hand turned to cover the door of his study."I

have nothing to look at." Bai nianxi continued to work with his head down.

Kangmobei approached and stood behind Bai nianxi, looking at her paintings. "You saw today's news?"

"No Bai nianxi answered coldly.

"Angry?" Looking at Bai nianxi's performance, Kang Mobei is relieved. He would rather see her angry than see her hold everything in his heart.

When she didn't say anything and didn't want to communicate with him, it was the time that made him feel the most terrible.

The way she is now shows that she is willing to lose her temper with him, which means that there is still a chance to recover everything.

"Not yet?"

Bai nianxi threw the pen in his hand, "you say I'm angry, I'm angry?"

The corner of the mouth of Kang Mo North stirs up a smile, eyes stare at the picture in front of Bai Nian Xi, "painting has become like this, still say not?"

Bai nianxi had been painting for a whole day, but he didn't know what he had done. They were all strange ghost symbols. Sure enough, it was impossible to be unaffected by commobei and Lolo.

Looking at the exaggerated and thick expression packs on the paper, the corners of conumber's mouth are deeper. In these expression packs, an angry tortoise is particularly conspicuous.

Conumber's finger was on it. "What's this?"

"Son of a bitch." Bai nianxi's answer is neither cold nor light.

"What's the point of drawing a bastard?"

"What do you care about me?" Bai nianxi impatiently folded the painting, kneaded it into a ball, and was about to throw it into the garbage can.

Kangmobei grabs the paper ball on Bai nianxi's hand and says, "what are you doing when you throw it away?"

"I don't like it."

"I like it." Conmobei unfolded the paper ball again and looked at the bastard on the paper again.

"Mr. Kang really has a strange taste and a strange vision."

"Well." Kangmobei nodded and looked at Bai nianxi with burning eyes, "I like it, bastard."

Bai nianxi is biting her teeth. I don't know what to pick up. If you want to say that he is scolding her, you have to admit that she thinks he likes her, but if you don't admit it

Conmobei is really irritating!

Bai nianxi stands up and wants to go far away from kangmobei, but he is held by kangmobei. Kangmobei puts his chin in Bai nianxi's neck socket and whispers: "engagement is not what I mean."
