

# 《Billionaire CEO Won't Leave》

---

## Chapter 19

When he was about to be smothered by the kiss, kangmobei finally let go of Bai nianxi. Bai nianxi gasped heavily, "kangmobei, what are you going to do?"

"What for?" Kangmobei was in a good mood at this time, smiling at the corner of his mouth, "you are under me, what do you say I do?"

The thumb rubs the lip corner of Bai nianxi, "isn't it jealous? Just in time, I like jealous women. "

Conmber is almost out of control. Why is he so happy to hear her say that he is jealous?

No matter how much, after taking off all Bai nianxi's clothes, kangmobei is obviously more familiar with the road. Compared with the last time, he is more considerate and gentle this time.

"Conmobei, you Well... "

As for Bai nianxi's resistance, it is of course invalid.

Lolo lonely nest alone in his quilt, holding a small fist, tears, why, why! Mummy came to sleep with him. As a result, she was robbed by daddy. She slept more than him!

It's not fair! It's not fair!

Kangmobei's endless demands made Bai nianxi totally unbearable. He didn't wake up until the next day.

It seems that someone is talking outside the door. It's conmber on the phone.

"To be investigated? Yes, I'll take their lawyer's letter and tell them that I'll accompany them to the end. " Conmbe didn't care at all.

.....

"Apology?" Kangmobei's back slightly shakes, turns around, just sees Bai nianxi standing at the door of the room, pauses and says: "I never apologize, that's all."

He hung up the phone and walked to Bai nianxi. Bai nianxi was wearing a light colored Pajama, revealing a scarlet kiss mark on his chest. Kangmobei's eyes were full of the meaning of evil sycophant, "wake up?"

Bai nianxi didn't have time to investigate the man's repeated aggression. He just asked eagerly, "just now, was it Jenny's phone?"

"Well, don't worry."

Bai nianxi thought about it and said, "I want to go to the hospital."

Although she knew that it would be a trivial matter without mentioning it, if she could reconcile, she still wanted to avoid the trouble of lawsuit.

Hospitals.

Wu Ling was lying in bed. He heard that his leg fracture was serious. Now he is in plaster cast and can only rest in bed. I'm afraid he can't get up for several months.

Bai nianxi asks Kang Mobei to wait outside the ward for a while. He goes in alone and stands in front of the bed, looking at Wu Ling in front of him with no expression.

Wu Ling's eyes were about to sparkle. He said with a cold smile, "why, don't you want to come? For fear of a lawsuit, come and beg me? "

Frowned, Bai nianxi said: "just don't want to fight, you and I all know that you accidentally fell down, it has nothing to do with me."

"It doesn't matter?" Wu Ling seems to have heard some jokes. "I say you are you. Bai nianxi, I warn you that if you have such an attitude, I can only send you to prison."

"What do you want?"

Wu Ling snorted, "do you want me to let you go? OK, medical expenses and mental loss, two million. "

Two million? Wu Ling is really a lion. Without waiting for Bai nianxi to answer, Wu Ling said, "also, the teacher of kangmobei's son, let Jenny do it."

The latter is the important condition, which is proposed by Jennie. If she didn't want to take advantage of the opportunity to embarrass Bai nianxi, revenge on the dinner party, and take back the position of teacher of conmobei's son, Jennie would not have been so kind as to help her hire a lawyer and keep investigating.

Outside the door, kangmobei finally can't help kicking open the door of the sick room and strides in. Wu Ling is shocked by the momentum of his whole body.

Bai nianxi was pulled back behind him, turned his head, and said to Bai nianxi, "didn't I say that I don't like women who compromise?"

Kangmobei went to the bed and looked at Wu Ling from the top down. It was like looking at a dead man. The contempt in the pupil was permeated with extremely strong self-confidence and supremacy, which made people panic for no reason.

Under the gaze of Wu Ling, he put his hand on the plaster of Wu Ling's broken leg. Although he didn't feel it at this time, Wu Ling could clearly feel the fear and weakness of being held in the palm of his hand.

"It's just a leg. I can afford to buy you a few lives. Ten million, I want you to disappear from this world. Do you want to do it? "

Wu Ling shook his head.

Then you talk to me about the terms

"But It's her Push me... "

"Push you?" Kang Mobei's eyes suddenly became gloomy. With one look, the bodyguard immediately picked up the vase beside him and smashed Wu Ling's leg in plaster. Wu Ling held his leg and screamed.

"Now I broke your leg. The evidence is solid. I never deny it."

With dark eyes and a cold smile in the corner of his mouth, "welcome to sue me."

One hand led Bai nianxi out of the ward, looking back when he left, "by the way, please tell Miss Jenny, please find a better lawyer group for you." Has been pulled back to the car by Komo north, Bai nianxi did not return to God. What did he do just now?

"You..."

"What are you doing?" Conmber raised his eyebrows and looked impatient. "Didn't you say it wasn't you? What do you want to talk to her about? Didn't I tell you not to live in such a low voice? "

"I..."

"What do I want?" Kangmobei was even more angry. He put his arms around Bai nianxi's neck and pressed himself. He said word by word, "Bai nianxi, please remember that your backer is me, kangmobei."

And, from beginning to end, he believed in her.

Bai nianxi really doesn't understand why Kang Mobei is angry. He just hears Kang Mobei's words and feels strange. Kang Mobei means to support her?

"Take it." Kangmobei looks at Bai nianxi and doesn't speak. His face softens a little. He releases Bai nianxi and takes out a black card from his wallet and hands it to her.

"What is this?" Bai nianxi took the card and looked at it carefully. It was a black card with gold plating on the side. "Black card?"

"Well." Conmobei's eyes turned to the front and wrote lightly: "the amount is unlimited. The password is your birthday. From tomorrow on, you will be Lolo's teacher and start to teach him how to draw. Before that, take him to buy something he needs to draw."

Bai nianxi was in a bit of a dilemma. At that time, in order not to let Jenny become Lolo's teacher, she volunteered to teach Lolo how to draw. Unexpectedly, conmobei took it seriously?

"Why?" Seeing Bai nianxi's expression, Kang Mobei frowned again, "don't you want to? You're not from the Paris Academy of fine arts? "

"But..." Bai nianxi wanted to talk and stopped, "I I didn't graduate. "

Conmbe didn't care. "It doesn't matter. You can teach as you like. "

You want to teach? There's a black line on Bai nianxi's forehead. Don't be too double marked. All the other teachers you want to find for Lolo must be the best in the industry. Because a painting has a crush on Jennie, you come to see her. How can you teach her here?
